PL 1987  
c. 205

Sponsor: RIDLEY, Michaud, Holloway, Jacques  
Committee Report: OTP-A  
Amendments Adopted:  
H-141 COMMITTEE

SUMMARY: The original bill required a cost-benefit analysis for all decisions made by the Commissioner of Environmental Protection. The bill also required the commissioner to mediate disputes between applicants and departmental staff. Finally, the bill authorized the commissioner to use independent experts to resolve "disputed issues".

The committee amendment struck all reference to cost-benefit determinations and to mediation. The committee also deleted language allowing an applicant to appeal staff decisions to the commissioner at any time. Instead the committee choose to allow the commissioner discretion in establishing such internal procedures.

LD AN ACT CLARIFYING MUNICIPAL HOME RULE AUTHORITY  
138 AS IT RELATES TO SHORELAND AREAS.

PL 1987  
c. 94

Sponsor: HOLLOWAY, Sewall, Mitchell, Small  
Committee Report: OTP-A  
Amendments Adopted:  
H-61 COMMITTEE

SUMMARY: The bill amended the shoreland zoning ordinance to effectively ratify certain shoreland zoning ordinances which included provisions not expressly authorized by state law at the time of adoption. The intent of the legislation is to emphasize the compatible relationship of the state shoreland zoning law and the home rule authority accorded to municipalities under the state constitution and statute.

The committee amendment added only a technical correction to cover the variety of ways that such a municipal ordinance can be changed.
