Community Programs - Work Release

The Work Release program during the fiscal year July 1, 1978, to June 30, 1979, had 81 men assigned. Ten (10) of the 81 failed to complete the six-month program. Two (2) men were charged with escape and two with committing new crimes while on work release. The remaining men were returned for program violations. Placement efforts were 100 percent successful in spite of occasional high unemployment in an area. The benefits to the State, in addition to the intangible effect on the future behavior of those released after completing six months on Work Release, is contained in the following financial report:
