To the Taxpayers of the Unorganized Territory:

This report has been compiled to provide you with audited financial statements and relevant information.

Please pay particular attention to the "Current Information" section beginning on Page 15. This section contains the most current and relevant information such as the latest legislative action that will impact the unorganized territory.

With regard to paying your excise tax, I again reiterate the importance of using the agents that have been designated for your township or a State of Maine Motor Vehicle branch office. It is also very important that you ensure that the correct code is used on your registration form so that the excise tax is sent to the unorganized territory to reduce the tax assessment.

In addition, my office is now online. By going to <http://www.maine.gov/audit/unorg.htm> you can access a copy of the annual report, other pertinent information, and access other unorganized territory links.

I hope you find this report useful and informative. If you should have any questions or concerns, please feel free to contact any one of us who work for you.

# UNORGANIZED TERRITORY TAX DISTRICT

## GENERAL INFORMATION

---

The unorganized territory is presently comprised of the following:

- 9,286,464 acres of land, of which:
  - 7,528,782 acres are in tree growth (for which the unorganized territory does not receive reimbursement from the State of Maine), and,
  - 1,126,935 acres are exempt from property tax.
- There are 419 townships. One hundred twenty nine of these townships have a full-time resident population of 7,842 people. In addition, the 2000 census estimated that there are 9,260 seasonal structures within the unorganized territory, housing approximately 24,075 non-residents.
- There are 75 offshore islands with only one of these islands having a full-time population of four people.
- There are 415 miles of summer roads and 541 miles of winter roads to maintain.
- There is unorganized territory located within twelve of the sixteen counties in the State of Maine. However, municipal type services are only required in nine of these twelve counties.
- In FY06 the municipal type services were contracted at the county level at a cost to the unorganized territory taxpayers of \$4.6 million. Education, tax-assessing, planning and zoning, general assistance, forest fire protection, and fiscal administrative services were provided at the state level at an annual cost to the unorganized territory taxpayers of approximately \$11.6 million. In addition, the unorganized territory taxpayers paid approximately \$3.3 million in county taxes.

The unorganized territory does not receive school subsidy nor tree growth reimbursement from the State of Maine.

## **STATE SERVICES**

The Legislature allocates and appropriates General Fund monies to the majority of state agencies who provide services to the unorganized territory. However, the General Fund appropriations are offset by transfers made to the Undedicated General Fund for actual expenditures made on behalf of the unorganized territory. The Fiscal Administrator of the Unorganized Territory, in compliance with Title 36, MRSA, §1605, SUB§2-A, transfers on October 31 of each year, an amount equal to 90% of the preceding fiscal year's expenditure. Then, in June of each year, the Fiscal Administrator verifies the total expenditures made by state agencies on behalf of the unorganized territory and transfers any remaining costs above the October 31<sup>st</sup> transfer to the Undedicated General Fund. Thus, the General Fund does not ultimately finance any services provided to the unorganized territory.

Within the state government structure, services to the unorganized territory are provided by:

**Maine Department of Education, Division of School Operations** – Serves as the administrative unit responsible for education and related services for the 1,149 students residing in the unorganized territory. Of these 1,149 students, 958 are tuitioned to local school units and 191 students attend the six unorganized territory operated schools located in the unorganized territory.

**Maine Department of Audit, Unorganized Territory Division** – The Fiscal Administrator of the Unorganized Territory provides information and assistance to the Legislature, the unorganized territory taxpayers, and state and county offices which request funds for providing services in the unorganized territory. The Administrator's primary responsibilities include the review, analysis, and investigation of the budgets and expenditures of all county and state agencies requesting funds from the unorganized territory. This is to ensure a complete and accurate annual analysis. The annual analysis is submitted to the joint standing committee of the Legislature having jurisdiction over taxation and to each legislator and office of the county commissioners having unorganized territory within their districts.

In addition, the Fiscal Administrator drafts and submits the annual Municipal Cost Components legislation in order for taxes to be levied; attends and participates in public hearings on county budgets and legislative hearings relative to the unorganized territory; publishes and distributes an annual financial report to interested taxpayers, legislators and county commissioners; and is Chair of the Commission on Municipal Deorganization.

