ONE HUNDRED AND ELEVENTH LEGISLATURE
SECOND REGULAR SESSION

JOINT STANDING COMMITTEE
BILL SUMMARIES
JUNE 1984

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature, covering the Second Regular Session of the 111th Legislature. The summaries are arranged alphabetically, and indexed separately by committee.

1899 AN ACT TO PERMIT SCHOOL ADMINISTRATIVE UNITS TO ACQUIRE CERTAIN SMALL PARCELS OF LAND WITHOUT FOLLOWING THE SCHOOL CONSTRUCTION PROJECT APPROVAL PROCESS

Laplante
Matthews
Crouse

OTP
PL 1984, C. 640

SUMMARY: Previously, all land acquisitions went through the approval process for school construction projects. The bill allows parcels of land which are not connected to school construction projects to be purchased without the state board and referendum procedures required for construction projects. The cost of the land can be included under general operating costs in the subsidy formula.

1914 AN ACT TO CLARIFY THE DEFINITION OF SCHOOL CONSTRUCTION

A. Brown
Crouse
Soucy
Locke

OTP
PL 1984, C. 613

SUMMARY: Previously there was a confusion in the definition of school construction projects concerning major restorations. The bill makes it clear that only major renovations which are carried out in lieu of replacing the building(s) can be included as school construction and included in the debt service portion of the School Finance Act. Other renovations are included as minor capital costs under general operating costs.

1916 AN ACT TO ALLOW COORDINATION OF SERVICES TO PRESCHOOL HANDICAPPED CHILDREN BELOW THE AGE OF 3 YEARS

Benoit
Locke
Lisnik
Hayes

OTP
PL 1984, c. 624

SUMMARY: The bill allows the Preschool Coordination Projects to coordinate services for children from birth through age 5 years. The present law restricted the projects to serve children ages 3 years through 5 years. Since physicians and the service agencies for which the Projects help coordinate services do not use the 3-5 year designation, it was logical for the projects to serve all children birth through 5.

1953 AN ACT RELATING TO CONFERRING OF DEGREES BY THE YACHT DESIGN INSTITUTE SCHOOLS

Perkins
Hayes
Bott
Thompson

OTIP-A
P&S, C. 64

SUMMARY: This bill allows YDI of Blue Hill to confer associate degrees.
