Section 5

Section 5(8) (barbering and cosmetology), 5(27) (pharmacy), 5(34) (real estate appraisers) and 5(38) (speech, audiology and hearing) of this chapter are amended.

March 1, 2012 is the effective date of the amendment to Section 5(38) as it affects speech-language pathologists, audiologists and combined speech-language pathologists/audiologists. This effective date is contingent upon the timing of the Board of Speech, Audiology and Hearing's adoption of a rule change heard on September 19, 2011 that reduces the license term for these licensees from 2 years to 1 year with respect to

NOTE: Chapter 11 of the Rules of the Office of Professional and Occupational Regulation establishes for all programs a uniform \$50 late fee for licenses renewed up to 90 days after expiration.

license terms beginning on or after March 1, 2012. The contingency was satisfied by that board's adoption of such rule change on November 21, 2011, effective December 24, 2011.

The license term for temporary speech-language pathologists and audiologists is currently 1 year. The effective date of the amendment of Section 5(38) as it affects temporary speech-language pathologists and audiologists is **not** contingent upon rulemaking by the Board of Speech, Audiology and Hearing, and is therefore February 4, 2012.

All other provisions of this chapter remain unchanged.

August 29, 2012 (except as noted below) – filing 2012-241

Section 5

Section 5(8) (barbering and cosmetology) of this chapter is amended.

Section 5(25) (occupational therapy) is amended March 31, 2013. This was contingent on actions that occurred after the 2012-241 filing, and were announced by memo to the APA Office on November 8, 2012.

All other provisions of the chapter remain unchanged.
