AN ACT TO ALLOW THE MAINE MARITIME ACADEMY TO PARTICIPATE IN THE NEW ENGLAND REGIONAL STUDENT PROGRAM

P&SL 1985
c. 86

Sponsor: BROWN, L., Brown, A., Rice, Perkins
Committee Report: OTP

SUMMARY: The New England Board of Higher Education has established the New England Regional Student Program under the New England Higher Education Compact. Under that program, students living in one New England state may enroll in programs at public institutions of higher education in other New England states at a tuition rate less than the normal out-of-state tuition, if a similar program is not available at a public institution in the student's home state. Currently, the Maine Maritime Academy is unable to participate in the Regional Student Program because its charter precludes it from admitting out-of-state students at rates less than normal out-of-state tuition rates. This bill amends the academy's charter to allow it to participate fully in the program. All other post-secondary educational institutions in Maine are already participating members of this New England Regional Program.

AN ACT TO CLARIFY THE EDUCATION FUNDING LAWS RELATING TO REDUCTION OF STATE AID TO SCHOOL DISTRICTS BASED ON THE RECEIPT OF CERTAIN FEDERAL LAWS

P&SL 1985
c. 583

Sponsor: PINES, Violette, Brown, L., Brown, A.
Committee Report: OTP-AM

H-539 CA H S

SUMMARY: The federal government provides aid to local communities with military installations to compensate for lost property tax revenues and to support educational services for children of military personnel. States which have a formula to equalize the burden of education on taxpayers can apply certain portions of the federal aid to the State's share of education costs. The bill makes it clear which portions of the federal aid can be used to defer State costs and which portions of the federal aid are specifically left as additional support to the local school unit. The Committee Amendment makes a technical change in the language of the bill.
