Senator Beebe-Center, Senate Chair
Representative Tavis Rock Hasenfus, House Chair
Members of the Joint Standing Committee on Criminal Justice and Public Safety
3 State House Station
Augusta, ME 04333-0003

Dear Senator Beebe-Center, Representative Tavis Rock Hasenfus, and Committee Members,

The Board of Trustees of the Maine Criminal Justice Academy is pleased to present its 2024 annual report to the Joint Standing Committee on Criminal Justice and Public Safety. I hope you find this report to be both informative and responsive to the statutory requirement for its production. The Board is confident that this report will provide you and your fellow legislators with the information necessary to assure you that appropriate and timely training is being completed at the Academy.

The Board is comprised of 19 members including those from law enforcement and corrections, citizen representatives, an educator, and legal representatives. This engaged and hardworking group remains committed to protecting the public health and welfare, by ensuring that the public is served by competent and honest criminal justice practitioners and by establishing minimum standards of proficiency. We have accomplished these goals by holding regularly scheduled public meetings throughout the year.

During the past year, the Board and MCJA staff began the process of codifying Academy policy standards and training specifications through the administrative rulemaking process. We also continue to review our minimum policy standards to ensure they conform with best practices and are sufficient to address actual events impacting public safety.

A major focus and concern of the Board continues to be the large workload placed on the dedicated, hardworking but small Academy staff. This workload is the result of their unceasing efforts to elevate the level of training provided, to assist the Board in its oversight capacity regarding the certification, discipline and decertification of certificate holders, and their efforts to comply with legislative mandates. We advocate for proper staffing and funding for MCJA, so the professional team can continue to meet and exceed expectations.

We stand ready to appear before the Committee to elaborate on any issue associated with this report or the Academy and its operation.

Respectfully submitted,

Charles J. Rumsey, Chair
MCJA Board of Trustees

Senate Chair Beebe-Center, Representative Chair Tavis Rock Hasenfus and distinguished Committee Members:

I would like to thank the Committee Chairs and all of the Committee members for their work and support of the Academy over the last year.

With the return of the Second Session of the 131st Legislature we provided testimony and appeared at a work session in support of LD 2045, "An Act to Establish Training and Certification Standards for Probation and Parole Officers".

This bill requires the Board of Trustees of the Maine Criminal Justice Academy to establish training and certification standards, set requirements for board-approved courses, prescribe curricula and certify graduates of board-approved courses for probation and parole officers.

This bill did pass and we have been working collaboratively with the Maine Department of Corrections to improve, expand and implement this program by July 1, 2025.

Several other items and events occurred during the last year at the Academy that may interest committee members.

For the first time in over twenty years the Academy was authorized to hire full-time positions that include a Training Coordinator and two Office Associates.

We are excited to announce the addition of Rafael Garza as a Training Coordinator. Garza comes to us from Maine DOC Community Corrections where he served as a Probation Officer for the past nine years. Prior to that, Rafael worked as a Corrections Officer, then Corporal / shift supervisor at the Kennebec County Correctional Facility for approximately 2.5 years. Additionally, Rafael is also a US Navy veteran having served five years as an Aircrew Survival Equipmentman.

Rafael holds a Master's degree in Criminology from Thomas College and a Bachelor's degree in Public Administration with a focus in Criminal Justice from the University of Maine at Augusta. Rafael is a Mechanics of Arrest, Restraint, and Control instructor. He serves on the Maine DOC MARC Instructor

team and is the lead instructor for the Community Corrections Office. Rafael's background, experience in both corrections and probation, and experience in instruction and curriculum development make him an excellent addition to our team. We also welcomed Amber Cartier and Cassandra Pierce to our administrative staff and saw the retirement of Deb Dalzell on December 31st.

The Maine Criminal Justice Academy's Complaint Review Committee (CRC) has been extremely busy. The Academy saw the most reports ever of misconduct and/or waivers brought before the panel. In 2023, seventy-two cases were docketed for review, a then record. In 2024, we received ninety cases! These reviews are labor intensive, and we thank CRC Chair Chip Rumsey, Chief Investigator Anna Love from the Office of the Attorney General and our citizen representatives Kim Russell, Marie Hansen and Francine Garland-Stark for their work and dedication to this extremely challenging work. In 2024, several long time Board of Trustees members vacated their positions. Board Chair Brian Pellerin, educational representative Marie Hansen, Kim Russell a citizen representative and Sanford Deputy Police Chief Eric Small who all had a combined thirty-three years of Board experience, did not or could not seek reappointment.

