LD AN ACT RELATING TO THE PURCHASE OF MILITARY LVWD  
887 SERVICE TIME

Sponsor: BALDACCI,  
Committee Report: LVWD

SUMMARY: When the provisions allowing Viet Nam veterans, who have worked for the state for 15 years, to purchase military service credits toward Maine State Retirement was enacted, a Viet Nam veteran's cost of purchasing credits was to be based on the veteran's salary during the 12 months preceding the month in which the veteran began payment. Veterans who are eligible for credits based on service in earlier wars purchase credits based on the salary they had when they first joined state service. The bill would have equalized the provisions for both groups of veterans and would have made the cost for Vietnam veterans to purchase service credits based on their salary at the time they joined state service.
