Dear Senator Jackson and Representative Dill:
Dear Senator Tuttle and Representative Luchini:

Pursuant to Title 8 of the Maine Revised Statutes Annotated, §§267.2 and 275.D.9, I am pleased to submit to you the Maine State Harness Racing Commission 2012 ANNUAL REPORT. Included in this report is the annual reporting on the effect of off-track betting facilities on the local economy and the integrity of live racing. I am incorporating the off-track betting information and the Maine Sires Stakes Program information as a cost-saving measure and to simplify the annual reporting process.

You will find the information on the off-track betting facilities in Part IV and the Sires Stakes in Part VI.

Respectfully submitted,

Henry W. Jackson
Executive Director

I would like to take this opportunity to thank all those individuals who have made outstanding contributions to the Maine harness racing industry this past year. I was saddened, as were many others, to learn that we lost several individuals that had contributed to the betterment of our industry.

I look forward to working with the industry leaders to tighten our regulatory programs and improve the testing and detection programs as we grow in numbers and opportunities.

The Bangor Racino operation continues to show its value to the racing industry with the infusion of dollars to every sector of this industry. This past year the infusion of dollars from the newly opened Oxford Casino was a welcome addition.

I look forward to working with our staff, industry leaders and the Department in making our racing the best in the Northeast.

On behalf of the Commission I wish everyone in our industry a very successful 2013.

April 15, 2013

First let me thank all those in our sport for making 2012 a very successful year. Unfortunately, we continue to experience slight drops in our handle as evidenced in 2012. In 2012 we had an adequate horse supply that allowed all tracks to offer very good and competitive racing.

As the increase in funding for the various licensed entities continues to grow, we must be ever vigilant in our efforts to protect the integrity of this great sport.

The opening of the Oxford Casino in June added revenue to our various funds.

In 2012 Peter and I continued to undertake the responsibilities of monitoring the pulling events as well as the drug testing program involving pulling animals.

I would like to welcome our new Commission Member, Dirk Duncan, and I look forward to working with him during his tenure. I will miss the continued support offered by former Commissioner Stan Kuklinski. He was a valued member and I wish him well in his new endeavors.

I wish to thank the Department's Commissioner, Walter E. Whitcomb, the Commission members, my staff, and all those in our industry for the support, patience and participation they provided in 2012.

This coming year we will be faced with new challenges, yet with our ongoing cooperative spirit we will be able to face those challenges and strengthen our industry. I look forward to working with all the industry groups and the Commission to gain the respect our great sport deserves.

Sincerely,

Henry W. Jackson
Executive Director

DUTIES OF THE COMMISSION

The Maine Harness Racing Commission was created by the Maine legislature to exercise and maintain a proper control over harness racing in Maine for the good of the sport and all persons involved in it and for the good of the state. The Commission's duties include building public trust and maintaining a high level of integrity in all aspects of harness racing.

The Commission is empowered by the State of Maine to establish and enforce rules of conduct for harness horse races, race tracks, wagering and off-track betting. The Commission is required by law to protect the health, safety and welfare of all race participants, of Standardbred horses, of spectators, and the wagering public.

The work is the basis for the betterment and promotion of harness racing in Maine and for the continued development of Maine's Standardbred horses program.

The Commission derives its statutory authority from Maine's harness racing laws, contained in Title 8, Chapter 11 of the Maine Revised Statutes. The Commission's principal responsibilities include oversight of harness racing, simulcast racing and off-track betting and support of the Maine Standardbred horse program.

To accomplish these responsibilities, the Commission has licensing, enforcement, and supervisory authority and the duty to establish rules of conduct for the holding, conducting and operating of race tracks on which any such race or meet is held and for the conduct on the race track of all persons participating in harness horse racing [8MRSA & 268 and 279-A].

