PAUL R. DIONNE
EXECUTIVE DIRECTOR

April 26, 2006

Gail Kerns, Committee Clerk
Joint Standing Committee on Labor
2 State House Station
Augusta, Maine 04333

Dear Ms. Kerns:

Enclosed please find a copy of the Workers' Compensation Board Quarterly Compliance Report compiled for the third quarter of 2005.

The Workers' Compensation Board has also initiated an audit program to review the activity of insurance carriers, self-insureds, and third-party administrators pursuant to P.L. 1997, Chapter 486. A seven-year audit cycle has been approved by the Board and audits are being conducted on a regular basis.

A new feature in this quarterly report is the inclusion of the number and timeliness of Notices of Controversy filed with the Board. This new section is based on the November 22, 2005 motion which was approved by majority vote by the Board of Directors.

The Monitoring, Audit and Enforcement (MAE) Program is having a significant impact on compliance in the State of Maine. Although much work remains to be done, the Board anticipates that this program will continue to improve compliance as envisioned by the Governor and the Legislature and as reflected in P.L. 1997, Chapter 486.

The Workers' Compensation Board is pleased with the results of the MAE Program, which is drawing national attention, and remains convinced that the program promises even better compliance in the future for Maine.

Sincerely,

Paul R. Dionne
Executive Director/Chair

Executive Summary

On March 14, 2006, the Maine Workers' Compensation Board unanimously approved the Third Quarter 2005 Compliance Report. This report represents the efforts of the Office of Monitoring, Audit and Enforcement (MAE Program) and the workers' compensation community.

The Reconciliation Report was sent to one hundred ninety eight (198) entities on October 24, 2005. One hundred seventy one (171) responded timely. Ten (10) entities were not required to respond. Seventeen (17) entities failed to respond. The non-respondents were contacted to verify addresses and ensure future response.

I. COMPLIANCE OVERVIEW

A. Lost Time First Reports

- 3,868 Lost Time First Reports were received during the third quarter. 84.18% were received within 7 days and 88.52% were received within 10 days. The 7-day compliance (84.18%) represents a slight decrease (about 3%) from the two previous quarters. The decline can be attributed to technical and other implementation issues at insurance entities brought on by the start of electronic filing using the IAIABC Release III format. In the third quarter 84% of all Lost Time First Reports were filed electronically.

B. Payments of Initial Indemnity Benefit

- 85.66% of Initial Indemnity Benefits were paid within 14 days. The Board's benchmark for this area is 80%. The insurance community exceeded this measure by nearly 6%.

C. Filing of Initial Memoranda of Payment

- 82.98% of Initial Memoranda of Payment were received by the Board within 17 days. The Board's benchmark for this area is 75%. The insurance community exceeded this mark by nearly 8%.

D. Notices of Controversy

On November 22, 2005, the Maine Workers' Compensation Board of Directors approved by majority vote the following motion:

MOVE to implement the reporting of the number, timeliness and the percent of initial indemnity claims denied (NOC's) in the quarterly and annual compliance reports.

- 91.91% of the Initial Indemnity NOCs filed within the third quarter of 2005 were filed within 0-17 days.

* *Appendix A: Initial Filings Comparison:* Appendix A was generated at the request of the Board of Directors on August 24, 2004.

* *Appendix C* provides NOC filing timeliness compliance information by insurance groups.

II. CAVEATS

A. General Caveats

- This Third Quarter 2005 Compliance Report represents static results based upon data received by December 27, 2005.

The Board's current benchmarks are as follows:

- (1) Payments of Initial Indemnity Benefit made within 0-14 days is 80%.
 - (2) Memoranda of Payment received within 0-17 days is 75%.
- Employer delays in reporting dates of injury and/or dates of incapacity lower insurance company and third-party administrator compliance.
 - Question marks listed on this report indicate that the insurance company, the third-party administrator, or the self-administered employer did not provide the required data; therefore, the time line calculation could not be determined.
 - The Reconciliation Report process identified internal and external errors and problems. These errors and problems were referred to the appropriate entities for correction.

B. NOC-Related Caveats

- The measurement of the Filing of Initial Indemnity Notices of Controversy (NOCs) excludes the following types of NOCs:
 1. NOCs submitted for reasons of "Jurisdiction" and "Coverage".
 2. NOCs submitted by entities that are not the carrier of record.
 3. NOCs filed on "Medical Only" claims.
 4. NOCs with subsequent incapacity dates after a Return to Work Date where a claim for compensation could not be determined by the Board.
- The measurement of the filing of Initial Indemnity Notices of Controversy (NOCs) reflects the timeliness of initial indemnity NOCs.
- Initial Indemnity Notices of Controversy can be filed for a number of reasons including: Benefit Amount in Dispute, Legal Causation, Coverage, Notice of Injury, Extent of Incapacity, Statute of Limitations and Jurisdiction.

- The number of Initial Indemnity NOCs filed by an insurer, contrasted with the number of Initial MOPs filed by the insurer, may be used as one of many claims administration indicators that result in an insurer being referred for audit for possible violations of the Act.

III. CORRECTIVE ACTION PLANS (CAPs)

A. Current CAPs

The following insurance groups have had Corrective Action Plans (CAPs) in place for some period of time. Corrective Action Plans are implemented for insurers with chronic poor compliance and filing procedures. These plans have improved the performance of many of these carriers.

<u>Insurer Group</u>	<u>Market Share by Premium Written</u>
A. Royal & Sunalliance	4.70%
B. St. Paul/Travelers Insurance	2.75%
C. CNA Insurance Group	1.01%
D. Chubb & Son Insurance	0.35%
E. Ace/ESIS Insurance Group	0.01%
F. Gallagher Bassett Claims Services	NA-TPA
G. Crawford & Company	NA-TPA
H. Hartford/Specialty Risk Services	Not Available
I. Georgia Pacific	Not Available

Elements of the Corrective Action Plans are reviewed and updated each quarter to track compliance changes and ensure that the elements of the Corrective Action Plan are being met.

Compliance information on individual insurance carriers, third-party administrators, and self-administered employers for the third quarter of 2005 is listed on the Board's website: www.maine.gov/wcb/
