DOREEN L. SHEIVE FISCAL ADMINISTRATOR UNORGANIZED TERRITORY DIVISION

To the Taxpayers of the Unorganized Territory:

This report has been compiled to provide you with audited financial statements and relevant information.

A new current information section has been added to the report. This information is relevant to the current July 1, 2005-June 30, 2006 year.

As the full-time residents of the unorganized territory are aware, I performed an excise tax verification this spring. The result of the verification has not yet been finalized; however, it is apparent that some of you are not registering your vehicles with the proper agents. In many of these cases, we are **not** receiving the excise tax money. It is very important that you use the agents that are designated for your township, or a State of Maine Motor Vehicle branch office. The agent and legal residence codes, as well as Motor Vehicle branch office locations and hours of operation, are listed within this report under the Taxation section. If, for some very important reason you cannot use the assigned agent, please contact the property tax division to discuss the issue with them.

My office is now online. By going to <u>http://www.maine.gov/audit/unorg.htm</u> you can access a copy of the annual report, other pertinent information, and access other unorganized territory links.

I hope you find this report useful and informative. If you should have any questions or concerns, please feel free to contact any one of us who work for you.

# UNORGANIZED TERRITORY TAX DISTRICT

# **GENERAL INFORMATION**

The unorganized territory is presently comprised of the following:

- 9,327,533 acres of land, of which:
  - 7,568,360 acres are in tree growth (for which the unorganized territory does not receive reimbursement from the State of Maine, and,
  - o 1,190,564 acres are exempt from property tax.
- There are 419 townships. One hundred twenty nine of these townships have a full-time resident population of 7,843 people. In addition, the 2000 census estimated that there are 9,260 seasonal structures within the unorganized territory, housing approximately 24,075 non-residents.
- There are 75 offshore islands with only one of these islands having a full-time population of four people.
- There are 415 miles of summer roads and 541 miles of winter roads to maintain.
- There is unorganized territory located within twelve of the sixteen counties in the State of Maine. However, municipal type services are only required in nine of these twelve counties.
- In FY04 the municipal type services were contracted at the county level at a cost to the unorganized territory taxpayers of \$4.1 million. Education, tax-assessing, planning and zoning, general assistance, forest fire protection, and fiscal administrative services were provided at the state level at an annual cost to the unorganized territory taxpayers of approximately \$10.7 million. In addition, the unorganized territory taxpayers paid approximately \$2.9 million in county taxes.

The unorganized territory does not receive school subsidy nor tree growth reimbursement from the State of Maine.

# STATE SERVICES

The Legislature allocates and appropriates General Fund monies to the majority of state agencies who provide services to the unorganized territory. However, the General Fund appropriations are offset by transfers made to the Undedicated General Fund for actual expenditures made on behalf of the unorganized territory. The Fiscal Administrator of the Unorganized Territory, in compliance with Title 36, MRSA, §1605, SUB§2-A, transfers on October 31 of each year, an amount equal to 90% of the preceding fiscal year's expenditure. Then, in June of each year, the Fiscal Administrator verifies the total expenditures made by state agencies on behalf of the unorganized territory and transfers any remaining costs above the October 31<sup>st</sup> transfer to the Undedicated General Fund. Thus, the General Fund does not ultimately finance any services provided to the unorganized territory.

Within the state government structure, services to the unorganized territory are provided by:

<u>Maine Department of Education, Division of School Operations</u> – Serves as the administrative unit responsible for education and related services for the 1,165 students residing in the unorganized territory. Of these 1,165 students, 971 are tuitioned to local school units and 194 students attend the six unorganized territory operated schools located in the unorganized territory.

<u>Maine Department of Audit, Unorganized Territory Division</u> – The Fiscal Administrator of the Unorganized Territory provides information and assistance to the Legislature, the unorganized territory taxpayers, and state and county offices which request funds for providing services in the unorganized territory. The Administrator's primary responsibilities include the review, analysis, and investigation of the budgets and expenditures of all county and state agencies requesting funds from the unorganized territory. This is to ensure a complete and accurate annual analysis. The annual analysis is submitted to the joint standing committee of the Legislature having jurisdiction over taxation and to each legislator and office of the county commissioners having unorganized territory within their districts.