The Commission may license any person, association or corporation desiring to hold a harness horse race or meet for public exhibition, including the issuance of race dates (with or without pari-mutuel pools); interstate simulcast racing at a licensee's track during any regular meeting; pari-mutuel wagering at an off-track betting facility; and owners, trainers, drivers, grooms and all other persons participating in harness horse racing, including pari-mutuel employees and race officials [8MRSA & 268, 269, 270, 271, 274-A & 279-A].

The Commission has the power and authority to regulate, supervise and check the making of pari-mutuel pools and the distribution there from; to investigate the ownership and control of any licensee; to investigate any suspected violations of the law or rules; and to supervise and regulate all medication administered to horses entered to race [8MRSA & 279-B].

The Commission is authorized to establish a schedule of fines and suspensions and to levy fines and suspensions for violations of the harness racing laws or rules [8MRSA & 279-B].

The Commission also has the responsibility to encourage and promote the breeding of a strain of Maine Standardbred horses and make provisions to encourage donations of the same by licensees or others to persons or institutions within the State for breeding purposes. The Commission has the authority to establish fees and maintain a fund, the Sire Stakes Fund, for establishment of a Maine Standardbred horses program [8MRSA & 281].

THE COMMISSION MEMBERS

The Maine Harness Racing Commission consists of five members appointed by the Governor to provide broad geographic representation. The appointments are subject to review by the Joint Standing Committee on Agriculture and to confirmation by the Maine State Senate.

One of the Commission's members is appointed as Chair. The members serve three-year terms, but they remain in their posts until their successors are appointed. One must be affiliated with an agricultural fair. Three members must have knowledge of harness racing.

People appointed to fill any vacancies that occur serve for the remainder of the unexpired term of the vacancy.

The 2012 members of the Commission pictured below have accompanying brief biographies:

George McHale of Orono, Chair

Gary Reed of Falmouth

Barbara Dresser of Saco

James Tracy of Farmingdale

Stan Kuklinski of Farmington

George McHale of Orono, Chair

Mr. McHale, originally from New York, started his exceptional broadcasting career in the Navy during the Korean War. Following training in New York, he accepted positions in Bangor, ME, becoming the “Voice” of the University of Maine Black Bears in football, baseball, and basketball. George has covered high school sporting events from one end of the state to the other, always lending his trusted voice of authority at “Tourney Time.” His awards include being a member of the Maine Broadcasters’ Hall of Fame and being named Maine Sportscaster of the Year twice. He has been a fixture of the harness racing community for more than 20 years, “calling” races and acting as Chair of the Maine Harness Racing Commission for nine years prior to this present appointment. His term will expire in 2013.

James Tracy of Farmingdale

Mr. Tracy graduated from Gardiner High School in 1955. He worked in the banking industry for over 36 years. Jim has been the treasurer of Windsor Fair for 24 years and has been instrumental in the development of Windsor Fair, serving in a variety of capacities over the past 37 years. His term will expire in 2013.

Stan Kuklinski of Farmington

Mr. Kuklinski graduated from high school in Utica, New York, in 1958 and attended Utica College. Stan comes from three generations of dairy farmers, has owned a horse stable in Farmington, and has participated in harness racing as an owner and breeder. He is currently a developer and builder in the greater Farmington area, is a life-certified tennis professional, and assists people in this sporting area whenever time permits. His term will expire in 2012.

Gary Reed of Falmouth

Mr. Reed graduated from Edward Little High School in 1957, attended Bates College, and graduated from the University of Maine in 1969. He was the Manager of Data Processing for S. D. Warren in Westbrook until he retired in 1994. Gary has worked as a patrol judge, associate judge and has owned harness racing horses. His term will expire in 2014.

Barbara Dresser of Saco

Ms. Dresser graduated from Lyndon State College in Vermont in 1998 and earned her J.D. from the University of Maine School of Law in 2001. She has been employed by the Saco firm of Smith Elliott Smith & Garmey as an Associate Attorney for the past eight years. Barbara served as a Director of the Maine Standardbred Breeders & Owners Association. Her term will expire in 2012.

