EDUCATION

LD 116 AN ACT TO EXTEND THE TEACHERS' BONUS PROVISIONS TO CERTAIN EXCLUDED SCHOOLS. LVWD

Sponsor: SEAVEY, Connolly
Committee Report: LVWD

SUMMARY: This bill would have added 3 private schools - Sweetser Children's Home School, Spurwink School and Homestead School - to the definition of "qualifying schools" under the Educational Reform Act of 1984. That change would have made teachers at those schools eligible (retroactively) for recognition grant payments and the schools themselves eligible for block grant payments to be used for teachers compensation purposes. After discussing the history of the current law and the potential cost of opening up the definition of qualifying schools to these (and probably many other) private schools, the committee decided not to change the definition. Currently, qualifying schools are defined as public schools, state operated schools and private schools approved for tuition purposes with at least 60% public school students enrolled (10 private academies, which essentially serve as public high schools in their community).

LD 134 AN ACT RELATING TO CONFERRING OF DEGREES BY THE YDI SCHOOLS. P&SL 1987 c. 4

Sponsor: PERKINS, Handy, Lawrence, Estes
Committee Report: OTP

SUMMARY: This bill authorizes the Yacht Design Institute School to grant an additional degree - Associate in Science. The visiting committee assembled by the State Board of Education to conduct an on-site review recommended approval.

LD 136 AN ACT RELATING TO THE EXTENDED SCHOOL YEAR. LVWD

Sponsor: CLARK N, Soucy, Hichborn, Randall
Committee Report: LVWD

SUMMARY: The intent of the bill was to allow local school units to extend the length of their school year up to 200 days without the approval of the commissioner, and beyond 200 days with the commissioner's approval. Due to a drafting error, both extensions required the commissioner's approval. The current limit under DECS rule is 190 days.
