## **BATTERER INTERVENTION PROGRAMS (BIP)**

### **A Report to the Second Regular Session of the 128<sup>th</sup> Maine Legislature**

Maine Department of Corrections (DOC) Office of Victim Services is required to report annually to the legislature on the performance of Batterer Intervention Programs (BIPs) in Maine. Title 34-A §1214 (5). This is the fifteenth annual report.

The state standards for BIPs require the DOC to monitor each certified program annually. The Domestic Violence Center in each county also monitors the programs as an essential component of a coordinated community response. In 2017 all certified male and female BIPs with active groups were monitored by the DOC to ensure compliance with the BIP standards and no concerns were noted.

Annual Program enrollment data was requested from the BIPs and compiled as required by the standards. According to the data provided by the BIPs in 2017 a total of 860 males were reported to have enrolled in the BIPs and 238 males were reported to have completed the program. A total of 51 females were reported to have enrolled in the BIPs and 14 females were reported to have completed the program. The male and female data submitted is reflected in Attachment A.

The current BIP Certification process is outlined under DOC rule (found on the Secretary of State website, section 03-201, Chapter 15). This rule outlines the procedures and standards governing the certification and monitoring of the BIPs, pursuant to 19-A M.R.S.A. § 4014. The statute and rule make the DOC the lead agency responsible for implementation of these standards, through its Victim Services Coordinator. Pursuant to 17-A M.R.S.A. § 1202 (1-B), only a BIP that holds a valid certificate granted by the DOC may be utilized for court referrals. Certification is valid for two years unless suspended or revoked. Attachment B reflects the currently certified BIPs across the State.

The statute and rule also require that the DOC, in consultation with the Maine Commission on Domestic and Sexual Abuse, develop and, on a biannual basis, review a certification process for BIPs. The review process may include input from various agencies and organizations listed in the rule and any others deemed appropriate by the DOC. Beginning April 2015, the standards review committee met every other month and recommended changes. On November 13, 2017 those changes were implemented when the rule was repealed and replaced. Attachment C reflects the current standards.

In 2017 LD 814 passed as chapter 105, amending 17-A MRSA §1151, sub-§9 to state that an additional purpose of the Maine Criminal Code is “to recognize domestic violence as a serious crime against the individual and society and to recognize batterers’ intervention programs certified pursuant to Title 19-A, section 4014 as the most appropriate and effective community intervention in cases involving domestic violence.”

It further added a new provision, 17-A MRSA §1204, sub-§ 6, to require a court to provide justification when participation in a batterers' intervention program is not ordered as a condition of probation in sentencing a person for a domestic violence crime. This same provision requires a prosecuting attorney to provide justification when participation in a batterers' intervention program as a condition of probation is not recommended in a plea agreement for a person convicted of a domestic violence crime. Attachment D reflects chapter 105.

In 2017 LD 525 was carried into 2018 and this bill proposes to provide funding for offenders who lack the financial means to pay for the participant fees for BIP, the costs of training personnel, and costs associated with personnel attending court related meetings. Attachment E reflects LD 525 and the committee amendment to the LD.

Historically the DOC has provided statistics comparing the number of domestic violence offenders serving a term of probation with a condition of anger management counseling, anger management evaluation and/or domestic abuse counseling, compared to psychological counseling, and compared to certified BIPs in the legislative report. The DOC information only includes offenders serving a term of probation. The DOC only has an ability to track offenders that are sentenced with a period of probation.

BIP with oversight and monitoring is an essential component of the coordinated community response. BIP is not only appropriate but is the recommended educational program used to address offenders' domestic abuse issues.

