AN ACT TO AMEND THE SCHOOL CONSTRUCTION LAW

PL 1985  
c. 570

Sponsor: BOST, O'Gara, Roberts, Matthews, K.  
Committee Report: OTP-AM

H-528 CA H S

SUMMARY: This bill makes 2 technical changes in the school construction law regarding local approval of construction projects. First, the bill eliminates the requirement that an order placing a school construction article on the ballot be filed with the municipal clerk 35 days prior to the vote. Second, the bill amends the provisions governing the language which must appear on the ballot. Currently, the ballot must state the amount of "the local share of debt service allocation." That amount cannot be calculated until after the bonds have been issued. The bill requires the ballot to indicate that the local unit is responsible for the local share of the debt service allocation.

CA-H-528: The Committee Amendment added an emergency preamble and effective date clause to the bill so that it will be in effect in time for the next series of votes on construction projects.
