acquisitions. The "net new funds" requirement means that a significant portion of deposits gathered in Maine must be reinvested in this State in the form of loans and investments. The original bill also requires that the Superintendent of Banking be notified when a financial institution holding company issues preferred stock or debt instruments.

The new draft makes some technical changes and clarifies that financial institution holding companies and financial institutions cannot be authorized by rule to engage in certain businesses, such as insurance, to the extent that those activities are prohibited or limited by state law. The new draft also clarifies that the debt instruments referred to in the original bill consist of capital notes or debentures.

LD AN ACT TO AMEND THE REQUIREMENTS FOR INDIVIDUAL PL 1987
1270 PUBLIC SELF-INSURERS UNDER THE WORKERS' c. 95
 COMPENSATION ACT

Sponsor: BUSTIN, Collins, Simpson, Ogara
Committee Report: New Draft of LD 130

SUMMARY: The original bill (LD 130) adds an alternative to the "net worth" requirement of credit worthiness for public employers that self-insure their workers' compensation exposures. This alternative test of credit worthiness is based upon a municipal bond rating by a national bond rating organization.

This new draft keeps the substance of the bill, but adds the requirement of disclosure of funds that have been appropriated to pay workers' compensation claims in the annual audit for a county, city or town.

LD AN ACT TO PROVIDE REMUNERATION FOR PHYSICIAN LVWD
1278 SERVICES FOR INVOLUNTARY COMMITMENT OF PATIENTS
 FOR PSYCHIATRIC HOSPITAL CARE

Sponsor: HARPER, Hichborn, Pearson
Committee Report: LVWD

SUMMARY: This bill requires that payment for the cost of an examination for involuntary commitment to a mental hospital be included in health insurance policies.
