Prepared by:

Edward Potter, Legislative Assistant State Government Committee

Office of Legislative Assistants State House, Station 13 Augusta, Maine 04333 (207) 289-2486

SUMMARY: ID 1139 proposed to establish a maximum per diem salary rate for members of all boards, commissions, authorities, etc.. The rate could not exceed the per diem salary rate paid to legislators. Following testimony from the Maine Labor Relations Board, and other agencies, it became apparent that some boards and authorities are empowered to undertake substantial tasks, including policy-making etc., while others are merely advisory. In order to determine the proper compensation of these boards, the Committee on State Government will study this issue and report its findings to the Second Regular Session of the 111th Legislature.
