LEGISLATIVE

DISTRICT

DIRECTORY

For 1977

JK
2868
.L43
1977
c.2

A listing of the communities within each Senatorial District and House District in the State of Maine, together with the name and address of the current Senator or Representative.

LEGISLATIVE DISTRICT DIRECTORY — 1977

FOREWORD

This booklet was organized and assembled by staff of Publications and Public Information, University of Maine at Portland-Gorham.

We got the idea during the 107th Legislature when we were trying to honor requests from legislators for the names of Dean's List students from communities in their districts. It took lots of time hunting through scattered sources to find out who represented the Town of Porter, for example.

This listing was compiled to save us time in the long run. When I subsequently found out that it was useful to me as a member of the 107th Legislature, we decided to get it printed inexpensively and share it with fellow legislators.

This is an updated version with an added feature — a towns' index — to make it even more useful.

It enables us to share UMPG news, special honors, and such with those legislators whom such matters concern, without the trouble or expense of mailing unwanted material to those whom it does not concern. Maybe it will help you too.

The first few pages list each Senatorial District in the State of Maine, indicating both the communities included and also the name and address of its senator.

Starting on Page 9, the booklet provides the same type of information about Maine House Districts.

The listing that keys each city, town, plantation, or Indian voting district to the pertinent Senate and House Districts starts on Page 29.

Please accept this Legislative District Directory for yourself with compliments from this office as well as my personal compliments to former colleagues.