In addition, the Fiscal Administrator drafts and submits the annual Municipal Cost Components legislation in order for taxes to be levied; attends and participates in public hearings on county budgets and legislative hearings relative to the unorganized territory; publishes and distributes an annual financial report to interested taxpayers, legislators and county commissioners; and is Chair of the Commission on Municipal Deorganization.

<u>Maine Department of Conservation, Forest Fire Control Division</u> – Provides first response forest fire protection to the unorganized territory including fire prevention, fire detection, fire suppression, fire planning, and the maintenance of forest fire equipment.

# State Services (cont'd)

<u>Maine Department of Health and Human Services, Special Services/Emergency</u> <u>Assistance</u> – Designates and oversees agents who provide general assistance to the unorganized territory citizens.

<u>Maine Department of Conservation, Land Use Regulation Commission</u> – Serves as the planning and zoning board for the unorganized territory and other areas of Maine lacking local governments empowered to exercise land use authority.

<u>Maine Department of Administrative and Financial Services, Revenue Services,</u> <u>Property Tax Division</u> – Responsible for the assessment and collection of property taxes for the 419 townships and numerous coastal islands within the unorganized territory. The Bureau also maintains control of vehicle and boat excise taxes for the unorganized territory.

# **COUNTY SERVICES**

County services such as: road and bridge maintenance and repair, snow removal, structural fire protection, solid waste disposal, polling places, and animal control may, in accordance with Title 30A, MRSA, Chapter 305, be either provided or contracted by the county commissioners in the following counties.

Aroostook Franklin Hancock Kennebec Oxford Penobscot Piscataquis Somerset Washington

In the fall of the year, each of the above named counties produces an unorganized territory budget.

**NOTE:** This budget is separate from the county budget. The law requires that a public hearing on this budget be held at the same time as the county budget hearing. These budgets are submitted to the Fiscal Administrator of the Unorganized Territory for review, analysis, and investigation. They are then included in the legislation and analysis submitted by the Fiscal Administrator to the Legislature for its consideration.

# MUNICIPAL COST COMPONENTS LEGISLATION

The Fiscal Administrator of the Unorganized Territory drafts and submits the Municipal Cost Components legislation no later than March 1 of each year. This legislation consists of the budgeted state services minus anticipated revenues such as revenue sharing and the use of the undesignated fund balance. It also consists of the unorganized territory budgeted tax assessment for each of the counties that provide municipal type services.

A public hearing on this legislation is held before the Joint Standing Committee on Taxation. The legislation is then voted on by both houses of the Legislature (a 2/3 vote is required because it is emergency legislation) and signed into law by the Governor.

# **TAXES**

Once the Municipal Cost Components legislation is enacted, the Division of Unorganized Territory Property Tax within the Maine Department of Administrative and Financial Services issues the tax bills. The bills are mailed no later than August 1 of each year. The tax is due by October 1.

The mill rate in the unorganized territory consists of three components. They are:

- 1. County services budget (specific to the county in which the taxpayer owns property) divided by the county valuation = Mill Rate
- 2. State services budget (minus budgeted revenue) divided by the entire unorganized territory valuation = Mill Rate (NOTE: This mill rate is consistent for every taxpayer in the unorganized territory)
  - A. The above two mill rates are added and rounded up to the nearest  $\frac{1}{4}$  mill = Mill Rate.
- 3. County Tax (specific to the county in which the taxpayer owns property) divided by the county valuation = Mill Rate.

Numbers 2A and 3 mill rates are added to get the county tax rate for the individual counties in the unorganized territory.

# FIRST REGULAR SESSION OF THE 122<sup>ND</sup> LEGISLATURE Legislation that passed with an impact on the unorganized territory

#### LAW

Chapter 2 of the Public Laws of 2005 – An Act to Increase the State Share of Education Costs, Reduce Property Taxes and Reduce Government Spending at all Levels

Chapter 3 of the Private and Special Laws of 2005 – An Act to Change the Name of T8 SD to Fletchers Landing Township

Chapter 9 of the Private and Special Laws of 2005 – An Act to Establish Municipal Cost Components for Unorganized Territory Services to be Rendered in Fiscal Year 2005-2006

Chapter 10 of the Resolves of 2005 – Resolve, Authorizing the State Tax Assessor to Convey the Interest of the State in Certain Real Estate in the Unorganized Territory

Chapter 12 of the Public Laws of 2005 – An Act Making Unified Appropriations and Allocations for the Expenditures of State Government, General Fund and Other Funds, and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 2005, June 30, 2006 and June 30, 2007

#### **IMPACT**

Includes unorganized territory under the definition of "Property growth factor" with regard to county assessments.

