AN ACT TO REQUIRE A REPORT FROM THE MAINE  
CORRECTIONAL ADVISORY COMMISSION CONCERNING  
CORRECTION SERVICE PROGRAMS AND REHABILITATION  
SERVICES

PL 1985  
c. 666

Sponsor: GAUVREAU, Gill, Joseph, Reeves  
Committee Report: New draft of LD 790

SUMMARY: This new draft, with new title, replaced the original bill which was held over from last year. The original bill sought to make rehabilitative services mandatory instead of discretionary for the Department of Corrections. During the interim, the Governor's Blue Ribbon Commission on Corrections issued its report which called for more rehabilitative efforts on the part of the department. This new draft requires that the joint standing committee of the Legislature having jurisdiction over human resources be kept advised of the rehabilitative efforts of the executive branch.

AN ACT TO REQUIRE LABELING OF COFFEES AND TEAS  
DECAFFEINATED WITH METHYLENE CHLORIDE

INDEF. PP

Sponsor: PERKINS, Erwin E, Whitcomb, Daggett  
Committee Report: New draft of LD 2035

SUMMARY: The original bill sought to require that coffee and coffee products processed with methylene chloride be labeled as containing a possible carcinogen.

The new draft, with new title, replaced the original bill. It retained the concept of the original bill which requires a warning label for coffee processed with methylene chloride with the following changes.

1. It required the caution label on tea or tea products in addition to coffee or coffee products.
2. It clarified the intent of the original bill to require the label only on packaged goods. A label is not required on coffee or tea sold by the cup or the thermos. Only "packaged" coffee or tea and coffee or tea products are required to be labeled. Individual tea bags would not be required to be labeled.
3. It corrected the wording of the caution from "possible" carcinogen to "probable" carcinogen.
4. It deleted any monetary penalty for a violation of this provision.
5. It reallocated the provision to the Maine Revised Statutes, Title 22, chapter 551, Pure Foods and Drugs Generally. By placing the law in a more appropriate section of the laws it:
