**LD** AN ACT RELATIVE TO NOTIFICATION OF ADOPTION LVWD  
**876** FINALIZATIONS

Sponsor: McPHERSON, Rolde  
Committee Report: LVWD

SUMMARY: This bill sought to require the register of probate to provide written notification to biological parents of record as to the date of the finalization of the adoption of their child. This notification would have been required within 30 days of issuance of the adoption decree, and would also have been provided to the Probate Court having jurisdiction.

**LD** AN ACT TO ESTABLISH AN ADOPTION ALTERNATIVE ACT LVWD  
**884**

Sponsor: WARREN, Paradis, P., Cote  
Committee Report: LVWD

SUMMARY: This bill sought to provide adoption alternative information to women contemplating an abortion. The Department of Human Services would have established and maintained a program and list for the adoption of children.

The bill would also have required a physician, prior to performing an abortion, to inform the patient of the existence of the program established by DHS. The physician would also have been required to provide the patient with a copy of the "Adoption Alternative Act" and the patient would have signed an information form that proved she had received the information. The form would have been dated, signed by the physician, and witnessed by a third party other than the patient, and then forwarded to DHS.