Changes the designation of T8 SD to Fletchers Landing Township.

Tax legislation for state level and county services portion of tax assessment for FY05-06.

Authorizes the State Tax Assessor to sell tax lien property.

Appropriates and/or allocates budgeted amounts for unorganized territory agencies.

In addition, increased from 10% to 18% that portion of the Land Use Regulation Commission General Fund Appropriation that the unorganized territory taxpayers pay.

Also included the cost of "targeted funds" to be paid in addition to regular tuition payments for all unorganized territory students. This increased the cost of education in the unorganized territory by \$412,600 in FY06 and \$437,356 in FY07.

#### LAW

Chapter 30 of the Public Laws of 2005 – An Act to Promote Education in the Unorganized Territory

Chapter 78 of the Resolves of 2005 – Resolve, Regarding the Town of Cooper

Chapter 107 of the Public Laws of 2005 – an Act to Allow the Maine Land Use Regulation Commission to Assess a Processing Fee for Certain Projects

Chapter 115 of the Public Laws of 2005 – An Act to Cap Tuition Rates by Schools in the Unorganized Territory

Chapter 125 of the Resolves of 2005 – Resolve, To Study the Cost of the Provision of Certain Governmental Services in the Unorganized Territory

Chapter 413 of the Public Laws of 2005 – An Act to Provide Relief from the Cost of Rescue Services to Certain Communities

#### **IMPACT**

Directs the Commissioner of Education to adopt substantive rules with regard to the closing of a school in the unorganized territory.

Directs the Town of Cooper to work with the Maine Department of Transportation and the State Planning Office to resolve some of the town's problems and to report back to the Legislature no later than January 15, 2006.

Authorizes the Director of LURC to assess a processing fee for "extraordinary projects."

Reduces the amount of tuition that the Town of Dennysville pays to have their children attend the Edmunds Consolidated School. This is a loss of approximately \$25,000 in revenue. Thus, the taxpayers of the unorganized territory are funding a portion of the cost of educating Dennysville's children. It will also affect the cost to any other town that may want to tuition their children to an unorganized territory school.

Establishes a commission to study the cost of providing services in the unorganized territory with a report due to the Legislature no later than December 7, 2005.

Authorizes the Commissioner of Public Safety to accept money as gifts, bequests and donations to reimburse communities with populations of less than 200 that have no Interstate 95 exit within the town limits for the costs of providing fire, ambulance and other rescue services for accidents that occur on Interstate 95.

# ANIMAL CONTROL IN THE UNORGANIZED TERRITORY

CONTACT: Maine Department of Agriculture Food & Rural Resources, Division of Regulations Animal Welfare Unit AMHI Complex, Deering Building 90 Blossom Lane 28 State House Station Augusta, ME 04333-0028 Phone: (207) 287-3846

**Dog Licensing**: Licensing determines ownership and compliance with mandatory rabies immunizations. Licensing protects the stray dog and provides them with food and shelter for six days before they are allowed to be adopted and eight days before they can be euthanized, if that is recommended. After the required holding period of six days, ownership of the stray dog is vested in the animal shelter.

Each owner or keeper of a dog or wolf hybrid at the age of six months or more, on or before January 1<sup>st</sup> of each year, shall obtain a license from the dog recorder in the unorganized territory where the dog or wolf hybrid is kept or, in the absence of a duly authorized dog recorder, from a dog recorder in the nearest municipality or unorganized territory in the same county where the dog or wolf hybrid is kept.

Dog recorders in the unorganized territory are appointed by the Commissioner of Agriculture. They issue dog licenses, receive the license fees and pay them to the Department of Agriculture.

To license a dog you must have a current Maine rabies certificate. If the dog has been spayed or neutered, you must show proof from a veterinarian to receive the lower cost license.

