AN ACT RELATING TO LIQUOR EXCISE TAXES AND FREIGHT RATES

LVWD

Sponsor: GAUVREAU, Handy, Bott, Perry
Committee Report: LVWD

SUMMARY: Repeals the existing preference in calculation of the liquor excise tax which benefits in-state manufacturers of liquor and replaces it with an equivalent but more workable mechanism. This is accompanied by a statement of state policy concerning preference for in-state manufacturers.

This policy states that the State Liquor Commission act as a market participant in the state liquor market and use public funds to influence purchasers in the State to buy Maine-produced alcoholic beverages. To accomplish this task, the commission is instructed, among other things, to adopt a markup system under which Maine-produced alcoholic products are marked up 10% less in state liquor stores than similar products not produced in Maine.

In addition, several references to consumer "taxes" in the markup description contained in the Maine Revised Statutes, Title 28, section 451, have been removed.
