Dear Senator Sanborn and Representative Tepler:

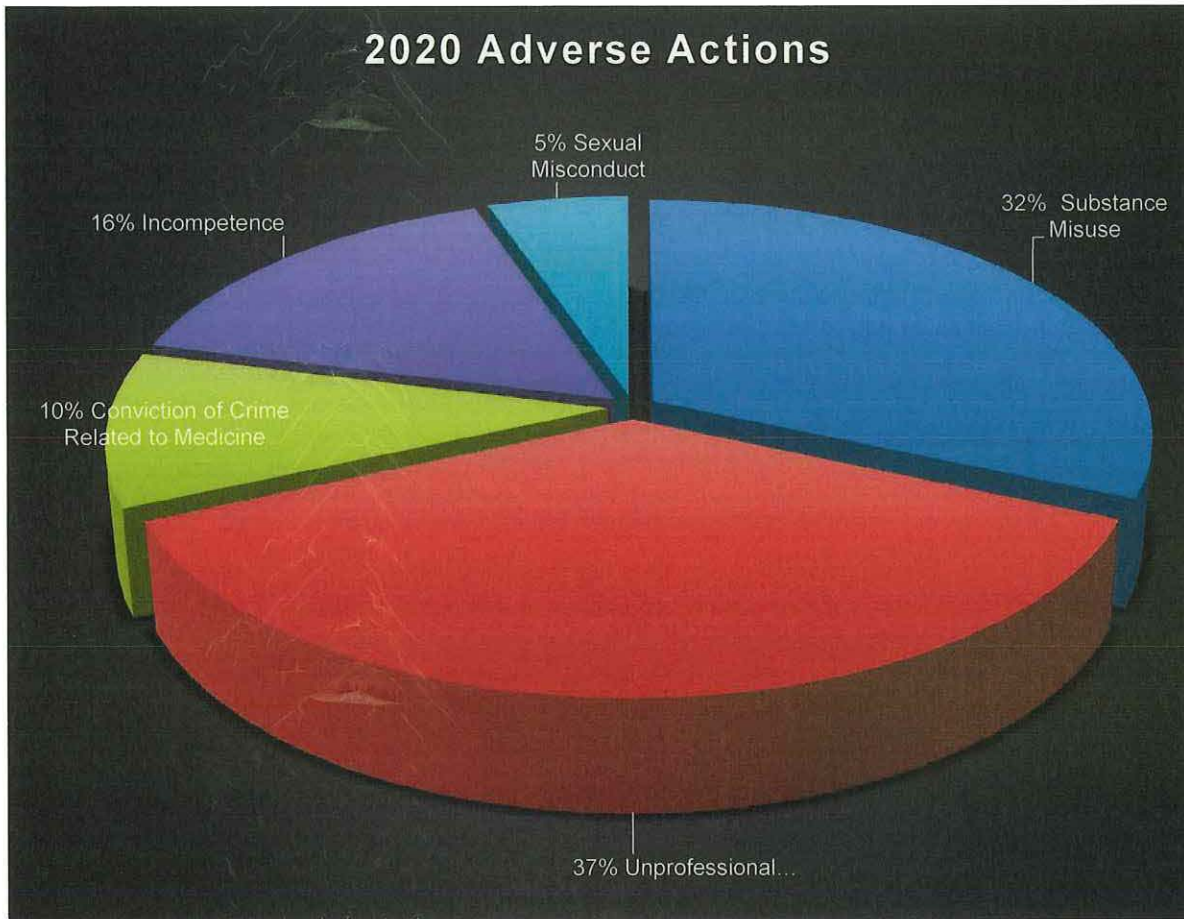

The Board of Licensure in Medicine hereby submits its 2020 Annual Report, in accordance with Title 32 M.R.S. §3269, 8-A. This report consists of certain complaint statistics for calendar year 2020.

Number of complaints carried forward from 2019	100	
Number of new complaints filed in 2020	<u>190</u>	
Total number of complaints 2020		290
Number of complaints carried forward to 2021		110
Number of complaints dismissed in 2020		140
Number of complaints resulting in adverse licensing actions in 2020		19

Also included is a breakdown of 2020 Board adverse licensing actions by classification. Details about each adverse licensing action are available on our public internet site at <https://www.maine.gov/md/complaint/adverse-licensing-actions>.

The following is a breakdown of adverse licensing actions taken in 2020:

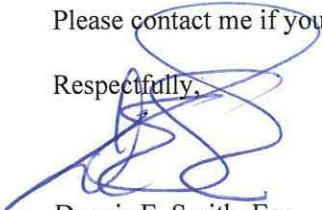

<b>Adverse Licensing Actions by Category:</b>	<b>Number of Actions</b>
1 Unprofessional Conduct	7
2 Substance Misuse	6
2 Conviction of a Crime Related to Medicine	2
3 Incompetence	3
6 Sexual Misconduct	1

The Board is also required to submit the number of physician adverse licensing actions tabulated by the Federation of State Medical Boards (FSMB). For 2020 the FSMB tabulated 29 actions taken by the Board. However, the FSMB system tabulates a change or reduction in discipline as a new action and breaks some disciplines into multiple reports, which accounts for its variance with the 19 adverse licensing actions actually taken by the Board in 2020. In addition, not all adverse actions taken by the Board are necessarily assigned a complaint number. For example, there may be situations that occur during licensure or re-licensure where the individual withdraws their license while under investigation, which is a reportable adverse licensing action to the FSMB and National Practitioner Data Bank (NPDB) but does not have a corresponding complaint number in ALMS. In addition, there are sometimes multiple complaints against a single licensee that results in a single global disposition of all of the complaints pursuant to a consent agreement.

Please contact me if you have any questions about the data.

Respectfully,

Dennis E. Smith, Esq.  
Executive Director