The charts below represent the number of current male probationers with conditions of anger management counseling, anger management evaluation and/or domestic abuse counseling, compared to psychological counseling, and compared to certified BIP. This chart reflects 1162 probationers with a total of 1409 conditions. (There is an unidentified number of domestic violence offenders sentenced to a term of deferred disposition or administrative release; these offenders are not reflected in the charts.)

| Condition  | Count | Percent |
|--|-------|---------|
| Anger Management Counseling & Evaluation and Domestic Abuse Counseling | 158   | 11%     |
| Batterer Intervention Program  | 527   | 37%     |
| Psychological Counseling   | 724   | 51%     |
| Total Male Conditions  | 1409  | 100%    |
| Total Male Probationers  | 1162  |         |

### 2017 Male DV Probationers with Conditions

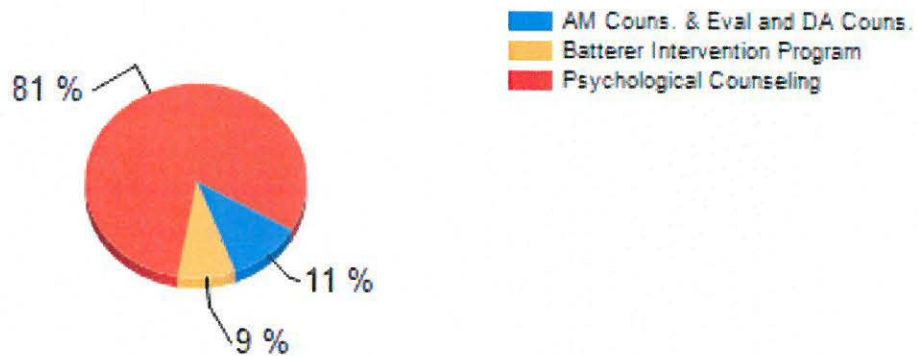

A review of female domestic violence offenders statewide in 2017 revealed the vast majority were ordered to attend other types of counseling rather than a BIP. National research indicates that only a small percentage of female batterers use power and control. Therefore, female BIPs are designed to work with the majority of female DV offenders who use violence.

The charts below represent the number of current female probationers with conditions of anger management counseling, anger management evaluation and/or domestic abuse counseling compared to psychological counseling, and compared to certified BIPs. This chart reflects 189 probationers with a total of 211 conditions. (There is an unidentified number of domestic violence offenders sentenced to a term of deferred disposition or administrative release; these offenders are not reflected in the charts.)

| Condition  | Count | Percent |
|--|-------|---------|
| Anger Management Counseling & Evaluation and Domestic Abuse Counseling | 23    | 11%     |
| Batterer Intervention Program  | 18    | 9%      |
| Psychological Counseling   | 170   | 81%     |
| Total Female Conditions  | 211   | 100%    |
| Total Female Probationers  | 189   |         |

### 2017 Female DV Probationers with Conditions

Attachment F and G are charts reflecting the Maine Counties breakdown of male and female DV probationers with conditions identified by each sentencing county in 2017 outlined from above and reflected in a pie chart.

It is hoped that as a result of the passage of chapter 105, the percentage of probationers with conditions requiring participation in BIPs will increase significantly.

Although mentioned yearly in this annual report, it remains true, domestic violence is a significant factor in over half of the homicides committed in Maine, including the vast majority of murder/suicides. Domestic violence also has a devastating effect on children who are abused, witness the violence itself, or witness the effects of the violence on the victim/parent. BIPs along with continued training, oversight, and monitoring are an essential component of a coordinated community response to end domestic violence.

**Chapter 15: BATTERER INTERVENTION PROGRAM CERTIFICATION**

---

**Summary:** This chapter outlines the procedures and standards governing the certification and monitoring of Batterer Intervention Programs, pursuant to 19-A M.R.S.A. §4014.

---

**1. Procedures and Standards for Batterer Intervention Programs** (relating to psychological, physical, verbal and sexual abuse)

**1.1 Definitions**

**A. Domestic Abuse**

In the context of this document, the definition of the term “domestic abuse” refers to 19-A M.R.S.A. §4002.

"Abuse" means the occurrence of the following acts between family or household members or dating partners.

