# **Annual Nontraditional Occupations (NTO) Report**

February 27, 2015

The Honorable Amy Volk, Senate Chair
The Honorable Erin D. Herbig, House Chair
Members of the Joint Committee on Labor, Commerce, Research and Economic Development
126th Maine Legislature
100 State House Station
Augusta, ME 04333-0100

Dear Senator Volk, Representative Herbig, and Members of the Joint Committee on Labor, Commerce, Research and Economic Development:

We are pleased to submit to you the Annual Nontraditional Occupations (NTO) Report as required by An Act to Establish the Nontraditional Occupation Act, 26 M.R.S.A., §2021et seq. This report represents the period from January 1, 2014 through December 31, 2014.

The annual report contains two parts: Participant Data, including NTO participation by gender, age, and activity; and Placement Data, including NTO placements and wage at placement by gender. A list of occupations in which participants were either enrolled or placed during the last year is also enclosed. Please note that the report captures all active participants who received NTO training during program participation, regardless of the specific enrollment activity during the report period. We believe this captures a more accurate picture of NTO strategies provided by our system.

If you have any questions regarding this report, please feel free to contact Peaches Bass, Program Manager, at 623-7985.

Sincerely,

Jeanne Paquette Commissioner