Cumberland Police Chief Charles "Chip" Rumsey was elected the new Chair of the Board and Bangor Deputy Police Chief David Bushey was elected Vice Chair. Department of Corrections representative Mateo Mendoza took over the Secretary's position with Ms. Russell's departure.

With the leave of these Board members several new appointments occurred. We have welcomed Husson University Associate Professor Michael Kamorski, Lt. Colonel and retired U.S. Army Veteran Tom DiTomasso and Major Jason King of the Portland Police Department.

We here at the Academy recognize the hardships law enforcement and correctional agencies are facing with recruiting men and women into our profession. In that vein, we started hosting a monthly criminal justice recruiting event here in our tactical center. These recruiting events coincide with the monthly ALERT entrance exam and physical fitness test held here at the Academy.

Two Basic Law Enforcement Training Programs (BLETP) were completed last year. The eighteen week program trained and graduated 139 law enforcement professionals. The programs had well over 200 applicants and 155 were eventually selected and started the two training programs. Every candidate, with one exception, was admitted into the programs. The BLETP classes were very diverse with several multi-language learners, forty-five military veterans, over fifty with some college or university training and twenty-three female graduates.

The MCJA also trained and graduated 259 correctional professionals from four Basic Corrections Training Programs.

Within the past year, MCJA staff initiated with Board guidance and approval entered into Rulemaking for officer misconduct, domestic violence mandatory policies and training standards.

The Academy which is located on over 100 acres in the Town of Vassalboro has been undergoing some much-needed infrastructure and building upgrades. Almost eight million dollars has already been invested or designated to upgrade life safety, security and building renovations. It is exciting to know that the State of Maine is investing in the future of the Academy.

Again, I want to thank the members of the Joint Standing Committee on Criminal Justice and Public Safety for all the hard work you do and for your support of the Maine Criminal Justice Academy.

I would like to extend to your committee members on behalf of my staff, the Board of Trustees and myself, any assistance, advice or guidance we can give you or to help you in your committee work, as it relates to the Maine Criminal Justice Academy.

Sincerely,

A handwritten signature in cursive script that reads "Jack Peck, Jr.".

ABOUT THE ACADEMY

The origin of organized law enforcement training in Maine dates to the late 1960's when the Federal Law Enforcement Assistance Agency made funds available through the Maine Criminal Justice Planning and Assistance Agency for improving the operation of the criminal justice system. Using this as seed money, the Maine Municipal Association initiated a two-week law enforcement training program offered in the Portland, Augusta, and Bangor regions. A Board of Directors, consisting of law enforcement officials, was charged with overseeing the program and encouraging law enforcement agencies to support the training.

The early 1970's saw passage of the Mandatory Training Act for law enforcement and in 1972 the former Thomas College in Waterville was purchased to provide permanent facilities for the Maine Criminal Justice Academy. Since that time, the scope of activities at the Academy has steadily increased. In 1990, new legislation required that all law enforcement officers, state, county and municipal, who have the power of arrest and the authority to carry a firearm, come under the purview of the Academy's Board of Trustees. This has greatly increased the responsibilities and tasks of the Academy.

