**SUBJ:** Revenues – December

\*\*\*\*\*

December General Fund revenues were over budget by \$14 million or 5.6%. For the first-half of FY15 General Fund revenues are \$18.9 million over budget (+1.3%). Compared to the same six month period of last fiscal year, FY15 General Fund revenues are up 8.7% (+\$117.5 million). Please note the December Controller's report has been updated for the new revenue forecast from the Revenue Forecasting Committee released on December 1<sup>st</sup>.

Sales tax receipts increased 4% over last November (December revenue), ending the month on budget. Sales tax is on budget for the fiscal year as well. November's sales were led by building supply, auto/transportation and lodging sales. General merchandise and other retail sales were weak during the early stages of the holiday shopping season, up year-over-year only 0.7% and 0.1%, respectively. Anecdotal reports indicate that holiday shopping picked up in December and continued to be strong after the holiday.

Income tax receipts from individuals were over budget for the month of December by \$13.2 million. Most of the monthly variance came from estimated payments being over budget by \$8.1 million, up 38% over last December. It's not clear at this time if this is a timing issue with the final estimated payment of 2014 or indication that tax year 2014 was stronger than estimated. January payments will clarify that issue. Withholding exceeded budget by \$3.6 million in December.

## Sales & Use Taxes

Revenue was \$31,251 under budget for the month and \$31,250 (0.0%) under budget fiscal year-to-date. Fiscal year-to-date revenue was \$54.8 million (+11.3%) over fiscal year 2014.

## Taxable Sales

Total taxable sales for the month of November (December revenue) were 1.8% over November 2013. The annual rate of change excluding utilities was 2.6%. Building supply sales were up 4.5% for the month and 3.3% for the year ending in November. Sales of taxable items in food stores were up 2.1% for the month and 3.2% for the year. General merchandise sales (primarily sales of goods sold in large department and discount stores) were up 0.7% for the month and 0.1% for the year. Sales in other retail stores such as jewelry, drug, sporting goods, book, antique, pet, photo, toy, and craft stores were up 0.1% for the month and 0.4% for the year. Auto/transportation sector sales were up 6.0% for the month and 5.5% for the year. Sales of meals and other prepared foods were up 1.7% for the month and 3.5% for the year. Lodging sales were up 5.1% for the month and 2.1% for the year. Business operating sales (primarily use tax paid by businesses) were down 1.1% for the month and up 1.0% for the year.

## Service Provider Tax

Revenue was \$188,507 under budget for the month and \$246,103 (+1.2%) over budget fiscal year-to-date.

## Individual Income Tax

Revenue was \$13.2 million over budget for the month and \$12.9 million (+1.9%) over budget fiscal year-to-date. Fiscal year-to-date withholding payments were 3.3% over fiscal year 2014. Estimated payments were up 0.2% and final payments were up 7.1% fiscal year-to-date. Fiscal year-to-date revenue was \$26.3 million (+4.0%) over fiscal year 2014.

## Corporate Income Tax

Revenue was \$3.4 million under budget for the month and \$3.4 million (-4.2%) under budget fiscal year-to-date. Estimated payments were down 4.2% and final payments were up 24.1% fiscal year-to-date. Fiscal year-to-date revenue was \$1.2 million (-1.5%) under fiscal year 2014.

## Cigarette & Tobacco Taxes

Cigarette and tobacco products tax revenue was \$373,988 over budget for the month and \$759,060 (+1.1%) over budget fiscal year-to-date.

## Insurance Companies Taxes

The Insurance Companies Taxes were \$11,520 over budget for the month and \$437,426 under budget fiscal year-to-date.

### Estate Tax

The estate tax was \$1.3 million under budget for the month and \$1.3 million under budget fiscal year-to-date.

### Transfers for Tax Relief Programs

Refunds for the Business Equipment Tax Reimbursement (BETR) and Business Equipment Tax Exemption (BETE) programs were under budget in December by \$2.2 million and for the fiscal year by \$7.0 million.

### Municipal Revenue Sharing

Revenue sharing was slightly under budget in December by \$0.01 million. For the fiscal year revenue sharing is \$0.8 million over budget or 2.9%.

### Lottery

Lottery Revenues were over budget for the month by \$0.876 million. Year-to-date lottery receipts are \$0.6 million below projections.

### Other Revenues

Other Revenues were over budget for the month by \$0.9 million. For the fiscal year other revenues are over budget by \$1.0 million (+11.6%).

### Highway Fund

Motor fuel excise tax receipts were over budget in December by \$0.7 million. The Highway Fund as a whole was over budget for the month by \$1.9 million. Through the first six months of the fiscal year motor fuel excise taxes are \$0.7 million over budget and the Highway Fund is \$2.5 million over budget. Compared to the first six months of FY14, motor fuel excise tax receipts have increased this fiscal year by 0.7%.

### National Economy

It appears more likely that the economy will record three straight months of economic growth above 3%. Initial concerns about the final quarter of 2014 have disappeared as falling oil prices have provided an additional stimulus to the US economy. Economists believe the solid growth will continue through the first half of 2015. Concerns about the economies of major trading partners and a slowdown in oil exploration and production are the only risks to the long awaited economic recovery.

### Maine Economy

While November taxable sales were less than expected, the trend in consumer sales is definitely upward. The steep decline in gasoline and home heating oil prices is freeing up dollars within

tight household budgets. If energy prices remain low for the near future Maine consumers should provide a boost to the Maine economy.
