EXPLANATION OF TEXT OR ABBREVIATIONS

Buildings are located on the land described in the text in which they are mentioned. Ownership is reputed to be in the person or corporation stated in each description, whether relating to the tract described or to its adjacent owners. Area in acres may be more or less than the amount stipulated, which is as exact, however, as the data at this office indicates. "State" means the State of Maine.

In descriptions where name of owner only is stated the reference is to the land which he is reputed to own.