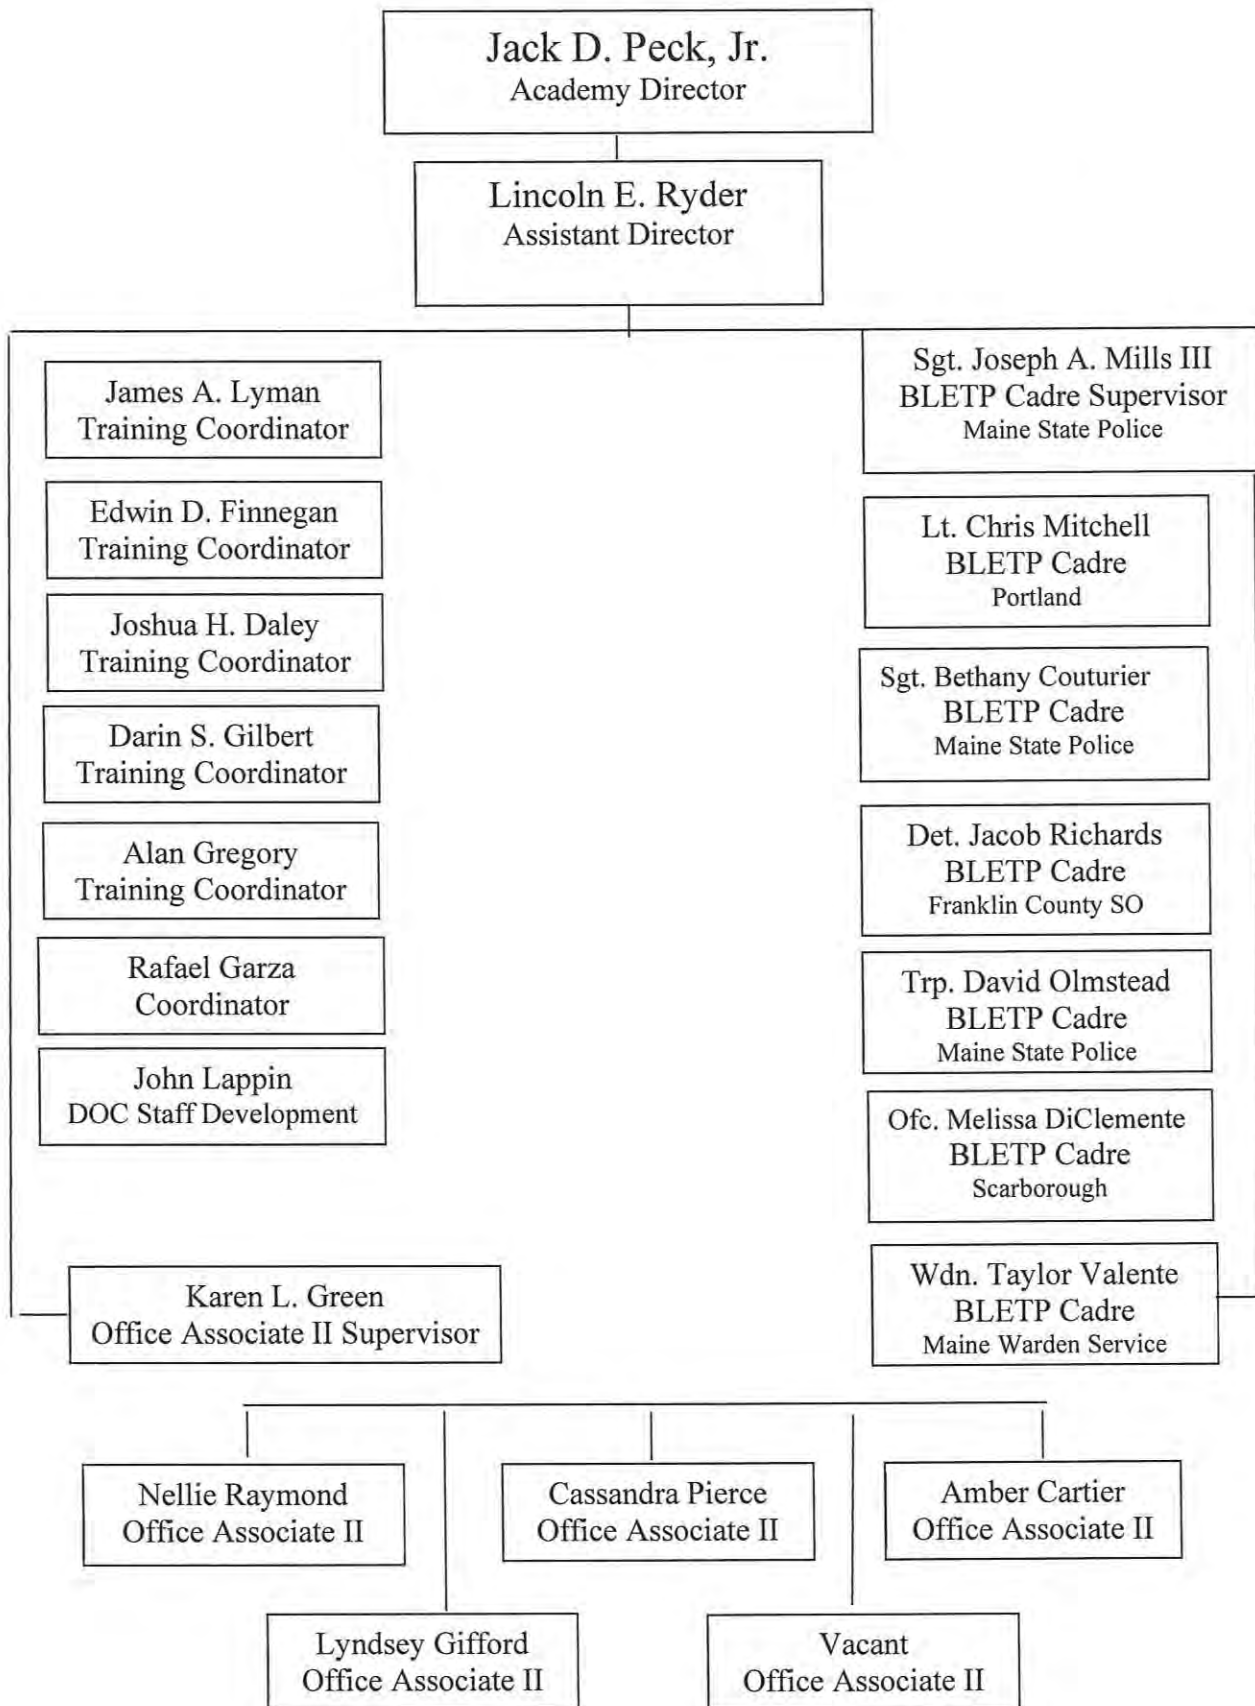

The Maine Criminal Justice Academy is responsible for the development and implementation of comprehensive training programs both at the Academy and through outreach programs across the state.

With this responsibility the Academy is providing:

1. A residential training facility to accommodate the needs of Maine's criminal justice professionals.
2. A training delivery system to reach all parts of the State.
3. A centralized administrative structure which promotes coordination and communication; and
4. A repository of support services that promotes research, management, and training activities of all types.

The citizens of Maine have a reasonable expectation that extensive training is provided to criminal justice personnel, particularly those responsible for dealing with emergency situations, which could involve life and death decisions. Court decisions have held that it is the responsibility of criminal justice agencies to ensure that their personnel receive training, which supports the quality performance these citizens expect and deserve. At present, the Maine Criminal Justice Academy is the primary vehicle for Maine criminal justice agencies to meet these obligations.

It was also determined that Maine employed 232 female corrections officers or 15.55%.

2020 – In February of 2020 Director John Rogers retired from the Academy as the longest serving Academy Director. Also, in March of 2020 the Academy’s programs were heavily impacted by the results of a global pandemic. In July of 2020, Assistant Director Richard Desjardins was appointed by the Board and the Commissioner of Public Safety as the new Director.