1. Attempting to cause or causing bodily injury or offensive physical contact, including sexual assaults under Title 17-A, Chapter 11, except that contact as described in Title 17-A, §106, sub-§1, is excluded from this definition;
2. Attempting to place or placing another in fear of bodily injury through any course of conduct including, but not limited to, threatening, harassing, or tormenting behavior;
3. Compelling a person by force, threat of force or intimidation to engage in conduct from which the person has a right or privilege to abstain or to abstain from conduct in which the person has a right to engage;
4. Knowingly restricting substantially the movements of another person without that person's consent or other lawful authority by: removing that person from that person's residence, place of business or school; moving that person a substantial distance from the vicinity where that person was found; or confining that person for a substantial period either in the place where the restriction commences or in a place to which that person has been moved;
5. Communicating to a person a threat to commit, or to cause to be committed, a crime of violence dangerous to human life against the person to whom the communication is made or another, and the natural and probable consequence of the threat, whether or not that consequence in fact occurs, is to place the person to whom the threat is

communicated, or the person against whom the threat is made, in reasonable fear that the crime will be committed; or

6. Repeatedly and without reasonable cause:
  - a. following the victim; or
  - b. being at or in the vicinity of the victim's home, school, business, or place of employment.

**B. Batterer Intervention Program**

1. The term “batterer intervention program” refers to a community-based educational program which is one component of a coordinated community response to domestic abuse where the main goals are:
  - a. working toward the safety of victims; and
  - b. holding domestic abuse offenders accountable for their actions.
2. The community-based educational programs for domestic abuse offenders (hereafter called “BIPProgram”) referred to in these standards are designed specifically to intervene with court referred adults, but are not limited to court referrals.

**C. Domestic Violence Center**

1. The term “domestic violence center” refers to a network of programs and services for victims of domestic abuse. There are two coalitions of domestic violence centers in Maine. The Maine Coalition to End Domestic Violence (MCEDV) is comprised of eight of Maine’s domestic violence centers. Each domestic violence center is a private, independent, non profit agency which provides individual crisis intervention, legal information, and advocacy for people affected by domestic abuse, as well as support groups and shelter options for victims of domestic abuse and their children. These services are confidential, free of charge, and based on a self-help model. In addition, domestic violence centers provide training, education, and consultation to community groups, schools, public officials, and services providers to improve the community’s response to domestic abuse. The Wabanaki Women’s Coalition (WWC) is comprised of the five tribal domestic violence centers in Maine. Each of these tribal domestic violence centers provides individual crisis intervention, legal information, and advocacy for predominately Native Americans affected by domestic abuse, as well as support groups and shelter options for victims of domestic abuse and their children. These services are confidential, free of charge, and based on a self-help model. In addition, they provide training, education, and consultation to community groups, schools, public officials, and service providers to improve the tribal community’s response to domestic abuse.

2. In the case of a domestic violence center which is not a member of the MCEDV or WWC, that center which is providing the services described above will serve as the collaborator in that jurisdiction.
  3. For the purposes of this document, hereafter “domestic violence center” will be referred to as “DVC.”
- D. **Monitoring** consists of observation of and consultation about the performance/operation of a BIP program in order to promote the safety of victims of domestic abuse. Monitoring must be provided by staff of a DVC as outlined in section 5.8 A or by a third party monitor as outlined in section 5.8 B.
- E. **Supervision** is the internal oversight of the process and content of the BIP program by a qualified primary supervisor as defined in section 4.5 C.
- F. **Staff** means both paid and unpaid staff.

## 2. Certification

### 2.1 Oversight of the Maine Standards for Batterer Intervention Programs

- A. The Maine Department of Corrections, hereafter called “DOC”, shall be the lead agency responsible for implementation of these standards, through its Victim Services Coordinator. Only BIP programs that hold a valid certificate granted by the DOC shall be utilized for court referrals. A certificate shall be valid for two years unless suspended or revoked.
- B. The DOC, in consultation with the Maine Commission on Domestic and Sexual Abuse, shall develop and, on a biannual basis, review a certification process for BIP programs. The review process may include input from representatives of the following agencies and organizations and any others deemed appropriate by the DOC:
1. domestic violence centers;
  2. batterer intervention programs;
  3. the judicial system;
  4. local law enforcement;
  5. victims of domestic violence;
  6. health and human service agencies;
  7. schools;
  8. hospital emergency departments;
  9. community corrections;

