H-580 HA

SUMMARY: New draft of LD 1972. Original bill was one of three reports of the Taxation Committee as the result of an interim study of the railroad excise tax. The original bill would extend for one additional year the inclusion in long-term operating leases in "operating investment" for purposes of the tax.

The new draft would permit the special treatment of long-term operating leases to expire in 1986 as scheduled. It also reduces the tax rates by 1/4 of 1% in each bracket. See also LDs 1972, 1973 and 1974.