**Maine Department of Conservation, Forest Fire Control Division** – Provides first response forest fire protection to the unorganized territory including fire prevention, fire detection, fire suppression, fire planning, and the maintenance of forest fire equipment.

## **State Services (cont'd)**

**Maine Department of Health and Human Services, Special Services/Emergency Assistance** – Designates and oversees agents who provide general assistance to the unorganized territory citizens.

**Maine Department of Conservation, Land Use Regulation Commission** – Serves as the planning and zoning board for the unorganized territory and other areas of Maine lacking local governments empowered to exercise land use authority.

**Maine Department of Administrative and Financial Services, Revenue Services, Property Tax Division** – Responsible for the assessment and collection of property taxes for the 419 townships and numerous coastal islands within the unorganized territory. The Bureau also maintains control of vehicle and boat excise taxes for the unorganized territory.

## **COUNTY SERVICES**

County services such as: road and bridge maintenance and repair, snow removal, structural fire protection, solid waste disposal, polling places, and animal control may, in accordance with Title 30A, MRSA, Chapter 305, be either provided or contracted by the county commissioners in the following counties.

**Aroostook  
Franklin  
Hancock  
Kennebec  
Oxford  
Penobscot  
Piscataquis  
Somerset  
Washington**

In the fall of the year, each of the above named counties produces an unorganized territory budget.

**NOTE:** This budget is separate from the county budget. The law requires that a public hearing on this budget be held at the same time as the county budget hearing. These budgets are submitted to the Fiscal Administrator of the Unorganized Territory for review, analysis, and investigation. They are then included in the legislation and analysis submitted by the Fiscal Administrator to the Legislature for its consideration.

## **MUNICIPAL COST COMPONENTS LEGISLATION**

The Fiscal Administrator of the Unorganized Territory drafts and submits the Municipal Cost Components legislation no later than March 1 of each year. This legislation consists of the budgeted state services minus anticipated revenues such as revenue sharing and the use of the undesignated fund balance. It also consists of the unorganized territory budgeted tax assessment for each of the counties that provide municipal type services.

A public hearing on this legislation is held before the Joint Standing Committee on Taxation. The legislation is then voted on by both houses of the Legislature (a 2/3 vote is required because it is emergency legislation) and signed into law by the Governor.

## **TAXES**

Once the Municipal Cost Components legislation is enacted, the Division of Unorganized Territory Property Tax within the Maine Department of Administrative and Financial Services issues the tax bills. The bills are mailed no later than August 1 of each year. The tax is due by October 1.

The mill rate in the unorganized territory consists of three components. They are:

1. County services budget (specific to the county in which the taxpayer owns property) divided by the county valuation = Mill Rate
2. State services budget (minus budgeted revenue) divided by the entire unorganized territory valuation = Mill Rate (NOTE: This mill rate is consistent for every taxpayer in the unorganized territory)
  - A. The above two mill rates are added and rounded up to the nearest  $\frac{1}{4}$  mill = Mill Rate.
3. County Tax (specific to the county in which the taxpayer owns property) divided by the county valuation = Mill Rate.

Numbers 2A and 3 mill rates are added to get the county tax rate for the individual counties in the unorganized territory.

## **Legislation that passed with an impact on the unorganized territory**

### **LAW**

Chapter 7 of the Resolves of 2007 – Resolve, Regarding Legislative Review of Portions of Chapter 23: Closing a School in the Unorganized Territory, a Major Substantive Rule of the Department of Education

Chapter 264 of the Public Laws of 2007 – An Act to Clarify Land Planning in the Unorganized and Deorganized Townships of the State

Chapter 424 of the Public Laws of 2007 – An Act to Adjust the School Funding Formula with Regard to the Unorganized Territories

Chapter 112 of the Public Laws of 2007 – An Act to Provide for Enforcement of Land Use Limitations Relating to Cemeteries

Chapter 114 of the Public Laws of 2007 – An Act Concerning Applications Processed by the Maine Land Use Regulation Commission

Chapter 19 of the Resolves of 2007 – Resolve, Regarding Legislative Review of Portions of Chapter 1: General Provisions and Chapter 10: Land Use Districts and Standards, Major Substantive Rules of the Maine Land Use Regulation Commission

### **IMPACT**

Requires the Commissioner of Education to hold a public meeting in the area served by an unorganized territory school prior to the commissioner closing the school.

