BUREAU OF
TAXATION

STATE OF MAINE

State Office Building, Augusta, Maine 04333

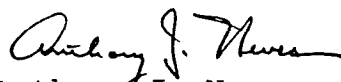

December 31, 1984

The Honorable John L. Martin
Speaker of the House
Augusta, Maine 04333

Dear Mr. Martin:

The accompanying report is submitted in compliance with Chapter 632 as enacted by the Second Session of the 111th Legislature. The Bureau of Taxation is required to make a report to the First Session of the 112th Legislature listing for each municipality and the Unorganized Territory the property tax revenue loss resulting from the exemption of watercraft from the property tax during 1984; and the amount of watercraft excise tax collected by each municipality and the Unorganized Territory for 1984.

Very truly yours,

Anthony J. Neves
State Tax Assessor

AJN:gt
Enclosure

Report to the 112th Legislature Regarding the Watercraft Excise Tax.

The Second Regular Session of the 111th Legislature enacted Chapter 632. It requires the Bureau of Taxation to make a report to the First Regular Session of the 112th Legislature. The report is to contain a listing for each municipality and the Unorganized Territory of the property tax revenue loss resulting from the exemption of watercraft from the property tax during 1984; and the amount of watercraft excise tax collected by each municipality and the Unorganized Territory for 1984.

In order to comply with this statutory requirement, municipalities were requested to report on their 1984 Municipal Valuation Returns, pursuant to 36 MRSA §383, the just value of watercraft exempted by creation of the Watercraft Excise Tax, and the total Watercraft Excise Tax collected. Although municipalities are requested to file the Municipal Valuation Return with the Bureau of Taxation by November 1st, as of December 28, 1984, thirty municipalities had not filed the return with the Property Tax Division. One hundred and thirty municipalities failed to complete that section of the return dealing with watercraft. The Property Tax Division contacted those municipalities which had either failed to submit the return or to complete the requested information to obtain, whenever possible, the information necessary for this report. It should be noted that in many of the smaller municipalities, watercraft were not assessed for tax year 1983 with the result that no valuation data is available.
