LD AN ACT TO PERMIT A LOCAL OPTION SALES TAX CARRY-OVER
1081

Sponsor: SOUCY, Twitchell, Seavey
Committee Report: CARRY-OVER

SUMMARY: This bill was held over by the Committee.

This bill allows municipalities to adopt a local sales and use tax. The tax cannot exceed 1%. The legislative body of the municipality is the entity which can choose whether or not to adopt such a tax.

The tax will apply to the sales of the same goods and services to which the state sales and use tax applies.

All the provisions regarding assessment, collection and enforcement of the state sales and use tax also apply to the local sales and use tax. The State shall assess and collect the local sales and use tax along with the state sales and use tax and return the revenue raised to the municipality. The municipality must notify the State Tax Assessor at least 90 days before the local tax goes into effect. This will give the State time to set up the procedures for administering the local tax.

The State Tax Assessor will determine how much revenue is raised through each municipality's local sales and use tax each month. He will then subtract his administration costs