Provides guidelines in relationship to the Land Use Regulation Commission's comprehensive land use plan.

Repeals the current law with regard to secondary tuition students in the unorganized territory. The current law allows that we would pay either actual or the state average per pupil cost, whichever is less. This law directs the unorganized territory to pay actual cost. This increased our state level costs by \$305,768 in FY08.

Adds a penalty for construction or excavation being done within 25 feet of a known burial site or within 25 feet of the boundaries of an established cemetery, whichever is the greater.

Amends the permit application fees set by rule by the Maine Land Use Regulation Commission to remove the limits regarding subdivision applications and zoning petitions.

Gives legislative approval of certain major substantive rules by the Land Use Regulation Commission.

## IMPACT

Defines guidelines for the establishment of a  
solid waste disposal facility that is hosted by  
several communities.

Annual legislation that authorizes the State  
Tax Assessor to auction off tax lien real  
estate in the unorganized territory.

Annual tax levying legislation for services  
provided by the State and certain counties.  
The assessment of state level services was  
reduced by 8.33% mainly because the  
unorganized territory had collected a million  
dollars in tree growth removal penalties  
which increased the amount of money that  
was available to reduce the assessment.

## ANIMAL CONTROL IN THE UNORGANIZED TERRITORY

The Animal Welfare Program staff, consisting of one part-time and eight full-time employees, responds to and resolves complaints regarding inhumane treatment of animals, and inspects businesses selling and housing pets.

The Animal Welfare Advisory Committee advises the Commissioner on policies related to the humane treatment of animals, and on the operations of the Animal Welfare Program.

***Dog Licensing:** Licensing determines ownership and compliance with mandatory rabies immunizations. Licensing protects the stray dog and provides them with food and shelter for six days before they are allowed to be adopted and eight days before they can be euthanized, if that is recommended. After the required holding period of six days, ownership of the stray dog is vested in the animal shelter.*

Each owner or keeper of a dog or wolf hybrid at the age of six months or more, on or before January 1<sup>st</sup> of each year, shall obtain a license from the dog recorder in the unorganized territory where the dog or wolf hybrid is kept or, in the absence of a duly authorized dog recorder, from a dog recorder in the nearest municipality or unorganized territory in the same county where the dog or wolf hybrid is kept.

Dog recorders in the unorganized territory are appointed by the Commissioner of Agriculture. They issue dog licenses, receive the license fees and pay them to the Department of Agriculture.

To license a dog you must have a current Maine rabies certificate. If the dog has been spayed or neutered, you must show proof from a veterinarian to receive the lower cost license.

<b>Licensing fees-</b>	\$6.00 for spayed/neutered dogs
	\$11.00 for unaltered dogs
	\$15.00 late fee

***Kennel fees*** - A kennel license is available for anyone that has a “pack or collection of dogs or wolf hybrids kept in a single location under one ownership for breeding, hunting, show, training, field trials or exhibition purposes” – five dogs per kennel license is \$42.00. The sale or exchange of one litter of puppies within a 12-month period alone does not constitute the operation of a kennel. A late fee of \$25.00, in addition to the annual fee, must be paid by a person who fails to obtain a municipal kennel license by January 31<sup>st</sup> of each year.

Further information regarding fees may be found in the *Maine Statutes, Title 7, Part 9, Chapter 721*.

The following pages contain a list of places in the unorganized territory to license your dog.

The Division of State Schools, Education in Unorganized Territory, Maine Department of Education, serves as the administrative unit responsible for education and related services for students residing in the unorganized territory of Maine.

Education in the Unorganized Territories consists of a Director, an Education Specialist III who serves as the Director of Special Education for the unorganized territory, a Business Manager, an Administrative Secretary, and a part-time Account Clerk. All positions except the Director of Special Education are located at the central office in Augusta.

