SUMMARY:

The purpose of this bill is to make supplemental allocations of the Highway Fund for the fiscal years ending June 30, 1986, and June 30, 1987. Committee Amendment "A" (H-353) introduced the statutory language needed to implement the Local Road Assistance Program increase enacted in the Part I Highway Fund Budget. This language will allow the \$3.16 million increase already budgeted for the upcoming biennium to be proportionately distributed to all program categories. Without this language, municipalities which receive an allocation under the minimum provisions of the Local Road Assistance Program will not benefit from the increased allocation.