*Licensing fees-* \$6.00 for spayed/neutered dogs \$10.00 for unaltered dogs \$15.00 late fee

*Kennel fees* - A kennel license is available for anyone that has a "pack or collection of dogs or wolf hybrids kept in a single location under one ownership for breeding, hunting, show, training, field trials or exhibition purposes" – five dogs per kennel license is 42.00. The sale or exchange of one litter of puppies within a 12-month period alone does not constitute the operation of a kennel. A late fee of 25.00, in addition to the annual fee, must be paid by a person who fails to obtain a municipal kennel license by January  $31^{st}$  of each year.

The following pages contain a list of places in the unorganized territory to license your dog.

# FISCAL ADMINISTRATOR OF THE UNORGANIZED TERRITORY

**CONTACT:** Doreen Sheive

Fiscal Administrator of the Unorganized Territory Maine Department of Audit 9 Beech Street, Hallowell Annex 66 State House Station Augusta, ME 04333-0066 Phone - (207) 624-6250 Fax - (207) 624-6273 Email – doreen.sheive@maine.gov

The Fiscal Administrator of the Unorganized Territory provides information and assistance to the Legislature, the unorganized territory taxpayers, and state and county offices that request funds for providing services in the unorganized territory.

The primary responsibilities of the Fiscal Administrator include the review, analysis, and investigation of budgets and expenditures of all county and state agencies requesting funds from the unorganized territory. This is to ensure the completeness and accuracy of the annual analysis submitted to the joint standing committee of the Legislature having jurisdiction over taxation, and to each legislator and office of the county commissioners having unorganized territory in their district.

In addition, the Fiscal Administrator drafts and submits the annual Municipal Cost Components legislation in order for taxes to be levied; attends and participates in public hearings on county budgets and legislative hearings relative to the unorganized territory; ensures that an annual audit of the unorganized territory fund at the state level is performed; and publishes and distributes an annual financial report to interested taxpayers, legislators, and county commissioners.

The Fiscal Administrator also serves as Chair of the Commission on Municipal Deorganization. The Commission was established to assist, review, recommend, and comment on deorganization procedures as established in Title 30-A, M.R.S.A., Chapter 302. The commission membership consists of the Commissioner of Education or designee, the Fiscal Administrator of the Unorganized Territory or designee, the State Tax Assessor or designee, the Director of the Maine Land Use Regulation Commission or designee, and the county commissioner whose district includes the municipality which is considering deorganization.

# FOREST FIRE PROTECTION IN THE UNORGANIZED TERRITORY

**CONTACT: Bill Williams** 

Forest Fire Control Division Maine Department of Conservation 22 State House Station 18 Elkins Lane Augusta, ME 04333-0022 Phone - 207) 287-4990 Fax - (207) 287-8422

The primary objective of this Division is to provide forest fire and forest resource protection at the least cost with minimum damage to Maine's 17.7 million acres of forest land. This objective is accomplished through five major tasks: (1) prevention; (2) detection; (3) pre-suppression (training of municipal and Division employees as well as maintenance and development of specialized equipment); (4) suppression (extinguishing fires that do occur); and (5) law enforcement.

The primary goal of the Division is to keep the annual acreage burned to a minimum. Pre-suppression or preparedness is another key to a successful forest fire control program. Continued efforts are maintained in building and equipment maintenance and fire planning. Another major goal is to enforce all laws dealing with forest and forest preservation. Forest fire prevention plays a very important role in meeting the Division's objectives.

In 2004, 52 forest fires occurred in the unorganized territory from the following causes:

Campfires - 9 Children - 1 Debris Burning - 6 Incendiary - 3 Lightning -10 Machine Use -14 Smoking - 2 Miscellaneous - 7

#### GENERAL ASSISTANCE IN THE UNORGANIZED TERRITORY

CONTACT: Cindy Boyd, Manager General Assistance Maine Department of Health and Human Services 268 Whitten Road 11 State House Station Augusta, ME 04333-0011 Phone - (207) 287-3097 Fax - (207) 287-5096

Pursuant to Title 22, M.R.S.A., §4312, residents of the unorganized territory shall be eligible for general assistance in the same manner as residents of a municipality. Either through individual agents or surrounding municipalities, a program is provided whereby residents of the unorganized territory may be deemed eligible to receive assistance for basic necessities which include food, clothing, shelter, fuel, electricity, non-elective medical services as recommended by a physician, non-prescription drugs, telephone service when it is necessary for medical reasons, and any other commodity or service determined to be essential. These services are provided on a 30-day renewable basis.

