**Introduction**

As Secretary of State, I am pleased to publish the 2014 edition of the Boards and Commissions Vacancy Report for Maine. This is an annual report of new appointments or reappointments that must be made during 2014.

The Boards and Commissions listed in this document are charged with jobs and responsibilities as varied as the work of State Government itself. Members of these boards and commissions often perform the critical role in our democracy of informing the public and elected officials about important and complex issues. Many dedicated citizens provide invaluable service to Maine through their work on boards and commissions.

As always, the Department of the Secretary of State is ready to assist you with any questions about this publication. If you would like additional information, please contact Cathy Beaudoin in the Bureau of Corporations, Elections and Commissions at (207) 624-7748 or by mail at 101 State House Station, Augusta, ME 04333-0101.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Dunlap".

Matthew Dunlap  
Secretary of State

## **Information Regarding the 2014 Report of Board and Commission Terms that Expired in a Previous Year or are Vacant Through 12/31/2013**

Maine Law requires the Secretary of State to produce this report:

### **5 MRSA §12009**

**3. Report on appointments.** By December 30th of each year, the Secretary of State shall submit a report to the Governor, the Speaker of the House and the President of the Senate. This report shall include the following information and any additional information deemed important by the Secretary of State:

- A.** A list of appointments, by board, which will expire in the ensuing calendar year and for which reappointments or new appointments are required. This list shall include the date of expiration of the term of each appointment due to expire and the length of any existing vacancy;
- B.** The appointing authority responsible for making the appointments or reappointments as described in paragraph A;
- C.** A list of appointments due to expire in the following year which, by law, require a new appointment rather than reappointment of the person in that position; and
- D.** A list of appointments due to expire in the following year for which confirmation by the Senate is required.

Persons interested in appointments should not assume that *all* information on a board/commission or its members is contained herein. Persons interested in appointments should consult the statutes or appointing authority for the complete make-up on any particular board or commission.

The file from which this list derives is based on the statutory inventory of boards and commissions found in 5 MRSA c.379. The purpose of this inventory is “...to provide the State with a complete inventory and central listing of all boards, commissions, committees, councils, authorities and other similar organizations established by the Legislature as a means of controlling the

proliferation of these organizations and as a means of reducing duplication and making the most efficient use of these organizations ...” (§12001). Short-term task forces and committees are not listed in the inventory and therefore are not covered by this vacancy list.

The following is a list of the boards or commissions that were repealed from Title 5, chapter 379 in 2013:

Board of Boilers and Pressure Vessels  
Board of Elevator and Tramway Safety  
Maine Communications System Policy Board

**Introduction**

As Secretary of State, I am pleased to publish the 2014 edition of the Boards and Commissions Vacancy Report for Maine. This report lists appointments or reappointments that have not been made from previous years through December 31, 2013, and where vacancies exist on a board or commission that need an appointment.

The Boards and Commissions listed in this document are charged with jobs and responsibilities as varied as the work of State Government itself. Members of these boards and commissions often perform the critical role in our democracy of informing the public and elected officials about important and complex issues. Many dedicated citizens provide invaluable service to Maine through their work on boards and commissions.

As always, the Department of the Secretary of State is ready to assist you with any questions about this publication. If you would like additional information, please contact Cathy Beaudoin in the Bureau of Corporations, Elections and Commissions at (207) 624-7748 or by mail at 101 State House Station, Augusta, ME 04333-0101.

Sincerely,

Matthew Dunlap  
Secretary of State

## **Information Regarding the 2014 Report of Board and Commission Terms that Expired in a Previous Year or are Vacant Through 12/31/2013**

Maine Law requires the Secretary of State to produce this report:

### **5 MRSA §12009**

**3. Report on appointments.** By December 30th of each year, the Secretary of State shall submit a report to the Governor, the Speaker of the House and the President of the Senate. This report shall include the following information and any additional information deemed important by the Secretary of State:

- A.** A list of appointments, by board, which will expire in the ensuing calendar year and for which reappointments or new appointments are required. This list shall include the date of expiration of the term of each appointment due to expire and the length of any existing vacancy;
- B.** The appointing authority responsible for making the appointments or reappointments as described in paragraph A;
- C.** A list of appointments due to expire in the following year which, by law, require a new appointment rather than reappointment of the person in that position; and
- D.** A list of appointments due to expire in the following year for which confirmation by the Senate is required.

Persons interested in appointments should not assume that *all* information on a board/commission or its members is contained herein. Persons interested in appointments should consult the statutes or appointing authority for the complete make-up on any particular board or commission.

The file from which this list derives is based on the statutory inventory of boards and commissions found in 5 MRSA c.379. The purpose of this inventory is “...to provide the State with a complete inventory and central listing of all boards, commissions, committees, councils, authorities and other similar organizations established by the Legislature as a means of controlling the

proliferation of these organizations and as a means of reducing duplication and making the most efficient use of these organizations ...” (§12001). Short-term task forces and committees are not listed in the inventory and therefore are not covered by this vacancy list.

The following is a list of the boards or commissions that were repealed from Title 5, chapter 379 in 2013:

Board of Boilers and Pressure Vessels  
Board of Elevator and Tramway Safety  
Maine Communications System Policy Board
