Maine Directory of Occupational Licensing

A publication series developed by the Division of Labor Market Information Services

Issued July 2000

PHONE: (207) 287-2271 (Voice)

(207) 1-800-794-1110 (TTY)

FAX: (207) 287-2947

PREFACE

The 5th edition of the *Maine Directory of Occupational Licensing* is intended to be used as a guide for educators, career guidance and employment counselors, industrial development personnel, students, job seekers, interested parents, and all other members of the general public who are interested in Maine occupational licensing requirements. The 5th edition has been revised since the publication of the 4th edition in 1993.

The 283 occupations listed in this directory represent most occupations for which a license, certification or registration is **required by state statute** as a prerequisite for work in Maine. Not included in this directory are licensing requirements established by Maine cities or towns. We recommend that users of this directory contact their city or town offices to determine local licensing requirements. Also not included in this directory are those licensing requirements established for business owners or operators, such as those who own or operate child day care facilities. It should be further understood that the purpose of this publication is to offer general guidance and is not meant to represent the power of law nor substitute for information provided directly by the licensing agencies.

For your convenience, this directory lists a table of contents of occupations by alphabetical order as well as a listing of licensing agencies in the same type of order.

Please check out our web site at <http://janus.state.me.us/labor/lmis/frdef.htm> for more information regarding occupations.

Questions and comments regarding this publication should be directed to the Department of Labor, PO Box 259, Augusta, ME 04332-0259, Telephone (207) 287-2271

Raynold A. Fongemie, Division Director