Education in the Unorganized Territory is responsible for the operation of six elementary schools with a total enrollment of 191 pupils in September of 2006. These schools are:

The staff necessary to operate these six schools consists of: five principals, twenty-three teachers, two special education teachers, three Education Technicians, four teacher-aides, four guidance counselors, ten janitor/bus drivers, six cooks, and four secretaries. In addition, the staff includes four independent bus drivers who transport unorganized territory tuition students to local educational agencies.

The division owns and operates school buses and maintains subcontracts with private conveyors to transport students from remote areas to either local educational agencies or to designated school bus stops.

Tuition students, numbering 958 (elementary and secondary), are transported to 58 different local educational agencies within proximity of their residences.

Pupils who reside in more remote locations are provided educational services through a variety of alternative methods such as room and board in lieu of transportation, tutors, and home schooling.

The division is responsible for its own payroll and personnel records as well as for processing all expenditures involved in education in the Unorganized Territory system.

The Fiscal Administrator of the Unorganized Territory provides information and assistance to the Legislature, the unorganized territory taxpayers, and state and county offices that request funds for providing services in the unorganized territory.

The primary responsibilities of the Fiscal Administrator include the review, analysis, and investigation of budgets and expenditures of all county and state agencies requesting funds from the unorganized territory. This is to ensure the completeness and accuracy of the annual analysis submitted to the joint standing committee of the Legislature having jurisdiction over taxation, and to each legislator and office of the county commissioners having unorganized territory in their district.

In addition, the Fiscal Administrator drafts and submits the annual Municipal Cost Components legislation in order for taxes to be levied; attends and participates in public hearings on county budgets and legislative hearings relative to the unorganized territory; ensures that an annual audit of the unorganized territory fund at the state level is performed; and publishes and distributes an annual financial report to interested taxpayers, legislators, and county commissioners.

The Fiscal Administrator also serves as Chair of the Commission on Municipal Deorganization. The Commission was established to assist, review, recommend, and comment on deorganization procedures as established in Title 30-A, M.R.S.A., Chapter 302. The commission membership consists of the Commissioner of Education or designee, the Fiscal Administrator of the Unorganized Territory or designee, the State Tax Assessor or designee, the Director of the Maine Land Use Regulation Commission or designee, and the county commissioner whose district includes the municipality which is considering deorganization.

## FOREST FIRE PROTECTION IN THE UNORGANIZED TERRITORY

The primary objective of this Division is to provide forest fire and forest resource protection at the least cost with minimum damage to Maine's 17.7 million acres of forest land. This objective is accomplished through five major tasks: (1) prevention; (2) detection; (3) pre-suppression (training of municipal and Division employees as well as maintenance and development of specialized equipment); (4) suppression (extinguishing fires that do occur); and (5) law enforcement.

The primary goal of the Division is to keep the annual acreage burned to a minimum. Pre-suppression or preparedness is another key to a successful forest fire control program. Continued efforts are maintained in building and equipment maintenance and fire planning. Another major goal is to enforce all laws dealing with forest and forest preservation. Forest fire prevention plays a very important role in meeting the Division's objectives.

In 2006, 63 forest fires effecting 887.62 acres occurred in the unorganized territory from the following causes:

Campfires - 4  
Children - 1  
Debris Burning - 6  
Arson - 12  
Lightning - 9  
Machine Use - 16  
Smoking - 5  
Railroad - 7  
Miscellaneous - 3

The Maine Land Use Regulation Commission (LURC) was established in 1971 to serve as the planning and zoning board for the state's unorganized townships that have no form of local government; for plantations, which have limited local government; and for some towns that choose not to administer such controls at the local level despite having the option to do so. The Commission is responsible for promoting public health, safety and general welfare by encouraging the appropriate well-planned use of the resources within its jurisdiction and by guiding land use activities.

The Commission's responsibilities include preparing a comprehensive land use plan for its jurisdiction; to prepare land use standards for each zoning district; to review applications for development; to educate; and to enforce compliance with those standards.