Dirk Duncan of Mapleton

Dirk was appointed to the Commission in November, 2012, to take over for Stan Kuklinski. A picture of and information about Dirk will appear in the 2013 Annual Report.

THE COMMISSION STAFF

The Maine Harness Racing Commission is represented in its Augusta office and in the field by a well qualified, hard-working staff of employees and contractors. These people are the key to the success of harness racing in Maine. They conduct the Commission's daily business, perform tests at tracks, oversee races and the implementation of harness racing rules, among other duties. The Commission extends its thanks to them for an excellent year in 2012.

MEETINGS OF THE COMMISSION

The Commission is required by statute to meet at least monthly. Three of the five members of the Commission constitute a quorum to do business. A record is kept of all proceedings of the Commission.

A majority of the Commission meetings involve hearings on violations of the medication or banned substances rules and hearings of appeals from judges' decisions regarding racing violations. The Chair of the Commission, acting as a sole hearing authority, conducts hearings on minor violations of the rules. The remainders of the Commission's meetings are used for rule-making activities and for licensing issues.

Although only 12 monthly meetings are required by statute, the Commission usually finds it necessary to hold several meetings each month in order to meet the expanding work load. Increasingly complex adjudicatory hearings, licensing hearings, both for live racing and for off-track betting facilities, and rule making have created a demanding work schedule for the Commission. The Commission met a total of 11 times during calendar year 2012.

The majority of the Commission meetings are held in Augusta, either at the State Office Building or at another location by announcement. Occasionally, the Commission will meet in Scarborough or in Bangor to facilitate attendance of people from those areas who might otherwise not be able to attend Commission meetings.

A published agenda of all Commission meetings is available 10 days prior to each meeting. A copy may be obtained by contacting the Commission office in Augusta or by requesting to be placed on the agenda mailing list.

COMMISSION OFFICES

The Commission is required by statute to maintain an office in Augusta. During the time in which racing is conducted in the state, the Commission is authorized to maintain branch offices throughout the state.

The Commission office in Augusta is located in the Deering Building, Rooms 228 and 229. The Deering Building is in the State House AMHI complex on Hospital Street.

RULEMAKING

The Commission is authorized by statute to promulgate the rules necessary to carry out and enforce Maine's harness racing laws. In addition, it has the authority to establish rules of practice governing the conduct of adjudicatory proceedings, licensing proceedings and the rendering of advisory rulings. Agency rule making is governed by the Maine Administrative Procedures Act found in Title 5, Chapter 375 of the Maine Harness Racing Commission rule book.

Maine law requires that the Commission "provide a booklet containing harness racing laws and rules and relevant portions of the Maine Administrative Procedure Act to every initial licensee and a fee not to exceed \$10.00 must be included in the license fee to cover the cost of this publication.

The Commission shall provide necessary revisions of this booklet to those persons renewing licenses at the time of renewal and shall include the cost of revisions, not to exceed \$10.00, in the renewal fee."

The Commission continually updates rules to meet the needs of the industry. In 2012, the Commission did focus on recently-submitted rules regarding live racing which were passed and enacted.

The Commission acknowledges the support and contributions of the many members of the harness racing community as well as the public and offers thanks for their assistance.

GRANTING LICENSES AND AWARDING RACE DATES

The Commission is authorized to issue annual licenses to any person, association or corporation desiring to hold a harness horse race or meet for public exhibition, including the issuance of race dates; pari-mutuel pools; interstate simulcast racing at a licensee's race track during any regular meeting; pari-mutuel wagering at an off-track betting facility; and owners, trainers, drivers, grooms and all other persons participating in harness horse racing, including pari-mutuel employees and race officials.

During the 2012 racing year, live race days were awarded in every month of the year except February and March as follows:

MEDICATION/TESTING PROGRAM

Urine and Blood Program

Test samples were analyzed by the State of Maine Health & Environmental Testing Laboratory located in Augusta, Maine. Beginning July 1, 2012 and through December 31, 2012 Blood Testing Services were provided by the University of Florida. The laboratories used the University of Iowa Laboratory and the American Medical Association Laboratory to supplement testing of samples to accommodate split samples requests by licensees.