10. groups working with victims of child abuse;
  11. groups working with victims of sexual abuse;
  12. groups coordinating supervised visitation; and/or
  13. other stakeholders.
- C. BIPPrograms will be assessed a fee for program certification.
- D. Certification of BIPPrograms will be for a period of two years as referenced in section 2.1 A.
- E. If anyone has a dispute regarding the certification of a BIPProgram, which appears to be at an impasse, it will be the responsibility of the DOC, in consultation with the Maine Commission on Domestic and Sexual Abuse, to attempt to bring such a dispute to resolution.

## **2.2 Application for Certification**

- A. Each BIPProgram requesting certification or renewal of certification shall submit a completed application to the DOC containing all of the information requested, to include, but not be limited to:
1. demonstration of the BIPProgram's ability to meet the Maine Standards;
  2. an overview of the BIPProgram content;
  3. proof of successful completion for all co-educators at a national batterer intervention training or similar training determined to be sufficient by the DOC;
  4. documentation of a working agreement with the local DVC in each county the BIPProgram may operate in or request for waiver of this requirement providing specific reasons for the request;
  5. documentation of a working agreement with the DOC Regional Correctional Administrator;
  6. demonstration of need for a BIPProgram, or another BIPProgram, in the geographic area (initial certification only);
  7. name, address, and telephone number of the BIPProgram and all sites; and
  8. a statement of ownership of the BIPProgram, that discloses the names, address, and telephone numbers of all owners, directors, and officers of the corporation, and any members of any governing or advisory boards.

## 2.3 Denial, Refusal to Renew, Suspension, and/or Revocation of Certification

### A. Definitions

1. **Denial:** action taken by DOC to not certify a BIProgram.
2. **Refusal to Renew:** action taken by DOC at the end of a two year certification period rejecting a BIProgram's application for renewal.
3. **Suspension:** action taken by DOC in lieu of revoking or refusing renewal of certification that stipulates the Program must correct the noted deficiencies within the time specified.
4. **Revocation:** action taken by DOC removing a BIProgram's certification after the DOC has certified the Program, but before the BIProgram's two year certification has expired.

Any of these actions make the affected BIProgram ineligible to receive any referrals unless and until the program is certified, its certification is renewed, or the suspension is lifted.

### B. Each of the following, in and of itself, may constitute full and adequate grounds on which to deny, suspend, revoke, or refuse to renew certification to operate a BIProgram:

1. failure to submit information required for certification;
2. failure to meet any of these Maine Standards for BIPrograms;
3. denial of entry to agents of the DOC to conduct site visits or inspections or any other attempt to impede the work of agents of the DOC;
4. obtaining or attempting to obtain certification by fraud, misrepresentation, or by the submission of incorrect, false, and/or misleading information;
5. criminal conduct by the owners, staff, or administrators as evidenced by criminal convictions;
6. operation of a BIProgram after the expiration of certification;
7. operation of a BIProgram in a manner which fails to fulfill the terms of the program - client agreement; or
8. operation of a BIProgram in a manner which endangers the health or safety of clients and/or victims of domestic abuse.

## **2.4 Recourse of Programs when Certification has been Denied, Refused Renewal, Suspended and/or Revoked**

- A. A BIP program whose certification has been denied, refused renewal, suspended and/or revoked by DOC will receive in writing, by certified mail, a program compliance letter outlining the standards that the Program is not in compliance with and the time frames allowed to bring the BIP program into compliance.
- B. The BIP program has 60 days from the date of notification of denial, refused renewal, suspension and/or revocation of certification to resubmit the application, clearly indicating remediation for deficiencies. DOC must respond to this information within 60 days of receipt.
- C. The BIP program may appeal the DOC response to the Commissioner of Corrections within fifteen days of receipt of the response.

## **3. Coordinated Community Response to Domestic Abuse**

### **3.1 Goals**

- A. A coordinated community response to domestic abuse occurs when diverse segments of a community work together for two common goals:
  - 1. the safety of the victims of domestic abuse; and
  - 2. to end domestic abuse.

### **3.2 Coordinated Community Response to Domestic Abuse**

- A. During development, implementation, and evaluation of BIP programs, BIP program staff must consult, cooperate, and coordinate with representatives of the following agencies and organizations:
  - 1. domestic violence centers;
  - 2. the judicial system;
  - 3. local law enforcement;
  - 4. health and human service agencies; and
  - 5. community corrections.
- B. During development, implementation, and evaluation of BIP programs, BIP program staff are encouraged to consult, cooperate, and coordinate with representatives of the following agencies and organizations:
  - 1. other certified BIP programs;
  - 2. victims of domestic violence;

3. schools, including community adult education programs;
4. hospital emergency departments;
5. groups working with victims of child abuse;
6. groups working with victims of sexual violence;
7. groups coordinating supervised visitation;
8. groups providing services to diverse populations; and/or
9. other related services.

### **3.3 BIProgram - DVC Collaboration**

- A. The BIProgram shall acknowledge the experience of victims, who are experts on their own safety, and the important role of the DVC in responding to domestic abuse through:
  1. consulting with the local DVC on all written curricula, publications, and public relations materials of the BIProgram;
  2. publicly acknowledging the contributions of the battered women's movement to their efforts and that BIPrograms exist in support of the goals of the DVC;
  3. consultation with the local DVC when seeking funds in a way that competes with funding for DVC;
  4. always encouraging victims to contact their local DVC;
  5. inviting the local DVC advocates to attend BIProgram groups;
  6. participation in a community response to domestic abuse; and
  7. negotiating an ongoing working relationship with the local DVC and accepting feedback in order to hold themselves accountable to the battered women's movement, acknowledging that a working relationship may go beyond these standards.

### **3.4 Partner Contacts**

- A. A partner contact is the verbal and/or written exchange of information between the victim and a designated representative of the local DVC.
- B. The purpose of the partner contact is to provide the victim with:
  1. support and validation;
  2. information about the BIProgram;

3. information about the local resources for victims;
  4. assistance in developing a safety plan; and
  5. information about the DVC as an ongoing resource for victims.
- C. Within seven days of enrollment in the BIPprogram, unless the time frame is modified by any working agreement with the local DVC, the BIPprogram shall provide the local DVC with the names and addresses of:
1. the domestic abuse offender enrolled in its program;
  2. any adult or child victim identified in available police reports and/or court proceedings; and
  3. current partner of the domestic abuse offender.
- D. The BIPprogram must never initiate written or verbal contact with victims except in the following situations:
1. when a victim may be in jeopardy (verbal communication only);
  2. notification of the domestic abuse offender's admission into the BIPprogram (written communication only); and
  3. notification of when the domestic abuse offender is discharged from the BIPprogram (written communication only).
- E. In no case is a BIPprogram required to initiate contact with a victim if such contact would jeopardize the safety of the domestic abuse offender or violate federal or state confidentiality laws.
- F. Should a victim initiate contact with a BIPprogram, the victim must always be referred to the local DVC for supportive services.

### **3.5 Financial Responsibility for BIPprogram - DVC Collaboration**

- A. Costs incurred by the DVC for providing services to partners in the context of their outreach efforts will be the responsibility of the DVC.
- B. Any costs incurred as the result of supervision, training, and/or monitoring by the DVC or a third party monitor of the BIPprogram shall be reimbursed by the BIPprogram.

#### **4. BIP Program Model**

##### **4.1 BIP Program Format**

- A. BIP Programs must be:
  - 1. held in a group format with no more than 15 participants nor less than 3 participants registered, unless the program is granted a waiver by DOC;
  - 2. educationally oriented;
  - 3. restricted to perpetrators of domestic abuse;
  - 4. comprised of the same gender; and
  - 5. have rolling or open admission (no waiting lists).
- B. The group must be co-educated by appropriately trained male and female co-educators, except that a group serving female domestic abuse offenders may be co-educated by two female co-educators. "Co-educated" means that each co-educator contributes substantially equally in the facilitation process. (See 4.5 for definition of appropriately trained.) At the discretion of the program director, exceptions may be made for individual classes to accommodate special circumstances, including, but not limited to, illness, vacation, weather, etc.