The following is a list of agents/municipalities with whom the Department of Health and Human Services has contracted to handle general assistance requests within the unorganized territory along with their assigned townships.

## LAND USE REGULATION COMMISSION

CONTACT: Catherine Carroll, Director Maine Department of Conservation Land Use Regulation Commission 22 State House Station 18 Elkins Lane Augusta, ME 04333-0022 Phone - (207) 287-2631 Fax - (207) 287-7439

The Maine Land Use Regulation Commission (LURC) was established in 1971 to serve as the planning and zoning board for the state's unorganized townships that have no form of local government; for plantations, which have limited local government but have chosen not to administer local land use controls; and for some towns that choose not to administer such controls at the local level despite having the option to do so. The Commission is responsible for promoting public health, safety and general welfare by encouraging the appropriate well-planned use of the resources within its jurisdiction and by guiding land use activities.

The Commission's responsibilities include preparing a comprehensive land use plan for its jurisdiction; preparing land use standards for each zoning district; reviewing applications for development; and enforcing compliance with these standards.

Locations of Land Use Regulation Commission offices:

Main LURC Office 22 State House Station 4 <sup>th</sup> Floor Harlow Building East Side Campus, AMHI 18 Elkins Lane Augusta 04333-0022	287-2631	Cherryfield Regional Office 7 Campbell Hill, PO Box 269 Cherryfield 04622-0269 Serving Hancock, Kennebec, Sag Washington Counties, and Maine Islands in LURC jurisdiction.	
Ashland Regional Office 45 Radar St. Ashland 04732-3600 Serving Aroostook County n Interstate 95, and northern F County.	•	East Millinocket Regional Office 191 Main St. East Millinocket 04430 Serving Penobscot, a portion of P and southern Aroostook Counties	Piscataquis,
Greenville Regional Office 43 Lakeview Dr., PO Box 11 Greenville 04441-1107 Serving Piscataquis and Son Counties.	07	<b>Rangeley Regional Office</b> 2352 Main St., PO Box 887 Rangeley 04970-0887 <i>Serving Franklin and Oxford Con</i>	864-5064 unties.

The Maine Land Use Regulation Commission is governed by a seven-member independent decision-making body, with members appointed by the Governor, subject to review by the Joint Standing Committee on Agriculture, Conservation and Forestry, and approval by the Legislature. Two members must be residents of the Commission's jurisdiction. Commissioners serve four-year staggered terms. The current Commissioners are: E. Bart Harvey, Chair, Gwen Hilton, Rebecca Kurtz, Edward B. Laverty, Carol A. Murtaugh, James A. Nadeau and Stephen W. Wight.

The Commission holds regular monthly meetings at locations in or near its jurisdiction, making decisions on permit applications, enforcement actions, zoning boundaries and land use standards. The Commission also holds public hearings and informational meetings as needed.

In Fiscal Year 2003-2004 the Commission adopted a lake concept plan for Brassua Lake; redrafted land use guidance maps for the Rangeley region (Franklin and Oxford counties), Monhegan Isle Plantation, and Large and Little Green Island to reflect the National Wetlands Inventory wetlands onto 7.5 minute USGS map series. 1238 permit applications were accepted for processing, and 1243 permit applications were processed. There were 165 permit applications pending at the end of the Fiscal Year. Compliance staff made over 1500 site inspections, including 650 public assistance visits, and resolved 79 enforcement cases. Rulemaking included changes to subdivision and development rules; changes to establishing expansion limits for nonconforming structures; clarifying criteria for granting disability variances providing for minor home occupations without a permit; providing for certain trail signs without a permit; setting building height limitations in coastal shoreland areas; expanding the use of handicap waivers to expansion limits for structures; clarifying the criteria for permit expirations; providing for truck/equipment storage and maple sugaring operations in management districts; increasing the allowable size of sporting camps in certain zones.

## TAXATION IN THE UNORGANIZED TERRITORY PROPERTY TAX DIVISION

**CONTACT:** Bob Doiron

Supervisor, Unorganized Territory Property Tax Division Maine Revenue Services 14 Edison Drive PO Box 9106 Augusta, ME 04332-9106 Phone - (207) 287-2011 Fax - (207) 287-6396

Maine Revenue Services, Property Tax Division is responsible for the assessment and collection of all property taxes within the Unorganized Territory Tax District.

