LD AN ACT TO PROVIDE FOR THE EDUCATION OF STUDENTS LVWD  
806 RESIDING IN LONG-TERM DRUG TREATMENT CENTERS. EMERGENCY

Sponsor: ROLDE, Kimball  
Committee Report: LVWD

SUMMARY: This bill would have provided for education programs for students residing in a long-term drug treatment center. A school administrative unit in which such a center is located would be responsible for providing an educational program according to a plan approved by the commissioner. The school unit would have been reimbursed under the school funding law by an adjustment to the state share of the unit's foundation allocation. The adjustment was limited to the equivalent of 12 times the state average tuition rate and, in any case, to the funds appropriated by the Legislature. The committee was concerned that this represented a change in policy with respect to educational responsibility, that the school administrative unit might incur more costs than it would be reimbursed for under the bill and that money was not available to fund the bill.