Each blood and urine sample received by the laboratory is screened by specialized tests to comply with the ARCI-QAP guidelines for drug detection. These tests include specific extraction procedures, Thin Layer Chromatography (TLC), and Enzyme-Linked Immunosorbent Assays (ELISA).

If screening tests indicate the presence of a drug or unknown foreign substance in a sample, additional specialized testing is performed on that individual sample to prove or disprove the initial findings. All findings are unequivocally confirmed by the use of such techniques as Gas Chromatography, Mass Spectrometry, as well as High Pressure Liquid Chromatography (HPLC).

Maine allows the use of Phenylbutazone (Bute) and furosemide (Lasix) in horses under the direction of the Controlled Medication Program. The laboratory monitors these two drugs in all equine samples received.

During the 2012 racing year, 4,484 equine urine and blood samples were taken. Of that total, 5 were in violation of the Commission's rules.

Also in the 2012 racing year, 139 human urine samples were taken. Of that total there were no violations of the Commission's rules.

EPO Program

In 2008, the Commission requested the staff to test for Erythropoietin (EPO). This procedure requires taking blood from the horses at the tracks, refrigerating the blood, and transferring it to the Health Environmental Testing Laboratory for analysis. In 2012, the EPO program tested a variety of horses. All of the horses were within acceptable limits.

Blood Gas Program

The Blood Gas Testing Program was established in 1993 at the request of the Commission. The program requires taking blood from horses at various tracks, refrigerating the blood, and transferring it to a contracted facility for analysis. In 2012, no horses were in violation of the Blood Gas Testing Program.

Controlled Medication Program

The Controlled Medication Program was established in 1992 by statute and allows tolerances for horses that use Phenylbutazone and lasix. The program is an on-site program, under the direction of the Commission's veterinarian. There were 1,377 horses participating in this program. At various times during the year, 71 horses withdrew from the program.

AGRICULTURAL FAIR STIPEND	379,318.68
FAIR STIPEND FUND	29,772.29
SIRE STAKES FUND	355,516.86
PROMOTIONAL BOARD FUND	80,806.70
PURSE SUPPLEMENT	644,803.66
OFF TRACK BETTING SIMULCAST	<u>446,338.41</u>
TOTALS	2,502,230.25

The above funds are collected in the Harness Racing Commission office and are deposited in the appropriate accounts in compliance with 8 RSA, Section 286.

The Commission's Operating Fund monies are used to support the activities of the Commission. The amounts credited to the Commission's Operating Fund from wagers that exceed \$35 million are credited to the Commercial Meet Stipend Fund. Seventy-two (72) percent of these funds are distributed to the licensed commercial tracks in proportion to the live wagers placed at their facility to the total wagers placed at all commercial licensees. One-half of the amounts are used to supplement purses and the other one-half is used to reimburse facilities for capital expenditures approved by the Commission. Ten percent is retained in the General Fund; nine percent is transferred to the Sire Stakes Fund; and, nine percent is transferred to the Agricultural Fair Stipend Fund. Beginning with Fiscal year 2009 all monies that were earmarked for the General Fund will be deposited in the Commission's Operating Fund for operation expenses.

Agricultural Fair Stipend Fund monies are distributed to those fairs licensed by the Department in accordance with 7 MRSA, Section 83.

Extended Meet Stipend Fund monies come from the Agricultural Fair Stipend Fund. Eighty (80) percent of any funds that exceed the \$400,000.00 cap are distributed to those pari mutual licensees that conducts a race meet not during an agricultural fair. The distribution is based on the proportion of a track's live wagers to the total live wagers made at all extended meets.

The Fair Stipend Fund revenue comes from 5% of the contributions to the Commission's Fund. These contributions are used to supplement the premiums paid by agricultural fairs during their annual exhibition.

