SUMMARY

During the First Regular Session, this bill was reported out by the majority of the Committee in New Draft. The New Draft, LD 1595, was indefinitely postponed after being tabled on the Appropriations Table. This session, the bill was recalled from the Legislative files and recommitted to the Legal Affairs Committee. The majority report would make the same changes as the New Draft proposed last session, but as a Committee Amendment.

The original bill (LD 328) would establish a presidential primary for each party which certifies that there is a contest among candidates for nomination as the presidential candidate of that party. The primary would be held the first Tuesday in March or the same date as the New Hampshire primary, whichever is earlier, but not before January 1st.

Committee Amendment "A" (S-329) would allow the party to set the date of the primary.

House Amendment "A" to Committee Amendment "A" (H-484) would require the State to bear the municipalities' costs of the primary.

SUMMARY

This bill was carried over from the First Regular Session to allow time for the Legislative Council-approved study to examine the issues of law enforcement training and funding. (see LD 2120, LD 2594)

This bill would require that law enforcement officers, before they may carry a gun or have arrest powers, must complete the basic training course at the Maine Criminal Justice Academy. Current law requires that they complete training within 6 months of starting work. Replaced by study bill, LD 2120.
