AN ACT TO INCLUDE THE TACOMA LAKES IN THE
VALUATION OF THE COBBOSSEE WATERSHED DISTRICT

P&S 1987
c. 20

Sponsor: DAVIS, Dow, Weymouth, Nutting
Committee Report: OTP-A
Amendments Adopted:
H-69 COMMITTEE

SUMMARY: The Cobbossee Watershed District was created by Private and Special Law in 1971. Its purpose is to protect, improve and conserve the lakes and ponds in certain specified member municipalities, basically in the Winthrop Lakes Region. The District is governed by a board of trustees elected by the municipal officers whose municipalities comprise the area. It is a tax exempt entity which has the powers of eminent domain, contracting and borrowing. The budget is set after a public hearing and warrants are submitted to the participating municipalities to levy taxes in proportion to the valuation of the land that they have in the watershed, which is defined as certain bodies of water. Municipalities determined whether to join the watershed district by voter referendum.

This bill seeks to add the Tacoma Lakes to those bodies of water which constitute the watershed. The town of Litchfield which borders the Tacoma Lakes is in the legally designated Cobbessee Watershed District but Litchfield is not a member of the district.

The Committee amendment makes the bill take effect upon agreement of the municipality of Litchfield to become a member of the Cobbossee Watershed District.

The Tacoma Lakes lie within the municipality of Litchfield. Unless a municipality joins the watershed district, the district has no authority over bodies of water in that municipality nor may the shoreland of these bodies of water be considered in determining the valuation of the watershed district.