2022 – A project to develop a strategic plan for the Academy was undertaken by the Department of Public Safety collaborating with Slalom, a management consulting company. The project sought to evaluate the training model, staffing, future capacity, budget, curriculum, building and technology needs, and the services provided by the Academy. The resulting work would yield a strategic plan and an overall vision for the Academy for the next five years and would be finalized in 2023.

2024 – Two Office Associate IIs and one Training Coordinator were hired in March 2024 pursuant to the Commissioner Sauschuck's 2023 budgeting initiatives. Additionally, the Department of Public Safety / Academy applied for and received \$500,000 in grant funding from the FY24 Safer Outcomes: Enhancing De-Escalation and Crisis Response Training for Law Enforcement – Curriculum Integration for Law Enforcement Academies and State-Level Training Commissions under the "Academy Path". The grant supports the integration of de-escalation and crisis response concepts throughout recruit-level training academies, focusing on the following areas:

1. De-escalation tactics and alternatives to use of force.
2. Safely responding to an individual experiencing mental or behavioral health or suicidal crisis
3. Safe encounters with individuals with disabilities
4. Successfully participating on a crisis intervention team
5. Making referrals to community-based services and support

Funding will be used to conduct a current Job Task Analysis (JTA) with Maine's full-time law enforcement officers (last conducted in 2004) to assist in updating the Basic Law Enforcement Training Program (BLETP) curriculum.

Additionally, a new curriculum in de-escalation and crisis response will be developed for integration into the BLETP. The work will be conducted through a project manager, a selected vendor for the JTA and curriculum development, and a specially trained cadre of subject matter experts (SMEs) selected from Maine's law enforcement agencies.

