SUMMARY: Authorizes the State Police to enforce handicapped parking restrictions on service facilities of the Maine Turnpike.

1247 AN ACT TO PROVIDE A DISCOUNT FOR Rolde ONTP
MAINE CITIZENS USING THE MAINE
TURNPIKE

SUMMARY: LD 1247 proposed to require the Maine Turnpike Authority to establish commuter discounts for Maine citizens at a rate not to be less than 25% of the established toll rate. Present law authorizes commuter discounts for any person, not to exceed 50% of the normal passenger toll in effect on June 1, 1981. Thus, LD 1247 could establish commuter discount tolls higher than the present commuter tolls. In addition, there is a question whether LD 1247 violates the equal protection clause by limited the commuter discounts to Maine citizens.
