AN ACT TO REQUIRE INSURERS TO REPORT
UTILIZATION REVIEW DATA

PL 1987
c. 168

Sponsor: PINES, Bott
Committee Report: New Draft of LD 345

SUMMARY: The original bill, LD 345, makes nonprofit and commercial insurers responsible for patient injuries which are the result of unreasonable delay, reduction or denial of medical services caused by utilization review committee decisions of the insurer. The insurer is also required to maintain insurance in the amount of \$1,000,000.

The new draft eliminates all provisions in the original bill which imposed liability on insurers for patient injuries which are the result of the utilization review process. The new draft requires commercial and nonprofit insurers, including preferred provider organizations and health maintenance organizations, to report yearly to the Superintendent of Insurance the results of prospective utilization review programs.