Sire Stakes Fund monies are used to support purses for the Maine Standardbred Breeders Stakes races, to promote the Sire Stakes Program and to cover any expenses incurred in administering this program.

Promotional Board Fund monies are used to support the activities of the Maine Harness Racing Promotional Board. This organization is an independent instrumentality of the State.

Purse Supplement Fund monies are used to supplement purses at all licensed live racing facilities. The funds are distributed based on the number of days raced by a licensee in proportion to the total number of days raced by all licensees.

Off Track Betting Simulcast Fund monies are distributed to those licensees that provide a signal of their races to Maine's licensed off track betting facilities. The funds are distributed based on a licensee's exotic wagers at the off track betting facilities in proportion to the total of all licensees' exotic wagers at the off track betting facilities.

OFF TRACK BETTING REPORT

In 1991 the Maine Legislature enacted legislation that allowed Commercial Tracks licensed by the Maine Harness Racing Commission to apply for and be licensed to operate Off Track Betting Facilities. In 1993 the Maine Legislature amended the statutes to allow Class A Restaurants/Restaurant Lounge to apply for and be licensed by the Maine Harness Racing Commission to operate Off Track Betting Facilities. Currently there are four licensed facilities that operate in Maine.

In 2012 there were four (4) OTBs licensed to operate in Maine: Pioneer Gaming, LLC, Waterville; Winners Circle, Lewiston; Winner’s OTB, Brunswick; and, OTB Facilitators LLC, Sanford. Davric Maine Corporation, dba Scarborough Downs, and Bangor Historic Track Inc., dba Bangor Raceway applied for and received authorization to operate as inter-track wagering facilities providing full card simulcasting at the racetrack.

The total interstate wagering handle recorded by the OTBs in 2012 was \$14,801,067 or a 9.2% decrease from 2011. The total intrastate wagering handle recorded by the OTBs was 608,451 or a 9.2% decrease from 2011. The individual wagering information can be found in Part IV, ANNUAL REPORT of the Maine Harness Racing Commission. The revenues to the various Funds from these wagers are as follows:

PROMOTIONAL BOARD

REPORT

Activities for 2012

HARNESS RACING PROMOTIONAL BOARD

ORIGIN OF THE BOARD

The Harness Racing Promotional Board, established in 1993 under Public Law Chapter 528 and changed in 1997 by Public Law Chapter 528 to promote harness racing activities and increase participation in racing and wagering in the State of Maine, is comprised of nine members and two alternates, appointed by the Commissioner of Agriculture. These members represent various components of the industry, and terms are staggered for historic retention. Two members represent the Standardbred Breeders, one member serves as a representative from Scarborough Downs, and one represents Bangor Raceway. The harness horsemen, the agricultural fairs, and the off-track betting parlors each have a representative, and two members represent the interested public. Two alternates are also appointed on an annual basis, and they attend and participate in discussions and business decisions of the Board.

ACTIVITIES OF THE BOARD IN 2012

The Board increased its activities in 2012 with new projects, displays, and advertising. January was a busy month for the Board as members continued to participate in the Maine Agricultural Show in Augusta. The Board manned a booth at the annual meeting of the Maine Association of Agricultural Fairs in Portland. All fairs benefit from the stipend funds provided from harness racing in Maine as well as funds from the racino in Bangor and the casino in Oxford, allowing them to update their buildings and grounds, and increase their educational programs. This, in turn, promotes Maine Agriculture and increases the premiums paid for exhibits.

The Board worked with the various television stations to advertise harness racing and keep the public informed about when and where they could attend live harness racing meets. During Agricultural Day at the Legislature members furnished brochures and answered questions from the legislators and the general public. Harness racing provides a substantial sum each year to the General Fund and employs hundreds of people in the equine industry in Maine. Many are not aware of the positive impact of our industry.