The Maine Land Use Regulation Commission is governed by a seven-member independent decision-making body, with members appointed by the Governor, subject to review by the Joint Standing Committee on Agriculture, Conservation and Forestry, and approval by the Legislature. Two members must be residents of the Commission's jurisdiction. Commissioners serve four-year staggered terms. The current Commissioners are: E. Bart Harvey III, Chair, Gwen Hilton, Rebecca Kurtz, Edward B. Lavery, Steve Schaefer, James A. Nadeau and Stephen W. Wight, Co-Chair.

The Commission holds regular monthly meetings at locations in or near its jurisdiction, making decisions on permit applications, enforcement actions, zoning boundaries and land use standards. The Commission also holds public hearings and informational meetings as needed.

In the past year, the commission completed digital zoning maps for its entire jurisdiction which are now available on the Department's internet mapping site. Work also accelerated in reviewing and redrafting of its comprehensive land use plan. 969 permit applications were accepted for processing, and 1012 permit applications were processed. There were 130 permit applications pending at the end of the fiscal year. Staff reached resolution on 67 enforcement cases within the fiscal year. Commission staff made numerous site inspections, including public assistance visits and compliance inspections. In addition, Commission staff is available in the five regional field offices to assist customers firsthand for permitting, education, compliance, and enforcement needs.

Maine Revenue Services, Property Tax Division is responsible for the assessment and collection of all property taxes within the Unorganized Territory Tax District.

The Service also maintains control of vehicle and boat excise taxes for the unorganized territory. It appoints agents/municipalities as excise tax collectors for specific townships although unorganized territory taxpayers may pay their excise taxes at a Motor Vehicle branch office\*.

***Paying your vehicle/boat excise taxes to an authorized collector in your area is very important. Since your mailing address may differ from your residence, you should make the collector aware of your local residency so that the excise tax is attributed to your township. It is your responsibility to check the Legal Residence Code on your vehicle registration with the Legal residence code of your township. (Please see pages 46-49.)***

The county in which the unorganized territory is located ultimately receives the excise tax revenue. County officials, at budget time, allocate this revenue to decrease the tax commitment in the unorganized territory, thereby reducing your property taxes. If excise tax funds are mistakenly entered, they may not be given to the county and, therefore, not attributed to the unorganized territory. The excise taxes collected and transferred to the counties for Fiscal Year 2006 was \$1,138,955.79.

***The following is a list of excise tax collectors by county:***

### Independent Auditor's Report

State of Maine Department of Audit  
Serving as Audit Committee  
Unorganized Territory Education and Services Fund:

We have audited the accompanying financial statements of the general and fiduciary funds of the State of Maine Unorganized Territory Education and Services Fund (UT), a fund of the State of Maine, as of and for the year ended June 30, 2006, as listed in the table of contents. These financial statements are the responsibility of the State of Maine Unorganized Territory Education and Services Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in the notes to financial statements, the financial statements present only the accounts of the State of Maine Unorganized Territory Education and Services Fund, a fund of the State of Maine, and are do not purport to, and do not, present fairly the financial position of the State of Maine, and the changes in financial position in conformity with accounting principles generally accepted in the United States America. The State of Maine Unorganized Territory Education and Services Fund is a fund of the State of Maine. These fund financial statements do not include the entity-wide Statement of Net Assets, Statement of Activities, or Management Discussion and Analysis as required by Governmental Accounting Standards Board Statement No. 34. Certain disclosures relevant to both the State of Maine and the State of Maine Unorganized Territory Education and Services Fund are omitted herein and have been disclosed in the State's basic financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the general and fiduciary funds of the State of Maine Unorganized Territory Education and Services Fund as of June 30, 2006 and the changes in financial position and the budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 7, 2006 on our consideration of the State of Maine Unorganized Territory Education and Services Fund's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

State of Maine Department of Audit  
Serving as Audit Committee

Our audit was conducted for the purpose of forming an opinion on the fund financial statements of the State of Maine Unorganized Territory Education and Services Fund. The additional information included in Exhibits A-1 through A-2 is presented for purposes of additional analysis and are not a required part of the fund financial statements. Such information has been subjected to the auditing procedures applied in the audit of the fund financial statements and, in our opinion, is fairly presented in all material respects in relation to the fund financial statements taken as a whole.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

---

The accounting policies of the State of Maine Unorganized Territory Education and Services Fund conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The following is a summary of the more significant of such policies:

**Reporting Entity**

These financial statements include only the financial position and changes in financial position of the State of Maine Unorganized Territory Education and Services Fund (UT). This fund is a fund of the State of Maine and has been included in the State of Maine's government-wide financial statements. The UT does not have separate legal standing or corporate powers that would distinguish it as being separate from the State of Maine. The activity of the UT is accounted for as part of a special revenue fund within the State of Maine's accounting system. This activity has been extracted from these accounting records, appropriately adjusted, and reported independently in these financial statements.

