AN ACT RELATING TO THE EDUCATIONAL REQUIREMENTS
OF CHIROPRACTIC PRACTICE IN THIS STATE

LVWD

Sponsor: KILKELLY, Carroll, Kimball, Clark, N.
Committee Report: LVWD

SUMMARY: Applicants for a chiropractic license must have a diploma from a legally chartered chiropractic college having the power to confer degrees in chiropractics. If an applicant matriculated after Jan. 1, 1984 his diploma must show that it was granted by a chiropractic college accredited by a chiropractic educational accrediting agency approved by the U.S. Dept. of Education or, in the event as such agency doesn't exist, approved by the board.

This bill removes the requirement that the college be approved by a chiropractic educational accrediting agency and merely requires its approval by any approved educational accrediting agency.

AN ACT RELATING TO SOCIAL WORKER LICENSE FEES

PL 1987
c. 113
EMERGENCY

Sponsor: Reported Pursuant to M.R.S.A., Title 3, Section 501
Committee Report: New Draft of LD 504

SUMMARY: This bill was submitted under the statutory authority of the Committee on Audit and Program Review.

By statute licenses of Social Workers expire on Dec. 31st every other year and a renewal is payable Jan. 1st. The Board of Social Worker Registration currently has the licenses expire on the even number years. By statute renewal fees may not exceed \$50. Renewals due in January 1985 were charged at the rate of \$40 for all classifications except a new classification called licensed clinical social worker which were charged \$65, in conflict with statute. Even though renewals were due Jan. 1st of 1987, renewal notices were not sent out because of a recommendation by Audit and Program Review that this year's fees must be raised in order to balance the budget for this year. It is this increase that is the purpose of this bill. It seeks approval to set fees as high as \$125 for all of the current three categories of Social Workers. In the case of the two lower categories this would make the renewal fee ceiling considerably higher than the original examination and license fee ceiling.
