SENATE Emerg. Enacted CH # 211  
GOV EMER SIGNED

SUMMARY:

New draft of LD 536. The original bill proposed a ban on fishing other than by hook and line and certain other hand methods within Union River Bay. The purpose of the bill was to protect an "alewife sea ranching" project (aquaculture) undertaken by the City of Ellsworth. The new draft provided more precise boundaries for the restricted area and provide exemptions for lobstering and alewife fishing.

LD: 1534 AN ACT RELATING TO SCALLOPING AND DRAGGING SALSBUURY  
IN THE FRENCHBORO AREA ZIRNKILTON  
ND of 1351 PERKINS

SUMMARY:

New draft of LD 1351. The original bill banned scallop dragging in an area between Swan's Island and Frenchboro. The new draft prohibited the taking of scallops by any means in the closed area. Some testimony was presented that such a ban would be an unreasonable economic burden on local scallopers. The committee decided, however, that after three cable breaks caused by dragging in a more narrowly defined area the only solution was to close the larger area to all scalloping. Scallop diving is also prohibited to prevent divers from having an advantage over scallop draggers and to establish a conservation area for scallops.