##### **4.2 Inappropriate BIP Program Format**

- A. The following formats, methods, and treatment modalities must not be used by certified BIP programs working with domestic abuse offenders:
  - 1. individual counseling;
  - 2. couples or conjoint counseling;
  - 3. anger management;
  - 4. systems therapy;
  - 5. addiction counseling (identifying violence as an addiction);
  - 6. family therapy; or
  - 7. medication management.
- B. Unless specifically authorized in these standards, educators must not concurrently provide services to a domestic abuse offender and the offender's victim, current partner or minor children.

#### **4.3 Target Population**

- A. These standards are specifically designed for adults who abuse their intimate partners, although other domestic abuse offenders may participate in BIP programs. It is important that appropriate models be implemented for men who abuse their female partners, for women who use violence against their male partners, and for same sex or transgender abusers.

#### **4.4 Length of the BIP program**

- A. BIP programs must be a minimum of 48 classes over a minimum of 48 weeks in duration.
- B. Each weekly session must be at least 90 minutes long, with check-in consuming no more than 30 minutes.
- C. Each participant's attendance must occur at a rate of one class per week counted towards the 48 class requirement.
- D. The BIP program intake must not be considered one of the 48 weeks.
- E. Domestic abuse offenders who have completed a minimum 48 week BIP program should be given the opportunity of voluntarily continuing their participation or returning to the BIP program at a later date.

#### **4.5 BIP program Staff Selection, Supervision, and Training**

- A.
  - 1. Staff must have had no convictions or protective court orders or court-approved consent agreements for offenses involving violence during the last ten years.
  - 2. Staff must not have had any criminal conviction within the last ten years, unless granted a waiver to work for the BIP program from the DOC.
  - 3. Staff shall not be on administrative release, probation, parole, supervised release for sex offenders, or other supervision post-conviction, or deferred disposition for any state or federal criminal offense.
  - 4. The program shall develop and maintain hiring criteria.
- B. All BIP program staff having direct contact with domestic abuse offenders must:
  - 1. receive training in a curriculum used by the BIP program that is based upon, and adheres to, models developed by acceptable nationally recognized programs or similar training in a curriculum determined to be sufficient by the DOC and that is consistent with Maine BIP program Standards;

2. provide certification of completion of this training prior to or within 6 months of being hired to co-educate groups;
  3. be provided with on the job training with an experienced supervisor, to include a minimum of observation of six sessions of group, followed by co-educating an additional six sessions of group with a trained experienced educator prior to assuming responsibility for a group; and
  4. attend a minimum of 6.25 hours per year continuing education on topics agreed upon by MCEDV, WWC, and the Maine Association of Batterer Intervention Programs (MABIPS). It will be the responsibility of the primary supervisor of the BIPprogram to maintain training records.
- C. Any individual identified as the Program Director or a “primary supervisor” must have at least two years documented experience in the following areas:
1. direct work with victims;
  2. direct work with domestic violence perpetrators;
  3. group work; and
  4. supervision of employees.

#### **4.6 BIPprogram Curriculum**

- A. The BIPprograms must include at a minimum in their curriculum that:
1. stress, a life crisis, and chemical dependency are not causes of domestic abuse, but ongoing substance abuse increases the risk of re-offense;
  2. domestic abuse is a choice a domestic abuse offender makes to use power and control over an intimate partner;
  3. domestic abuse offenders are solely and exclusively responsible for their controlling and abusive behavior;
  4. the effect of abuse on victims, including children who witness abuse, is harmful; and
  5. abuse is never justified.

