LEGISLATIVE

DISTRICT

DIRECTORY

For 1976

REF
JK
2868
.L43
1976

A listing of the communities within each Senatorial District and House District in the State of Maine, together with the name and address of the current Senator or Representative.

**LEGISLATIVE DISTRICT DIRECTORY
JANUARY 1976**

FOREWORD

This booklet was organized and assembled during slack time by staff in the Publications and Public Information Office, University of Maine at Portland-Gorham.

We needed it because we had to have a handy, easy-to-use compilation of the communities comprising each legislative district, but we could find nothing already prepared. So we have now made our own inexpensive one.

It should enable us to share University news, special honors, and such with those legislators whom such matters concern, without the trouble or expense of mailing any unnecessary material to those whom it does not concern.

The first few pages of this booklet indicate the communities within each Senatorial District in the State of Maine, together with the name and address of the current Senator.

The second section of the booklet, starting on page 9, provides the same type of information about the Maine House Districts, together with the name and address of the Representative from each district.

Please accept this booklet for yourself with the compliments of this office and my personal compliments.