The State of Maine Unorganized Territory Education and Services Fund, as described above, accounts for the expenditure of funds to support certain services to the unorganized territory, namely education, general assistance, forest fire control, and land use regulation. The UT also expends funds in the form of payments to the various counties in the State which contain unorganized territories, for both county taxes and for reimbursement of services rendered by the individual counties to the unorganized territory within that county's boundaries. Revenue is raised to support these costs on an annual basis in the form of property taxes assessed by the State of Maine on individual property owners within the unorganized territory.

**Measurement Focus, Basis of Accounting and Financial Statement Presentation**

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, certain compensated absences and claims and judgments, are recorded only when the payment is due.

Revenues susceptible to accrual are property taxes. Other receipts and taxes become measurable and available when cash is received by the UT and are recognized as revenue at that time.

Entitlements and shared revenues are recorded at the time of receipt or earlier if the susceptible to accrual criteria are met. Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met.

The UT reports the following major governmental fund:

The General Fund is the UT's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

---

Additionally, the UT reports the following fund type:

An agency fund is a fiduciary fund type. This fund accounts for all excise taxes that the UT collects on behalf of counties in Maine.

**Assets, Liabilities and Equity**

**Due to/from the State of Maine** – Transactions between the UT and the State of Maine are representative of cash positions at the end of the fiscal year and are referred to as due from State of Maine Treasury.

**Capital Assets** – Capital assets are defined by the UT as assets with an initial, individual cost of more than \$3,000 and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. The cost of normal repairs and maintenance that do add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital assets of the primary government are depreciated using the straight line method over the assets estimated useful lives ranging from two to sixty years.

Capital assets, including infrastructure (roads, bridges, etc.) are held at either the State or County level in trust for the Unorganized Territory as a whole. Capital assets that are at the County level are reported at the individual County levels. Capital assets at the State level are reported in the State of Maine's government-wide financial statements.

**Vacation Leave** – Under terms of personnel policies, vacation time is granted in varying amounts according to length of service and is accrued ratably over the year. Regular part-time employees receive vacation time on a pro-rated basis. Accumulated vacation time has been recorded in the State of Maine's government-wide financial statements. No expenditure is reported in the fund statements for this time unless it is actually due and payable.

**Fund Equity** – In the fund financial statements, governmental funds report reservations of fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Designated fund balances represent tentative plans for future use of financial resources.

**Use of Estimates** – Preparation of the UT's financial statements require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent items at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

**Comparative Data/Reclassifications** – Comparative data for the prior year have been presented only for certain funds in the fund financial statements in order to provide an understanding of the changes in the financial position and operations of these funds. Also, certain amounts presented in the prior year data have been reclassified in order to be consistent with the current year's presentation.

**STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY**

---

**A. Budgetary Information**

Each year the Fiscal Administrator of the UT requests budget information from the state agencies and counties who provide services to the taxpayers of the Unorganized Territory. Bi-annually the Joint Standing Committee on Appropriations and Financial Affairs recommends to the Legislature a statewide budget which includes the statewide components of the State of Maine Unorganized Territory. The Fiscal Administrator drafts a legislative document (L.D.) for the purpose of setting and authorizing the collection of taxes in the UT to the Legislature for consideration. This L.D. is known as the "Municipal Cost Component". Once the L.D. is printed and assigned, the Fiscal Administrator prepares and submits an analytical report of the legislation to the members of the Joint Standing Committee on Taxation, each legislator who has Unorganized Territory within their district, and the office of the county commissioners of each county with the Unorganized Territory.

