AN ACT TO CLARIFY ENFORCEMENT OF INSURANCE
COVERAGE REQUIREMENTS OF THE WORKERS'
COMPENSATION LAW

PL 1987
c. 77
EMERGENCY

Sponsor: CONLEY, Willey, Dutremble D, Black
Committee Report: OTP-A
Amendments Adopted:
H-52 COMMITTEE

SUMMARY: LD 390 proposed to strengthen the ability of the Workers' Compensation Commission to enforce the requirement that all employers carry workers' compensation insurance covering their employees. The bill made the following changes in law:

1. Made it easier to use payroll reports sent to the Bureau of Employment Security as evidence in prosecutions to enforce the Workers' Compensation Act;
2. Clarified that the failure to carry workers' compensation insurance constituted a failure to provide compensation under the Act;
3. Increased the financial penalties for failing to carry insurance and added a penalty for corporations under which their operating charter could be suspended for a violation;
4. Clarified the criminal responsibility of corporate officers; and
5. Made it easier to use the insurance records of the Workers' Compensation Commission in prosecutions by allowing certification by the Administrative Director.

The Committee Amendment (H-52) clarified that an employer could meet the insurance requirement by self-insuring, clarified the criminal culpability provisions for corporate officers by cross-referencing to existing provisions of the criminal code, and clarified the provisions permitting use of insurance records in prosecutions.

LD
454

AN ACT RELATING TO SUITABLE WORK TRANSFERS
UNDER THE WORKERS' COMPENSATION ACT

LVWD

Sponsor: WILLEY,
Committee Report: LVWD

SUMMARY: LD 454 proposed to amend the Workers' Compensation Act to allow an employer to transfer an injured worker to suitable work, even if that transfer conflicted with a collective bargaining agreement, unless the agreement offered the employee greater protection than the Act.