“Whinny,” the Board’s mascot, appeared at many functions throughout the year. Along with the “Fun to the Finish” logo, the mascot was present at all Maine Agricultural Fairs that participate in live harness racing. In addition, members attended Litchfield Fair and Blue Hill Fair, where pari-mutuel racing is not on the program. Educational materials were available, tee shirts were presented to children and adults, and coloring books, bracelets, and other promotional materials were given out. Cameras were clicking, securing photos for family members who enjoyed the interest that the youngsters showed when they met Whinny.

The Board participated at additional special events at the commercial tracks and was on hand for “Give Back Day” and “Family Fun Day” at Scarborough Downs. New promotions included sponsoring a Handicapping Contest at Bangor Raceway, Scarborough Downs, and the Maine OTB’s, providing “Follow Us To The Track” signs for horse trailers, supporting the “Pick 5” races at Windsor Fair, and the horse show “Other uses for the Standardbred.” Also, coolers were provided for Maine Agricultural Fairs and Cornish Horsemen’s Day.

The Board provided 15,000 calendars, providing dates, times, and locations of live racing. Pocket cards were provided listing fair dates and displaying our logo. Additional coverage and advertising were provided for Breeders Stakes races as well as the Finals.

Along with advertising in the “Maine Invites You” publication, this year we placed ads in two late summer and early fall issues of *Down East Magazine*.

The Board meets on a monthly basis, usually in the Augusta area. During the fair season, meetings are planned so that at least two fairs are included and visited by the Board. Additional promotions are underway for 2013.

On November 4, 2005 Penn National Gaming Inc./ Bangor Historic Track Inc. opened Hollywood Slots to the public for operations. 2012 was its seventh full year of operation.

On July 1, 2008 the new facility opened with 1,000 machines.

The Racino did better than expected considering the increased energy costs and the continued slowing of the economy. The amounts generated for the various funds can be found following this narrative report.

The revenues generated for the various harness racing industry entities are doing what the original purpose of approving slot machine operations in Maine. The horse supply has stabilized; the increased participation in the Sire Stakes Program; the increased capital improvements at the agricultural fairs; the capital improvements that are being made at the two commercial tracks; and, the increase in purses at each licensed racetrack.

In November 2009 the amount of revenue to the Fund to Stabilize Off-track Betting Facilities was reduced from 2% to 1% pursuant to 8 M.R.S.A. Section 1036. The one percent taken from the Off-track Betting Facilities is now credited to the General Fund.

We wish Hollywood Slots at Bangor the very best of luck in the coming years.

**MAINE
SIRE STAKES
PROGRAM
ANNUAL REPORT**

2012

*Prepared by:
Henry W. Jackson, Executive Director*

Maine Harness Racing Commission

Maine Department of Agriculture, Food and Rural Resources

The 2012 Annual Report of the Maine Sire Stakes Program consists of a narrative overview, financial information, purses paid, statistical information of the eligible participants, and final point standings.

This past year, I continued the oversight of the Sire Stakes Program while Peter Barengo did administration of the funds and maintained the accumulative points of the Program. Ralph Canney and Dennis May covered the daily draws for the Stakes races.

In my opinion, the 2012 stakes program was very successful. There was a slight decrease in the number of two year old participants as compared to the previous two years. The three year old participants carried forward from their freshman year. The purse structure certainly made those participating extremely happy. The purses continued to exceed \$2.0 million.

We continue to experience a decrease in the wagering handle. The handle for 2012 was 1.34% less than in 2011. Our program continues to be showcased throughout Maine via the four Off Track Betting establishments and the two commercial racetracks, Bangor Raceway and Scarborough Downs that offer full card simulcasting.

As in years past, the Sire Stakes Advisory Committee recommended that entrants to sire stakes events be tested to determine if any prohibited substances had been administered. Again, the Advisory Committee requested the entrants to the finals be housed in a detention area and the Commission approved this request.

A special thank you goes to each track for hosting and making an effort to promote and provide assistance to showcase our program. Special thanks go to the breeders, owners, Advisory Committee and the MSBOA Board of Directors for all the support and help given us in carrying out our responsibilities.