2023 -- In February, Director Rick Desjardins left service with the Academy to take post as the Director of the Maine Drug Enforcement Agency. In March, Assistant Director Jack D. Peck, Jr. was appointed by the Board and the Commissioner of Public Safety as the new Director. In June, the Strategic Plan, which had been initiated in 2022, was finalized and implemented. Accordingly, pursuant to recommendations of the plan and through budgeting initiatives by Commissioner Michael Sauschuck, the Academy was authorized to add staff for the first time in approximately 20 years, authorizing the hiring of a Training Coordinator and two Office Associate II positions.

There are eight regional training councils that offer a variety of in-service training courses in their area. The number of trainings and officers that attend vary widely by region. On-line options by Police One and Dirigo Safety offer customers access to most of the mandatory law enforcement and corrections training for officers in Maine. The Academy staff produces the lesson plans, the MCJA board approves them and then the vendors convert courses to the on-line format. This training format causes less training to be offered by the regional training councils.

Re: 25 M.R.S. § 4501

Senator Beebe-Center, Representative Tavis Rock Hasenfus and Committee Members:

On July 2, 2015, Chapter 307 Public Law (L.D.25 and now 25 M.R.S. §4501) "An Act to Regulate Domestic Unmanned Aerial Vehicle Use" was enacted. This new law requires the Maine Criminal Justice Academy Board of Trustees to develop the mandatory standards for a policy, if a law enforcement agency chooses to use an Unmanned Aerial Vehicle (Drone) for law enforcement purposes. The Board adopted the Minimum Standards on March 10, 2017. This law also requires these agencies to report their use to the Commissioner of Public Safety each year. The agencies then reported their UAV use to the Academy with their annual reporting requirements, as outlined in 25 M.R.S., Chapter 341. The Academy, on behalf of the Commissioner, reports the following information to the Legislature as part of Chapter 307 Public Law in this annual report to include: a summary description of the number of deployments for investigative purposes, the general nature of those investigations and the number of search warrants sought, and the number of search warrants obtained for the deployment of unmanned aerial vehicles.

There are 152 law enforcement agencies in the State of Maine and each chief executive officer must file an annual report to the Academy. For 2024, only 31 agencies reported that they had a UAV, and 30 agencies had a policy in place that met the MCJA Board Minimum Standards. There were 1,077 UAV deployments total; 182 were for criminal investigative purposes and 895 were for non-criminal investigative purposes.

Re: LD 534, An Act to Increase Crisis Intervention Training in the State

Senator Deschambault, Representative Warren and Committee Members:

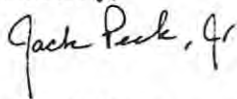

On April 27, 2015, Senator Rosen, Representative Warren, and Committee Members wrote a letter directing the Maine Criminal Justice Academy Board to adopt a new standard to the mandatory policy on "Response to Mental Illness and Involuntary Commitment Policy" with the standard that states:

The policy shall require that 20% of all full-time law enforcement officers of each agency receive at least 8 hours of nationally recognized or best practice in-person training in Mental Health Identification Awareness for Law Enforcement Officers by January 1, 2018 and that the agency maintains at least 20% after that date. The training standard requirement will be sent annually to the Maine Criminal Justice Academy as part of the annual reporting requirements, as outlined in 25 M.R.S. §2805-B. This was adopted by the Board on November 17, 2017. The 8 hours of training was also incorporated as a part of the Basic Law Enforcement Training Program curriculum, so all full-time law enforcement officers have received this training since August 1, 2015.

There are 146 law enforcement agencies in Maine with full-time law enforcement officers; several agencies are exempt because they only have part-time law enforcement officers. Each agency was sent a reporting form at the end of 2024 asking two questions. First, does your agency meet at least the 20% training requirement as stated above? Second, if not, what percentage have they met? Of the 150 law enforcement agencies, all (100%) responded, pursuant to 25 M.R.S. §2805-B and all of law enforcement agencies with at least 1 full-time law enforcement officer met this training requirement.

On behalf of Commissioner Michael J. Sauschuck of the Maine Department of Public Safety, I want to thank the members of the Joint Standing Committee on Criminal Justice and Public Safety for all the hard work you do and for your support of the Maine Department of Public Safety and the Maine Criminal Justice Academy.

Sincerely,

Jack D. Peck, Jr., Director
Maine Criminal Justice Academy