#### **4.7 BIPprogram Fee Structure**

- A. Except for federal, state, or charitable organization funding (which must not include insurance), a domestic abuse offender is solely responsible for paying for participation in a BIPprogram.
- B. A domestic abuse offender must be charged at least a nominal fee. Programs may charge on a sliding fee scale.

## **5. Administrative Standards**

### **5.1 BIP Program Intake Process**

- A. The BIP Program shall schedule an intake into the BIP Program within two weeks, absent good cause, from the time the domestic abuse offender contacts the BIP Program.

- G. A copy of the participant agreement must be provided to the referral source and pre-trial agency (if applicable). A copy of the agreement must be made available upon request from the victim or DVC.
- H. A BIPprogram may only accept referrals of persons residing in a county in which the BIPprogram has a working agreement with the local DVC, unless the program is granted a waiver by DOC.

## **5.2 BIPprogram Discharge or Leave**

- A. Reasons for discharge from a BIPprogram include that:
  - 1. the domestic abuse offender has completed the 48 week program to the satisfaction of the BIPprogram staff, based upon criteria contained in the participant agreement;
  - 2. the domestic abuse offender has five absences during the 48-week BIPprogram;

  - 4. the domestic abuse offender does not comply with the rules of the BIPprogram.
- B. A domestic abuse offender may request medical or other leave of absence for good cause with approval of the Program Director, who must consult with the referral source. If approved, the offender is allowed to continue the BIPprogram from the last class prior to the approved leave.
- C. The following must be notified in writing within 7 days of the domestic abuse offender's discharge or leave from the BIPprogram:

  - 2. the victim and/or current partner, unless notification of the victim would jeopardize the safety of the domestic abuse offender or violate federal or state confidentiality laws;

3. the domestic abuse offender's Probation Officer (if applicable) (the Probation Officer must also be immediately notified verbally of a discharge, unless the discharge was due to the offender's completion of the program);
  4. the local DVC;

### **5.3 Re-Admission to BIPProgram after Discharge**

- A. Except as set out below, a domestic abuse offender who has not successfully completed 48 weeks and returns after being discharged must start at intake unless the domestic abuse offender is allowed to start at week 1 by the Program Director.
- B. If the discharge was based upon absences, the offender is allowed to start at five classes before the last class prior to discharge.
- C. If the discharge was for non-payment of fees, after consultation with the referral source, the Program Director may allow the offender to receive credit for all classes attended and paid in full as long as the offender continues to pay the fee on schedule after the offender's return.
- D. Notwithstanding the above, any domestic abuse offender who has not successfully completed 48 weeks and returns after being discharged and who was discharged due to committing another domestic abuse offense or who committed another domestic violence offense after discharge must start at intake.

### **5.4 Transfer of Credits**

- A. Each certified BIPProgram must accept transfer of credits for weeks satisfactorily completed at another BIPProgram certified in the State of Maine provided the domestic abuse offender was in good standing with the other

program at the time of transfer and no more than three months has elapsed since the last class attended at the previous BIP program. Absent good cause, no transfer of credit may occur if more than three months has elapsed since the last class attended at the previous BIP program.

- B. Each participant requesting transfer of credit must obtain a letter of referral from the previous program, setting forth the number of weekly credits that the domestic abuse offender has earned, the number of absences, and that the participant is in good standing, and present it to the new program prior to receiving any credit(s) for weeks completed.

## **5.5 Participant Complaint Procedure**

- A. Before filing any complaint against a BIP program, the domestic abuse offender shall make an attempt to resolve the complaint in an informal manner by talking with the educator(s).
- B. If unable to come to an agreement with the educator(s), the domestic abuse offender shall contact the Program Director who shall attempt, as soon as possible, to resolve the complaint.
- C. If the complaint remains unresolved, a formal written complaint may be made to the Department of Corrections, 111 State House Station, Augusta, Maine 04333-0111, Attention: Victim Services Coordinator. A copy of the complaint must be provided by the offender to the BIP program Director, DVC and referral source.

## **5.6 Confidentiality**

- A. All written and/or oral communications, including electronic communications, from or to victims must be held in confidence by the BIP program, except for mandated reporting requirements.
