The call for a referendum vote accompanied modification in the original bill, exempting rural mail carriers and persons who make frequent stops from the requirement to wear a seat belt at all times while their motor vehicles are in motion. Furthermore, a stipulation was introduced which prohibits enforcement action for violation of this proposed mandatory use law, unless a motor vehicle has been stopped by law enforcement officers for a different violation of motor vehicle laws.

Committee Amendment "B" representing a minority position, exempted rural mail carriers and persons who make frequent stops from the requirement to wear a seat belt at all times while their motor vehicles are in motion. Furthermore, a stipulation was introduced which prohibits enforcement action for violation of this proposed mandatory use law, unless a motor vehicle has been stopped by law enforcement officers for a different violation of motor vehicle laws.