Once the Legislature approves the Municipal Cost Component, the State Tax Assessor levies a tax on all nonexempt real and personal property in the Unorganized Territory. The taxpayer's bill is based on three components -- the cost of state services spread across the unorganized territory, the cost of county provided services specific to each county, and the cost of county taxes specific to each county. The Legislature can also approve de-appropriations to the various departments during the year.

Any unexpended balance may not simply lapse to fund balance at the end of the fiscal year but must be carried forward to the same fund for the next fiscal year and must be available for the purposes authorized.

Any unexpended fund balance remaining in the fund at the end of the year, not including amounts set aside in capital reserves, that is in excess of 10% of the amount of expenditures for that year must be used to reduce the amount to be collected in taxes during the year.

Encumbrance accounting is employed in the general fund. Encumbrances (e.g., purchase orders, contracts) outstanding at year end are reported as reservations of fund balances and do not constitute expenditures or liabilities because the commitments will be reappropriated and honored during the subsequent year. At June 30, 2006 fund balance reservations for outstanding encumbrances amounted to \$61,252.

**B. Excess of Expenditures Over Appropriations**

For the year ended June 30, 2006, expenditures exceeded appropriations in the following departments:

Fiscal Administrator	\$ 43,104
Assessments	38,196
Computer assisted mass appraisal system	72,293
Land Use Regulation Commission	7,045

These over expenditures lapsed to fund balance at year end. The budget presentation in these financial statements represents the municipal cost component which is used to facilitate the calculation of the amount to be raised by the UT through taxation. Carryforwards of prior year surpluses which have been authorized for expenditure have not been included. If these carryforwards had been included, no excesses would have existed for the Fiscal Administrator line.

---

**PROPERTY TAX**

---

Property taxes for the current year were committed in July 2005 based on the assessed value of all real and personal property located in each county. Tax bills are mailed annually by August 1, with one installment due on October 1. Interest was charged at 8% on all taxes unpaid after this date. Assessed values are periodically established by the UT's Assessor at 100% of estimated market value. At April 1, 2005, the date on which the current year's assessed value was based, the assessed value represented 100% of estimated market value.

The UT is permitted by the laws of the State of Maine to levy taxes greater than the actual amount required, by rounding up the respective UT county mill rate to the next highest ¼ mill. This additional millage is referred to as overlay, and amounted to \$220,477 for the year ended June 30, 2006. The variance between actual property tax revenues in the governmental funds and budgeted property tax revenues represents supplemental taxes, overlay and the change in deferred taxes.

Tax liens are recorded against real property between February 21 and March 15 of the year following the date of assessment if any part of the tax, interest and associated costs assessed remain unpaid. The UT property tax liens foreclose on March 30 of the year following the recording of any such liens if any of the tax, interest and associated costs remained unpaid.

Property taxes levied during the year were recorded as receivables at the time the levy was made. The receivables collected during the year and in the first sixty days following the end of the fiscal year have been recorded as revenues in the governmental funds. The remaining receivables have been recorded as deferred revenues in the general fund.

**PENSIONS**

---

**Plan Description**

All employees of the Maine Unorganized Territory Education and Services Fund are members of the Maine State Retirement System. The System provides pension, death and disability benefits to its members.

The System's retirement programs provide retirement benefits based on members' average final compensation and creditable service. Vesting occurs upon the earning of five years service credit or the earning of one year of service credit immediately preceding retirement at or after normal retirement age. Normal retirement age is 60 or 62, determined by whether the member had at least 10 years of creditable service on June 30, 1993 (effective October 1, 1999, the prior ten-year requirement was reduced to five years by legislative action). The monthly benefit is reduced by a statutory prescribed factor for each year that a member is below his/her normal retirement age at retirement.

---

**STATE OF MAINE UNORGANIZED TERRITORY  
EDUCATION AND SERVICES FUND  
Notes to Financial Statements, Continued**

---

**PENSIONS, CONTINUED**

---

The System also provides death and disability benefits, which are established by statute for State employee and teacher members, and by contract with other participating employers under applicable statutory provisions.

Upon termination of membership, members' accumulated employee contributions are refundable with interest, credited in accordance with statute. Withdrawal of accumulated contributions results in forfeiture of all benefits and membership rights. The annual rate of interest credited to members' accounts is set by the System's Board of Trustees and is currently 6%.

In the event that a participating entity withdraws from the System, its individual employee-members can terminate membership or remain contributing members. The participating entity remains liable for contributions sufficient to fund benefits for its already retired former employee-members; for its terminated vested members; and for those active employees, whether or not vested, who remain contributing System members.

Retirement benefits are funded by contributions from members and employers as well as earnings from investments. Disability and death benefits are funded by employer contributions and investment earnings. Member and employer contributions are a percentage of applicable member compensation. Member contribution rates are defined by law and depend on the terms of the plan under which a member is covered. Employer contribution rates are determined by annual actuarial valuations.

**Funding Policy**

The Maine Constitution, Maine Statutes and the System's funding policy provide for periodic employer contributions at actuarially determined rates that, expressed as percentages of annual covered payroll, are sufficient to accumulate adequate assets to pay benefits when due. Level percentage of payroll employer contribution rates are determined using the entry age normal actuarial funding method. The System also uses the level percentage of payroll method to amortize the unfunded liability of the State and teacher plan over a closed period that cannot be longer than 31 years from July 1, 1997.

The State of Maine is required to remit 32% of its budgetary surplus at the end of its fiscal year to the System, in order to reduce any unfunded pension liability for state employees and teachers.

Significant actuarial assumptions used to compute the contribution requirements are the same as those used to compute the standardized measure of the pension obligation.

The actuarially determined contribution rates in effect for 2005 participating entities are as follows:

<u>State:</u>	
Employees	7.65-8.65%
Employer	13.39-38.18%
<u>Teachers:</u>	
Employees	7.65%
Employer	16.02%

**LANDFILL CLOSURE AND POSTCLOSURE CARE COSTS**

---

The UT is aware of the existence of several landfills which have all been closed as of June 30, 2006. The liability for postclosure monitoring costs falls on the individual County's Unorganized Territory funds. The State of Maine Unorganized Territory Education and Services Fund would be affected by virtue of an increase in the municipal cost component needs in a year in which postclosure costs were incurred. The amount and timing of these potential postclosure costs are unknown.

**OTHER EMPLOYEE BENEFITS**

---

**A. Post-retirement Health Care Benefits**

The employees of the State of Maine Unorganized Territory Education and Services Fund are covered under the State of Maine's employer benefits program. In addition to providing pension benefits, the State of Maine funds health care benefits for most retirees. Specifically excluded are members of the Maine Teachers Association. Effective August 1, 2003, the State pays 40% of post retirement health insurance premiums for teachers. The State pays 100% of post retirement health insurance premiums for other eligible individuals who were first employed before July 1, 1991. A pro rata portion, ranging from 0% for retirees with less than 5 years participation to 100% for retirees with 10 or more years of participation, is paid for eligible individuals first employed after July 1, 1991. Retirees eligible for Medicare are covered under supplemental insurance policies. Coverage for retirees who are not eligible for Medicare includes basic hospitalization, supplemental major medical and prescription drugs, and costs for treatment of mental health, alcoholism and substance abuse.

**B. Post-retirement Life Insurance Benefits**

In addition to providing pension and health care benefits and in accordance with statutory authority, the State of Maine, through the Maine State Retirement System (MSRS), provides certain life insurance benefits for retired employees who, as active employees, participated in the Group Life Insurance Program for a minimum of 10 years. Payments of claims are made by MSRS from a fund containing a percentage of the life insurance premiums of active State employees and teachers, plus earnings on the investments of the fund. In addition to the cost of claims, the State pays a monthly retention fee to a life insurance company.

**SELF-INSURANCE**

---

**A. Risk Management**

The State maintains several types of self-insurance plans. These include property, vehicle, boat and aircraft, tort, civil rights, employee bonds, police professional, workers' compensation and unemployment compensation. The UT participates in these plans. Full disclosure regarding claims, excess insurance and claims and judgment liabilities can be found in the State of Maine's Single Audit Report.
