REGISTERED LOBBYISTS

The following pages constitute an alphabetical listing of lobbyists registered with the Office of the Secretary of State as of 5 p.m. January 31, 1977. The employer jointly registered with each lobbyist is listed immediately to the right of the lobbyist's name. Names of registered lobbyists and registered employers of lobbyists appear in capital letters. Names of partners, associates, or employees designated as acting for a lobbyist are listed in regular case below that lobbyist's name; these names are also included in the alphabetized list, followed by the name of the lobbyist for whom the individual acts in at least one employment agreement.

Additional available information about each lobbyist-employer registration includes:

Business addresses of lobbyist and employer,

The date upon which lobbying activity began,

The nature of the employer's business, and

The amount of compensation the lobbyist will receive or the basis upon which the lobbyist will charge for services.

During the period that the Legislature is in session, every lobbyist must file a monthly report of lobbying activities. The Office of the Secretary of State will compile summaries of the information supplied in these reports, as well as updating the registration list periodically.

All information filed under the Lobbyist Disclosure Act, 3 MRSA c. 15, is public record and available for inspection in the Office of the Secretary of State.

REGISTERED LOBBYISTS
Supplement #1

The following pages constitute an alphabetical listing of lobbyists who registered with the Office of the Secretary of State between January 31, 1977 and February 28, 1977. This listing is the first supplement to the listing of lobbyists registered as of January 31, 1977.

The employer jointly registered with each lobbyist is listed immediately to the right of the lobbyist's name. Names of registered lobbyists and registered employers of lobbyists appear in capital letters. Names of partners, associates, or employees designated as acting for the lobbyist are listed in regular case below the lobbyist's name; these names are also included in the alphabetized list, followed by the name of the lobbyist for whom the individual acts in at least one employment agreement.

All information filed under the Lobbyist Disclosure Act (3 MRSA C. 15), including monthly disclosures of compensation and expenditures, is public record and available for inspection in the Office of the Secretary of State.
