MEMORANDUM

TO: Members of the Governor's Banking Study
Advisory Committee

FROM: Timothy D. Naegele

DATE: August 18, 1974

SUBJECT: Committee Meeting, Augusta, August 23, 1974

Attached is a draft statutory outline for your perusal, and a list of issues to be discussed at the meeting next Friday. It should be noted that the outline is merely a draft which will be refined further as the drafting process continues. Moreover, the issues to be discussed are the principal policy problems noted to date; however, other issues will arise and must be dealt with.

Those issues or concerns which need to be brought to the Committee's attention will be handled in that manner. Other issues of a more technical nature will be discussed with Superintendent Gelder and others, and resolved accordingly.

Certain refinements will take place in the attached materials prior to our arrival in Augusta on Friday; however, I welcome your comments and suggestions at that meeting. Tom Evans, Bob Cardon and I look forward to meeting with you.
