Dear Citizens:

As it has for years, the Legislative District Directory will occupy a prominent place on our desks throughout the 116th Maine Legislature. This directory has proven to be a time-saving, user-friendly reference to help citizens identify the cities, towns and counties represented by any member of the Maine House and Senate. It also provides addresses and phone numbers for all members of the Legislature.

We would like to express our appreciation to Secretary of the Senate, Joy J. O'Brien, Clerk of the House, Joseph W. Mayo, Assistant Secretary of the Senate, Pamela E. Lovley and Assistant Clerk of the House, Millicent M. MacFarland for the work involved in putting this valuable resource together.

This directory and other publications are designed to improve public access to Maine's citizen Legislature. We welcome any suggestions you may have to promote citizen participation in our state government.

Thank you for the opportunity to serve the State of Maine.

Sincerely,

A handwritten signature of Dennis L. Dutremble.

THE LEGISLATURE

Legislative Session

The First Regular Session convenes on the first Wednesday of December following the general election. Adjournment is mandated by statute not later than the third Wednesday in June of the odd numbered years. The Second Regular Session convenes on the first Wednesday after the first Tuesday of January in the subsequent even-numbered year and must adjourn not later than the third Wednesday in April. However, during both the First and Second Regular Sessions the Legislature may vote up to two short extensions when necessary. The Legislature can meet in special session on the call of the Governor. It can also call itself into session with the consent of the majority of each political party, all members having been polled.

Representation

Each Senator represents a district including approximately 32,100 constituents. Each House member represents a district which has approximately 7,500 people. Originally Senators were elected from each county with numbers according to population; since the 104th Legislature they have been elected by district. Until the 109th Legislature, House members from some of the larger communities in the state were elected at large from their districts. Now there are 151 individual districts throughout the State. Some Senate districts cross county lines and town and city lines as do some House Districts.

Apportionment 1993

Pursuant to the Constitution, Article IV, Part Third, Section 1A, a Legislature which is required to apportion the districts of the House of Representatives or the Senate, or both, under Article IV, Part First, Section 2, or Article IV, Part Second, Section 2, shall establish, within the first three calendar days after the convening of that Legislature, a commission to develop in accordance with the requirements of this Constitution, a plan for apportioning the House of Representatives, the Senate, or both.

The commission shall be composed of three members from the political party holding the largest number of seats in the House of Representatives, who shall be appointed by the Speaker; three members from the political party holding the majority of the remainder of the seats in the House of Representatives, who shall be appointed by the floor leader of that party in the House; two members of the party holding the largest number of seats in the Senate, who shall be appointed by the President of the Senate; two members of the political party holding the majority of the remainder of the seats in the Senate, to be appointed by the floor leader of that party in the Senate; the chairperson of each of the two major political parties in the State or their designated representatives; and three members from the public generally, one to be selected by each group of members of the commission representing the same political party, and the third to be selected by the other two public members. The Speaker of the House shall be responsible for organizing the commission and shall be chairperson pro tempore thereof until a permanent chairperson is selected by the commission members from among their own number. No action may be taken without a quorum of 8 being present. The commission shall hold public hearings on any plan for apportionment prior to submitting such plan to the Legislature.

Public members of the commission shall receive the same rate of per diem that is paid to the Legislator's for every day's attendance at special sessions of the Legislature as defined by law. All members of the Commission shall be reimbursed for actual travel expenses incurred in carrying out the business of the Commission.

The Legislative District Directory is a reference guide to help you identify the Senator or Representative from your legislative district.

This directory provides you with Senate and House Districts by county, towns and cities and provides the name, address and telephone number of each member. In the back of the directory, there are two indexes. One is a cross-reference by municipality and one by the member's name.
