SUMMARY:

The bill proposed a two year trial program to encourage small wood lot management. The program would have subsidized the initial contact of private, professional foresters and private small landowners. The bill specified administrative procedures and minimum service standards. A total of \$20,000 would have been allocated. The committee rejected the bill as inadequately funded and an inappropriate state activity.

SUMMARY:

This bill requires that an application to a municipality for approval of a revision or an amendment of a previously approved subdivision identify the original subdivision on the application and that when the revised or amended subdivision plat or plan is filed with the register of deeds, the register shall indicate on the original that it has been superseded and reference the new plat or plan.

CA-H-104: The Committee Amendment requires that when the revised subdivision plan is filed with the register, the original plan is cross-referenced on the new plan and that the new plan is cross-referenced on the original plan.
