Dear Senator Rotundo, Representative McLaughlin, and Members of the Joint Standing Committee on State and Local Government:

Title 5 M.R.S.A. §1825-B (3) requires an annual report to your Committee on Cooperative Agreements which are awarded to the University of Maine System and the Maine Community College System (formerly the Maine Technical College System) without competitive bidding. These Cooperative Agreements are authorized under 5 M.R.S.A. §1825-B(2)(E), which reads:

2. *The requirement of competitive bidding may be waived by the Director of the Bureau of General Services when:*

E. The purchase is part of a cooperative project between the State and the University of Maine System or the Maine Technical College System involving:

1. *An activity assisting a state agency and enhancing the ability of the university system or technical college system to fulfill its mission of teaching, research and public service; and*
2. *A sharing of project responsibilities and, when appropriate, costs.*

In calendar year 2003, ninety (90) cooperative agreements were processed with the University of Maine System, totaling \$24,525,448.04.

Three (3) cooperative agreements were processed with the (then) Maine Technical College System, totaling \$612,362.65.