The Service also maintains control of vehicle and boat excise taxes for the unorganized territory. It appoints agents/municipalities as excise tax collectors for specific townships, although unorganized territory taxpayers may pay their excise taxes at a Motor Vehicle branch office.\*

Paying your vehicle/boat excise taxes to an authorized collector in your area is very important. Since your mailing address may differ from your residence, you should <u>make the collector aware of your local residency</u> so that the excise tax is attributed to your township. It is your responsibility to check the Legal Residence Code on your vehicle registration with the Legal residence code of your township. (Please see pages 46-49.)

The county in which the unorganized territory is located ultimately receives the excise tax revenue. County officials, at budget time, allocate this revenue to <u>decrease</u> the tax commitment in the unorganized territory, thereby reducing <u>your</u> property taxes. If excise tax funds are mistakenly entered, they may not be given to the county and, therefore, not attributed to the unorganized territory. The excise taxes collected and transferred to the counties for Fiscal Year 2004 was \$874,591.54.

### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the State of Maine Unorganized Territory Education and Services Fund conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The following is a summary of the more significant of such policies:

#### **Reporting Entity**

These financial statements include only the financial activities of the State of Maine Unorganized Territory Education and Services Fund (UT). This fund is part of the State of Maine and has been included in the State of Maine's government-wide financial statements. The UT does not have separate legal standing or corporate powers that would distinguish it as being separate from the State of Maine. The activity of the UT is accounted for as part of a special revenue fund within the State of Maine's accounting system. This activity has been extracted from these accounting records, appropriately adjusted, and reported independently in these financial statements.

The State of Maine Unorganized Territory Education and Services Fund, as described above, accounts for the expenditure of funds to support certain services to the unorganized territory, namely education, general assistance, forest fire control, and land use regulation. The UT also expends funds in the form of payments to the various counties in the State which contain unorganized territories, for both county taxes and for reimbursement of services rendered by the individual counties to the unorganized territory within that county's boundaries. Revenue is raised to support these costs on an annual basis in the form of property taxes assessed by the State of Maine on individual property owners within the unorganized territory.

## Measurement Focus, Basis of Accounting and Basis of Presentation

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, certain compensated absences and claims and judgments, are recorded only when the payment is due.

Revenues susceptible to accrual are property taxes. Other receipts and taxes become measurable and available when cash is received by the UT and are recognized as revenue at that time.

Entitlements and shared revenues are recorded at the time of receipt or earlier if the susceptible to accrual criteria are met. Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met.

The UT reports the following major governmental fund:

The General Fund is the UT's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Additionally, the UT reports the following fund type:

An agency fund is a fiduciary fund type. This fund accounts for all excise taxes that the UT collects on behalf of counties in Maine.

### Assets, Liabilities and Equity

**Due to/from the State of Maine** – Transactions between the UT and the State of Maine are representative of cash positions at the end of the fiscal year and are referred to as due to/from the State.

Capital Assets – Capital assets are defined by the UT as assets with an initial, individual cost of more than \$3,000 and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The cost of normal repairs and maintenance that do add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital assets of the primary government are depreciated using the straight-line method over the assets estimated useful lives ranging from five to fifty years.

Capital assets, including infrastructure (roads, bridges, etc.) are held at either the State or County level in trust for the Unorganized Territory as a whole. Capital assets that are at the County level are reported at the individual County levels. Capital assets at the State level are reported in the State of Maine's government-wide financial statements.

Vacation Leave – Under terms of personnel policies, vacation time is granted in varying amounts according to length of service and is accrued ratably over the year. Regular part-time employees receive vacation time on a prorated basis. Accumulated vacation time has been recorded in the General Fund.

**Fund Equity** – In the fund financial statements, governmental funds report reservations of fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Designated fund balances represent tentative plans for future use of financial resources.

Use of Estimates – Preparation of the UT's financial statements require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent items at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

#### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

**Comparative Data/Reclassifications** – Comparative data for the prior year have been presented only for certain funds in the fund financial statements in order to provide an understanding of the changes in the financial position and operations of these funds. Also, certain amounts presented in the prior year data have been reclassified in order to be consistent with the current year's presentation.

### STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

#### A. Budgetary Information

Each year the Fiscal Administrator of the UT requests budget information from the state agencies and counties who provide services to the taxpayers of the Unorganized Territory. Bi-annually the Joint Standing Committee on Appropriations and Financial Affairs recommends to the Legislature a statewide budget which includes the statewide components of the State of Maine Unorganized Territory. The Fiscal Administrator drafts a legislative document (L.D.) for the purpose of setting and authorizing the collection of taxes in the UT to the Legislature for consideration. This L.D. is known as the "Municipal Cost Component". Once the L.D. is printed and assigned, the Fiscal Administrator prepares and submits an analytical report of the legislation to the members of the Joint Standing Committee on Taxation, each legislator who has unorganized territory within their district, and the office of the county commissioners of each county with the unorganized territory.

Once the Legislature approves the Municipal Cost Component, the State Tax Assessor levies a tax on all nonexempt real and personal property in the unorganized territory. The taxpayer's bill is based on three components -- the cost of state services spread across the unorganized territory, the cost of county provided services specific to each county, and the cost of county taxes specific to each county. The Legislature can also approve de-appropriations to the various departments during the year.

Any unexpended balance may not simply lapse to fund balance at the end of the fiscal year but must now be carried forward to the same fund for the next fiscal year and must be available for the purposes authorized. Any unexpended fund balance remaining in the fund at the end of the year, not including amounts set aside in capital reserves, that is in excess of 10% of the amount of expenditures for that year must be used to reduce the amount to be collected in taxes during the year.

Encumbrance accounting is employed in the general fund. Encumbrances (e.g., purchase orders, contracts) outstanding at year end are reported as reservations of fund balances and do not constitute expenditures or liabilities because the commitments will be reappropriated and honored during the subsequent year. At June 30, 2004 fund balance reservations for outstanding encumbrances amounted to \$222,580.

### STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY, CONTINUED

#### **B.** Excess of Expenditures Over Appropriations

For the year ended June 30, 2004, expenditures exceeded appropriations in the following department:

Fiscal Administrator \$41,952

This over expenditure lapsed to fund balance at year end. The budget presentation in these financial statements represents the municipal cost component which is used to facilitate the calculation of the amount to be raised by the UT through taxation. Carryforwards of prior year surpluses which have been authorized for expenditure have not been included. If these carryforwards had been included, no excesses would have existed for the Fiscal Administrator line.

#### PROPERTY TAX

Property taxes for the current year were committed in July 2003 based on the assessed value of all real and personal property located in each county. Tax bills are mailed annually by August 1, with one installment due on October 1. Interest was charged at 7% on all taxes unpaid after this date. Assessed values are periodically established by the UT's Assessor at 100% of estimated market value. At April 1, 2003, the datc on which the current year's assessed value was based, the assessed value represented 100% of estimated market value.

The UT is permitted by the laws of the State of Maine to levy taxes greater than the actual amount required, by rounding up the respective UT county mill rate to the next highest ¼ mill. This additional millage is referred to as overlay, and amounted to \$228,293 for the year ended June 30, 2004. The variance between actual property tax revenues in the governmental funds and budgeted property tax revenues represents supplemental taxes, overlay and the change in deferred taxes.

Tax liens are recorded against real property between February 21 and March 15 of the year following the date of assessment if any part of the tax, interest and associated costs assessed remain unpaid. The UT property tax liens forcelose on March 30 of the year following the recording of any such liens if any of the tax, interest and associated costs remained unpaid.

Property taxes levied during the year were recorded as receivables at the time the levy was made. The receivables collected during the year and in the first sixty days following the end of the fiscal year have been recorded as revenues in the governmental funds. The remaining receivables have been recorded as deferred revenues in the governmental funds.

#### PENSIONS

#### **Plan Description**

All employees of the Maine Unorganized Territory Education and Services Fund are members of the Maine State Retirement System. The System provides pension, death and disability benefits to its members.

The System's retirement programs provide defined retirement benefits based on members' average final compensation and creditable service. Vesting occurs upon the earning of ten years service credit or the earning of one year's service credit immediately preceding retirement at or after normal retirement age. Normal retirement age is 60 or 62, determined by whether a member had at least 10 years of creditable service on June 30, 1993. Effective October 1, 1999 a member who is in service at that date is eligible to receive benefits at normal retirement age after five or more years of creditable service. The monthly benefit is reduced by a statutory prescribed factor for each year that a member is below the normal retirement age.

### PENSIONS, CONTINUED

The System also provides death and disability benefits, which are established by statute for State and public school employees, and by contract with other participating employers under applicable statutory provisions.

Upon termination of membership, members' accomulated employee contributions are refundable with interest, credited for a five year period for non-vested members and through the date of refund for vested members. Withdrawal of accumulated contributions results in forfeiture of all benefits. The annual rate of interest credited to members' accounts is set by the System's Board of Trustees and is carrently 6%.

Retirement benefits are finded by contributions from members and employers as well as carnings from investments. Disability and death benefits are funded by employer contributions and investment carnings. Member and employer contributions are a percentage of applicable member compensation. Member contribution rates are defined by law and depend on the terms of the plan under which a member is covered. Employer contribution rates are determined by annual actuarial valuations.

### **Funding Policy**

The Maine Constitution, Maine Statutes and the System's funding policy provide for periodic employer contributions at actuarially determined rates that, expressed as percentages of annual covered payroll, are sufficient to accumulate adequate assets to pay benefits when due. Level percentage of payroll employer contribution rates are determined using the entry age normal actuarial funding method. The System also uses the level percentage of payroll method to amortize the unfunded liability of the State and teacher plan over a closed period that cannot be longer than 31 years from July 1, 1997.

The State of Maine is required to remit 32% of its budgetary surplus at the end of its fiscal year to the System, in order to reduce any anfunded pension liability for state employees and teachers.

Significant actuarial assumptions used to compute the contribution requirements are the same as those used to compute the standardized measure of the pension obligation.

The actuarially determined contribution rates in effect for 2003 participating entities are as follows:

State:	
Employees	7.65-8.65%
Employer	12.43-37.12%
Teachers:	
Employees	7.65%
Employer	17.71%

Annual Pension Cost and Net Pension Obligation - The UT's employer's annual pension cost and net pension obligation to the System for the current year is not calculated separately but is calculated as part of the State of Maine's overall plan, and information on the pension cost and obligation can be found in the State of Maine Single Audit report.

### LANDFILL CLOSURE AND POSTCLOSURE CARE COSTS

The UT is aware of the existence of several landfills which have all been closed as of June 30, 2004. The liability for postclosure monitoring costs falls on the individual County's Unorganized Territory funds. The State of Maine Unorganized Territory Education and Services Fund would be affected by virtue of an increase in the municipal cost component needs in a year in which postclosure costs were incurred. The amount and timing of these potential postclosure costs are unknown.

## COUNTY TAX

#### OTHER EMPLOYEE BENEFITS

#### A. Post-retirement Health Care Benefits

The employees of the State of Maine Unorganized Territory Education and Services Fund are covered under the State of Maine's employer benefits program. In addition to providing pension benefits, the State of Maine funds health care benefits for most retirees. Specifically excluded are members of the Maine Teachers Association. Effective August 1, 2003, the State pays 40% of post retirement health insurance premiums for teachers. The State pays 100% of post retirement health insurance premiums for other eligible individuals who were first employed before July 1, 1991. A pro rata portion, ranging from 0% for retirees with less than 5 years participation to 100% for retirees with 10 or more years of participation, is paid for eligible individuals first employed after July 1, 1991. Retirees eligible for Medicare are covered under supplemental insurance policies. Coverage for retirees who are not eligible for Medicare includes basic hospitalization, supplemental major medical and prescription drugs, and costs for treatment of mental health, alcoholism and substance abuse.

#### **B.** Post-retirement Life Insurance Benefits

In addition to providing pension and health care benefits and in accordance with statutory authority, the State of Maine, through the Maine State Retirement System (MSRS), provides certain life insurance benefits for retired employees who, as active employees, participated in the Group Life Insurance Program for a minimum of 10 years. Payments of claims are made by MSRS from a fund containing a percentage of the life insurance premiums of active State employees and teachers, plus earnings on the investments of the fund. In addition to the cost of claims, the State pays a monthly retention fee to a life insurance company.

#### SELF-INSURANCE

#### A. Risk Management

The State maintains several types of self-insurance plans. These include property, vehicle, boat and aircraft, tort, civil rights, employee bonds, police professional, workers' compensation and unemployment compensation. The UT participates in these plans. Full disclosure regarding claims, excess insurance and claims and judgment liabilities can be found in the State of Maine's Single Audit Report.
