Please let us know if you would prefer a different format or additional information and if the summaries are helpful.

Key to Committee Reports and Floor Action:

OTP	Ought to Pass
OTP-ND	Ought to Pass in New Draft

The second part of the bill originally extended the time period under which the exemption to the medical examination is permitted. It provided that in the case of a terminally ill patient, if the physician had examined the patient within 2 weeks instead of the current 48 hours period, the physician need not reexamine the body to fill out the death certificate. The amendment (H-49) added a definition of terminally ill patient.

AN ACT TO PROVIDE FOR A PROSPECTIVE PAYMENT SYSTEM FOR STATE REIMBURSEMENT OF BOARDING CARE FACILITIES WITH MORE THAN 6 BEDS, TO ALLOW FOR PERIODIC COST-OF-LIVING ADJUSTMENTS AND FOR OTHER PURPOSES

ND LD 1784

Sponsor: CARROLL, Kimball, Simpson  
Committee Report: OTP-ND LD 1784

SUMMARY: This bill sought to require the Department of Human Services to establish a prospective payment system for reimbursement of boarding care facilities of more than 6 beds instead of the current flat rate system. The new draft proposed to raise the level of reimbursement for boarding care facilities currently operating under a cost reimbursement system and would have required the Department of Human Services to develop a prospective payment system for those facilities and report on the progress in developing that system by February 1, 1988.

AN ACT TO PROHIBIT SMOKING IN PUBLIC AREAS OF PUBLICLY OWNED BUILDINGS

PL 1987  
c. 332

Sponsor: PINES, Carroll, Boutilier, Gill  
Committee Report: OTP-A (Majority)  
ONTP (Minority)

Amendments Adopted:  
H-151 COMMITTEE  
H-197 BROWN  
S-88 BUSTIN

SUMMARY: This bill prohibited smoking in the public areas of publicly owned buildings. Exceptions to this rule are the portions of public buildings used exclusively for nonpublic purposes or which are privately leased and, as provided by the Committee amendment (H-151), restaurants in public buildings are governed by the rules for restaurants which require a reasonably sufficient no smoking area and civic auditoriums which are required to keep some areas between the main entrance and the auditorium as a no smoking area. In addition, H-151 excluded public proceedings in public buildings, deferring to the existing law which allows smoking if all present consent to it.
