Committee Report: OTP

SUMMARY: Although there is no legal requirement to do so, all counties are currently divided into three county commissioner districts. All counties except Piscataquis have one commissioner elected by the voters of each district. Piscataquis, while still requiring that there be a commissioner residing in each district, provides for the election of all commissioners by the voters of the total county.

This bill puts Piscataquis County on the same basis as other counties in having each commissioner elected by the voters of his district.

Committee Report: CARRY-OVER
Amendments Adopted:
H-231 COMMITTEE

SUMMARY: This bill is a result of a Legislative study conducted by the former Joint Standing Committee on Local and County Government to revise the local government laws. As part of that study, the committee investigated the status of municipal home rule and considered ways in which to clarify its application. This bill is a companion bill to the bill which recodifies the local government laws, and contains the statutory revisions thought necessary by the committee to clarify the application of municipal home rule in Title 30. The recodification bill was not introduced this year.
