REPORT
Real Estate Commission
of the
STATE OF MAINE

Containing List of Licensed
Real Estate Brokers
Real Estate Salesmen

State House
Augusta, Maine

FOREWORD

This Roster is published in conformity with Sec. 11 of the Maine Real Estate License Law.

The Report gives the names and addresses of all licensed real estate brokers and real estate salesmen as of July 1, 1953. The name of any broker or salesman licensed subsequently may be obtained by writing to the Secretary of the Maine Real Estate Commission, State House, Augusta, Maine.

It is necessary to again call attention to the seriousness of not notifying the Real Estate Commission of any change in the location of your office, and not returning your license and pocket card for correction.

The Real Estate License Law specifically states "The change of business location without notification to the Commission shall automatically cancel the license theretofore issued," and unless you do notify us of the change you are operating without a license and violating the Real Estate License Law and subject to the penalties provided therein.

Your attention is called to the renewal application for your 1954-55 license attached to the bottom of your present license. This should be carefully cared for and used when making application for your license next year.
