Committee Report: ND of LD 2408 (Minority Report)

SUMMARY: The new draft (the minority report) is identical to the majority report with the exception of the provisions establishing mandatory sentencing to the county jails.

This new draft would have deleted the county prisoner provisions; but would have established a full-time State position to provide technical assistance to the counties and a full-time State position to oversee community correctional programs.

SUMMARY: This bill authorized a bond issue in the amount of \$15,000,000 for construction and renovation of correctional facilities on a statewide basis.

The original bill allowed the Legislature to allocate these funds to any correctional facility within the State. House Amendment "F" (H-776) was adopted which specified the use of the bonds for building, repairs, or renovation of State correctional facilities. It also increased the bond issue from \$15,000,000 to \$16,000,000. Only one other amendment was adopted, H-777. That amendment added a fiscal note.
