LD 1443 RESOLVE, AUTHORIZING THE SALE OF CERTAIN PUBLIC RESERVED LANDS. RESOLVE 1987 c. 34

Sponsor: COLLINS, Dexter, Michaud, Martin J
Committee Report: Maj-OTP-A; Min-OTP-A
Amendments Adopted:
S-116 COMMITTEE-Maj

SUMMARY: The bill authorized the director of the Bureau of Public Lands to undertake a series of land sales. The basic objective of these sales was to eliminate parcels from the Bureau's holding which did not contribute to the overall management objectives of the bureau. Thus, lands already densely developed under old leasing programs and a variety of scattered, relatively small parcels are included. Revenues from the sale go to the public reserved lands acquisition fund which can only be used to acquire lands with the protected status of "public reserved lands". In addition to these types of parcels, the bill included authorization to sell a public lot in Carrabassett Valley to the town of the same name. This portion of the bill resulted in a divided report.

The majority report of the committee recommended deletion of the Carrabassett land sale and included a fiscal note while the minority report retained the sale adding only a technical amendment describing the fiscal impact of the bill. The majority report was adopted by the full Legislature.
